SHOULD I FILE A SOUTH CAROLINA INCOME TAX RETURN?

Resident taxpayers **under age 65**:

- Were you required to file a federal income tax return which included income taxable by South Carolina? (Residents of South Carolina are taxed on their entire income, regardless of where earned, unless specifically exempted by law.)
- Did you have South Carolina income tax withheld from your wages?

Resident taxpayers **age 65 or older**:

- Married Filing Jointly (Both 65 or older) - Is your gross income greater than the federal gross income filing requirement amount plus \$30,000?
- Any Other Filing Status - Is your gross income greater than the federal gross income filing requirement amount plus \$15,000?
- Did you have South Carolina income tax withheld from your wages?

Nonresidents:

- Did you have South Carolina income tax withheld from your wages?
- Are you a nonresident or part-year resident whose South Carolina gross income is greater than the federal personal exemption amount?

If you answered YES to any one of the questions above, file a South Carolina income tax return.

DO I NEED TO PAY SOUTH CAROLINA USE TAX?

The use tax is a tax that applies to purchases of tangible personal property from out-of-state retailers for use, storage or consumption in South Carolina, and includes purchases from retailers made via the internet (retailers' websites and retailers' sales on auction sites), through out-of-state catalog companies, home shopping networks or when visiting another state. The tax rate for the use tax is the same as the sales tax. This rate is determined by where the tangible personal property will be used, stored or consumed, regardless of where the sale takes place. Therefore, the tax rate for the use tax will be the 6% state rate plus the applicable local use tax rate for the location where the tangible personal property will be used, stored or consumed. The purchaser, as an individual, may report and pay their use tax on an SC1040, UT-3 Use Tax Return or electronically through DORePay. See the instructions on the UT-3W for additional information and use tax rates by county. If you do not have an SC1040 filing requirement but you need to pay South Carolina use tax, you can report and pay on the UT-3 Use Tax Return or electronically at DORePay. See our website www.dor.sc.gov for additional information, forms and access to DORePay.

AM I A RESIDENT OR A NONRESIDENT?

The following definitions will help you decide:

You are a South Carolina **resident**, even if you live outside South Carolina, when:

1. Your intention is to maintain South Carolina as your permanent home, AND
2. South Carolina is the center of your financial, social and family life; AND
3. When you are away, South Carolina is the place to which you intend to return.

You are a **nonresident** if your permanent home is outside South Carolina all year and none of the above applies.

WHAT IS MY STATUS IF I MOVED INTO OR OUT OF SOUTH CAROLINA DURING THE TAX YEAR?

You are a part-year resident. As a part-year resident, you may consider yourself a full-year resident or a nonresident.

- If you elect to file as a full-year resident, file SC1040. Report all your income as though you were a resident for the entire year. You will be allowed a credit for taxes paid on income taxed by South Carolina and another state. You must complete SC1040TC and attach a copy of the other state's income tax return.
- If you elect to file as a nonresident, file SC1040 with Schedule NR. You will be taxed only on income earned while a resident in South Carolina and will prorate your deductions and exemptions. All personal service income earned in South Carolina must be reported to this state.

You may **choose** the way that is most advantageous to you. **This option is only available for the year you are a part-year resident. You must also attach a copy of your federal return.**

I AM A NONRESIDENT OF SOUTH CAROLINA BUT WORK IN SOUTH CAROLINA. HOW SHOULD I FILE?

File SC1040 with Schedule NR. You will be taxed only on income earned in South Carolina and will prorate your deductions and exemptions. All personal service income (wages, consulting, etc.) earned in South Carolina must be reported to this state.

I AM A RESIDENT FOR ONLY PART OF THE YEAR. HOW SHOULD I FILE?

An individual who is a South Carolina resident for only part of the year may choose one of two filing methods:

1. Complete Schedule NR, including in Column B only those amounts that are taxable to South Carolina, and attach to SC1040, **or**
2. File SC1040, including all federal taxable income, and attach SC1040TC to claim a credit for taxes paid to another state.

I AM A FULL-YEAR SOUTH CAROLINA RESIDENT BUT MY SPOUSE IS NOT. HOW SHOULD WE FILE?

If you file a **joint** federal return, you must file a **joint** South Carolina return SC1040 with Schedule NR. The resident

spouse will report to South Carolina all income for the entire year. The spouse who is not a resident on the joint return will only report income earned in this state, if any.

If you file **separate** federal returns, you must file a **separate** South Carolina return. Your spouse must also file a **separate** South Carolina return if he/she has income taxable by South Carolina.

I AM IN THE ARMED FORCES. WHAT IS MY RESIDENCY STATUS?

South Carolina Resident: If you enter the armed forces when you are a South Carolina resident, you do not lose your South Carolina residency status, even if you are absent from this state on military orders. You are subject to the same residency requirements as any other South Carolina resident and are required to file a South Carolina income tax return.

Nonresident: If you are not a South Carolina resident but are stationed in this state by military orders, **your military income** is not subject to South Carolina tax. However, if you have **other earned income** subject to South Carolina tax, file SC1040 with Schedule NR. Your spouse may be exempt from South Carolina income tax on income from services performed in South Carolina under the Federal Military Spouses Residency Relief Act. See Schedule NR instructions for more information. South Carolina **DOES** tax other income earned in this state by you or your spouse.

WHEN SHOULD I FILE MY RETURN?

RETURNS FOR CALENDAR YEAR 2014: file on or before April 15, 2015.

RETURNS FOR FISCAL YEAR TAX PERIODS: due on or before the fifteenth (15th) day of the fourth month following the close of your tax year. Identify the fiscal year period at the top of the return in the space provided and write "FISCAL" in large letters across the face of the return.

Electronic Filing: See electronic filing options for May 1 incentive.

NEED MORE TIME TO FILE?

If you need more time to file your South Carolina return, note the following:

- You may file and pay with your extension online through our website: www.dor.sc.gov
- **If you will receive a refund** of state income taxes, South Carolina will allow you the same length of time that is allowed by your federal extension. If you do not have a federal extension, then you must file a SC4868 by April 15, 2015.
- When you file your return, check the appropriate box on the front of the SC1040 and attach a copy of your federal extension or SC4868 to the back of your South Carolina return.

If you expect to owe additional tax by the April 15 due date, and you need more time to file your South Carolina income tax return:

- You must pay at least 90 percent of your state tax due to the Department of Revenue on a South Carolina SC4868 or file and pay online through SCnetFile at www.dor.sc.gov by April 15, 2015.
- Remember, an extension only allows you additional time to file your return. Your tax must still be paid to avoid failure to pay penalty and interest.
- Be sure to enter any South Carolina payments paid on an extension request on SC1040, line 18.

Be sure to attach a copy of the extension to the back of your South Carolina return when you file. Check the appropriate box on the front of the SC1040.

MORE TIME TO FILE DOES NOT MEAN MORE TIME TO PAY YOUR TAXES!

You will owe interest from April 15, 2015 to date of payment. A penalty may also be charged after April 15th if an additional payment is required. To avoid the penalty, you must: 1) pay at least 90 percent of the tax by April 15, 2015, and 2) pay the additional balance, if any, within the extended time period.

FRAUDULENT RETURN

Any person who deliberately fails to file a return, files a fraudulent return or attempts to evade the tax in any manner may be liable for a penalty up to \$10,000 or imprisoned for not more than five years or both.

I AM GETTING AN INCOME TAX REFUND THIS YEAR. WHEN WILL I GET MY REFUND?

Returns which are filed early are usually processed more quickly than returns filed closer to April 15th. Ordinarily, within three weeks after we receive your **complete** return we will mail your refund. Therefore, please allow at least five weeks for your refund to arrive before you contact us. Visit our website at www.dor.sc.gov or call 1-803-898-5300.

DECEASED TAXPAYERS

If a person received income during this tax year but died before filing a return, the South Carolina income tax return should be filed by the surviving spouse, executor or administrator. Use the same filing status that was used on the final federal income tax return. Check the appropriate box beside the decedent's social security number. The due date for filing is the same as for federal purposes. In the area where you sign the return write "Filing as a surviving spouse," if appropriate. A personal representative filing the return must sign in his or her official capacity and attach SC1310. Any refund will be issued to the decedent's surviving spouse or estate.

ROUND OFF CENTS TO THE NEAREST WHOLE DOLLAR.

You **must** round off cents to the nearest whole dollar on your return and schedules. You must drop amounts less than 50 cents. Increase amounts of 50 to 99 cents to the next dollar. For example: \$2.15 becomes \$2.00; \$4.75 becomes \$5.00; and \$3.50 becomes \$4.00.

WHAT TAX RECORDS DO I NEED TO KEEP?

Keep a copy of your return. Also, keep the original or a copy of any schedules, worksheets or statements used to prepare your return. Keep your records that support an item of income or a deduction appearing on a tax return until the limitations period for the return runs out. The limitations period is generally **THREE YEARS** from the date the return was filed or due to be filed, whichever is later.

Save any records concerning property, home, stocks, and business property you bought and may sell later. The records kept should show the purchase price, date and related cost, and for real property, cost and date of improvements. Your return may be audited by the IRS or the South Carolina Department of Revenue. If audited, the law requires you to show proof of your income, expenses, and cost of assets.

WHAT IF I AM AUDITED BY THE IRS?

If you receive a refund or owe additional federal tax, file an SC1040X (amended South Carolina return) after the federal audit becomes final.

WHEN SHOULD I FILE AN AMENDED SOUTH CAROLINA RETURN?

File SC1040X (Amended Return) any time you need to correct your South Carolina return. If you amend your federal return, generally you will need to amend your state return. You may apply for a refund on either an amended or delinquent return for any tax period which is open under the statute of limitations. A refund will not be issued for requests received beyond the limitations period.

The limitations period for filing an original return is generally three years from the original due date. If you filed the original return by the original due date or by an extended due date, the limitations period for filing an amended return is three years from the date of filing, three years from the original due date, or two years from the date of payment, whichever is latest. If you filed the original return after the original due date and any extended due date, if applicable, the limitations period for filing an amended return is three years from the original due date or two years from the date of payment, whichever is later.

REFUND SETOFFS

The South Carolina Department of Revenue assists other State agencies, institutions of higher learning, political subdivisions of the state, and the Internal Revenue Service in the collection of overdue accounts. All or part of your refund can be sent directly to these "claimant" agencies if they notify the Department that you have a past due account with them.

The South Carolina Department of Revenue charges the taxpayer a \$25.00 administrative fee to complete a refund "setoff." If any of your refund is sent to a claimant agency, the Department will notify you in writing. If your refund exceeds the amount owed the claimant agency plus the administrative fee, the balance will be mailed to you.

If you believe you do not owe the debt, the amount sent was incorrect, or the debt has already been paid, you must contact the claimant agency.

WHO MUST FILE A DECLARATION OF ESTIMATED TAX?

Generally, you must file a Declaration of Estimated Tax, SC1040ES, for the year 2015 if you estimate that your tax will be \$100 or more and the total amount of income tax that will be withheld will be less than the lesser of:

1. 90% of the tax to be shown on your 2015 income tax return,
or
2. 100% of the tax shown on your 2014 income tax return (if your 2014 return covered all 12 months of the year). However, if your adjusted gross income is \$150,000 or more, the 100% rule is modified to be 110% of the tax shown on your 2014 income tax return.

Wage earners who do not have enough tax withheld from their wages must file a Declaration of Estimated Tax for the year. You have two methods for paying: 1) increase the amount your employer withholds from your wages, or 2) pay estimated tax in addition to the usual amount withheld from your wages.

Taxpayers earning personal service income in another state on which tax withholding was due to the other state and was withheld can be relieved of declaration penalty.

Self-employed people who do not have South Carolina tax withheld from their income must file a Declaration of Estimated Tax for the year. **Recipients of taxable pension and annuities** who do not have at least 90 percent of their South Carolina income tax liability withheld must file a Declaration of Estimated Tax for the year.

WHO DOES NOT HAVE TO FILE A DECLARATION OF ESTIMATED TAX?

Farmers and commercial fishermen do not have to file a declaration if at least two thirds of their gross income is from farming or fishing, but must file their return and pay all tax due by March 1. If March 1 falls on a weekend, then the due date is the next business day.

HOW DO I FILE ESTIMATED TAX?

To file SC1040ES and pay online by credit card or electronic funds withdrawal, see our website www.dor.sc.gov. Forms can also be printed from our website to use when mailing your payment.

If you are a nonresident or resident alien and cannot get a Social Security number, you may contact the Internal Revenue Service to apply for and obtain an Individual Taxpayer Identification Number (ITIN) for the purpose of filing income tax returns. LINE INSTRUCTIONS FOR SC1040

ROUND-OFF ALL AMOUNTS TO THE NEAREST WHOLE DOLLAR.

Line 1 - FEDERAL TAXABLE INCOME

Enter your **Federal Taxable Income** from your federal form. **If your Federal Taxable Income is zero or less, enter zero** here and enter your negative amount on **line r**.

STOP! Nonresident/Part Year filers complete Schedule NR and go to line 5. See Schedule NR instructions.

ADDITIONS TO FEDERAL TAXABLE INCOME

Enter all numbers on **lines a through e** as **positive** numbers even if they are negative numbers on the federal return. **Lines a through e** are adjustments which **must be added** to your federal taxable income to determine your South Carolina taxable income. Line 2 is the total of these additions.

Line a - STATE TAX ADBACK, IF ITEMIZING ON FEDERAL RETURN

If you deducted state and local income taxes or general sales taxes while itemizing on your 2014 federal income tax return, you are required to add all or part of this amount to federal taxable income to arrive at your South Carolina taxable income. Use the worksheet below to figure the adjustment. (Keep this worksheet for your records.)

Worksheet A - State Tax Adjustment	
1. Itemized deductions from 2014 federal Form 1040, Schedule A lines 4, 9, 15, 19, 20, 27 and 28.	1. _____
2. Enter allowable federal standard deduction you would have been allowed if you had not itemized. Enter zero if married filing separate (MFS) returns. (See federal instructions)	2. _____
3. Subtract line 2 from line 1. (Enter zero if line 2 is greater than line 1.)	3. _____
4. Enter the amount of state and local income taxes or general sales taxes from federal Schedule A.	4. _____
5. The lesser of line 3 or line 4. Enter this amount on SC1040 line a .	5. _____

Line b - OUT-OF-STATE LOSSES

If you have reported losses from out-of-state rental property, a business located outside South Carolina, or losses from real property located out of state, enter the amount shown on your federal return on **line b** and check the appropriate box. You must also include any related expenses, such as investment interest. Enter the total of these losses and related expenses on this line. Personal service income (W-2 or business wages) is taxable to South Carolina **no matter where it is earned**.

Line c - EXPENSES RELATED TO RESERVE INCOME

Because inactive duty military reserve income is taxed for federal purposes but deductible on your South Carolina return, you must add back the amount of the federal deduction for expenses related to this income. Enter the amount of these expenses on this line.

Line d - INTEREST INCOME

Interest income on obligations of states and political subdivisions other than South Carolina **must be added**. In the case of a mutual fund, add back the percentage of exempt interest income attributable to out-of-state non-federal obligations. Enter the amount of taxable interest income on this line.

Line e - OTHER ADDITIONS TO INCOME

Attach an explanation of your entry for this line. Some examples of items which you must enter on this line are:

- Taxpayers that claim bonus depreciation under federal law must add back the difference between the bonus depreciation taken and the depreciation which would have been allowed without bonus depreciation.
- Taxpayers that claim a child care program credit for donations to a nonprofit corporation (Sch. TC-9) are not allowed a deduction for those donations. The disallowed deductions are an addition to federal taxable income.

- Taxpayers that claim credits such as the Community Development Credit (Sch. TC-14), the Industry Partnership Fund Credit (Sch. TC-36), and the Credit for Child Care Program (Sch. TC-9), may not claim a deduction for the same qualified contribution which results in the credit.
- Federal net operating loss when claiming a larger amount than for state purposes **is an addition**.
- Expenses deducted on the federal return related to any income exempt or not taxed by South Carolina **is an addition**. **Some examples are investment interest to out-of-state partnerships and interest paid to purchase United States obligations.**
- Foreign areas allowances, cost of living allowances and/or income from possessions of the United States are **additions** to federal taxable income.
- Effective for qualifying investments made after June 30, 1998, taxpayers must reduce the basis of the qualifying property to the extent the Capital Investment Tax Credit is claimed. An addition to federal taxable income must be made for the resulting reduction in depreciation.
- A deduction for domestic production activities under IRC Section 199 must be added back.
- A charitable contribution deduction under IRC Section 170 for a gift of land must be added back unless the contribution also meets the requirements of S.C. Code Section 12-6-5590.
- Include any withdrawals during the tax year from a Catastrophe Savings Account that were:
 - (1) necessary because contributions were more than the allowable limits; or
 - (2) more than the amount needed to cover qualified catastrophe expenses. (Qualified catastrophe expenses are expenses paid or incurred because of a major disaster as declared by the Governor.)
 Do not include any withdrawals made by a spouse surviving the spouse who set up the Account.
- As of January 1, 2009, a business must add back any amount paid for services performed by an unauthorized alien if the amount is \$600 or more a year.

Depending upon how a particular item was reported or deducted, the following items may be an addition or a subtraction:

- A change in the accounting method to conform in the same manner and the same amount to the federal. **This may be an addition or a subtraction**. At the end of the federal adjustment, any balance will continue until fully adjusted.
- The installment method of reporting is to be adjusted if the entire sale has been reported for state purposes or to continue on an installment basis if the entire sale has been reported for federal purposes. **This may be an addition or a subtraction**.
- Adjust the federal gain or loss to reflect any difference in the South Carolina basis and federal basis. **This may be an addition or a subtraction**.

Line 2 - TOTAL ADDITIONS

Add **lines a through e** and enter total. These are your total additions.

SUBTRACTIONS FROM FEDERAL TAXABLE INCOME

Enter all numbers on **lines f through v** as positive numbers even if they are negative numbers on the federal return.

Lines f through v are adjustments which **should be subtracted** from your federal taxable income to determine your South Carolina taxable income.

Line f - STATE TAX REFUND

If your state tax refund was included on your federal Form 1040, that amount should be entered on this line.

Line g - TOTAL AND PERMANENT DISABILITY RETIREMENT INCOME TAXED ON YOUR FEDERAL RETURN

If **disability retirement income** was taxed on your federal income tax return and you are **totally and permanently disabled**, you may be able to deduct this income from your South Carolina taxable income.

You must be totally and permanently disabled, unable to be substantially gainfully employed, receiving income from a disability retirement plan, and eligible for the homestead exemption under Section 12-37-250. You must attach a copy of the physician's statement establishing that you are permanently and totally disabled.

NOTE: The deduction is limited to payments received from retirement plans. Third party sick pay reported on a W-2 does not qualify for the total and permanent disability retirement deduction.

A surviving spouse may take a disability retirement deduction for amounts received in the year the disabled spouse died. For subsequent years, a surviving spouse is only eligible for the retirement deduction on **line p** and not the disability deduction.

Line h - OUT-OF-STATE RENTAL/BUSINESS OR REAL ESTATE INCOME NOT TAXABLE TO SOUTH CAROLINA

If you have income from out-of-state rental property; a business located outside South Carolina; or gain from real property located out of state, as reported on your federal return, enter this amount on this line and check the appropriate box. **However, personal service income (W-2 or business wages) is taxable to South Carolina no matter where it is earned.**

Line i - NET CAPITAL GAIN DEDUCTION

Net capital gains which have been held for a period of more than one year and have been included in the SC taxable income are reduced by 44% for SC income tax purposes.

The term "**net capital gain**" means the **excess** of the **net long-term** capital gain for the taxable year **over** the **net short-term** capital loss for such year. Income received from installment sales as well as capital gain distribution qualifies for this deduction **provided the more than one year holding period has been met.** (SC Capital Gains holding period is the same as the federal.) Multiply the net gain which meets the above guidelines by 44% (.44) and enter the results on this line.

Example: Taxpayer's gain on stock (held more than one year) is \$10,000. Also reported is a short term (ST) loss on stock held for six months of \$5,000 and a long term (LT) loss on stock held since 1985 which amounts to \$3,000.

SC Net LT Capital Gain (more than one year)	\$ 7,000 (10,000 gain - 3,000 loss)
- SC Net ST Capital Loss	<u>- 5,000</u> (one year or less)
SC Net Capital Gain	\$ 2,000
Net LT Capital	
X Gain Deduction	<u>X 44%</u>
Amount to be deducted	\$ 880

Line j - VOLUNTEER DEDUCTION

Volunteer firefighters, rescue squad workers, volunteer hazardous material HAZMAT team members, reserve police officers, Department of Natural Resource (DNR) deputy enforcement officers, members of the State Guard, and State Constables are allowed to deduct **\$3,000**. Volunteer firefighters, rescue squad workers and HAZMAT members qualify **only** if their employer provides them with a form stating that they have earned the minimum number of points established by the State Fire Marshal during the year. Reserve police officers, DNR deputy enforcement officers, and State Guard members qualify only if the appropriate authority provides them with an I-332 certification form certifying their eligibility for this deduction. Volunteer state constables qualify if they complete a minimum logged service time of two hundred forty hours per year and have been designated by the State Law Enforcement Division (SLED) as a state constable before the taxable year for which the deduction is first claimed. The volunteer state constable must be current with the required SLED approved annual training for constables for the most recently completed fiscal year as evidenced by a copy of the documentation provided to SLED of this annual training. An individual is limited to one deduction of \$3,000. If a taxpayer and spouse both qualify, enter \$6,000. Enter the amount on **line j** and check the type of deduction.

Line k - CONTRIBUTIONS TO THE SC COLLEGE INVESTMENT PROGRAM ("FUTURE SCHOLAR") OR TO THE SC TUITION PREPAYMENT PROGRAM

You may deduct 100% of any contributions to the SC College Investment Program ("Future Scholar") made between January 1, 2014 and through April 15, 2015. You may deduct 100% of any contribution to the SC Tuition Prepayment Program made between January 1, 2014 and December 31, 2014.

Line l - ACTIVE TRADE OR BUSINESS INCOME DEDUCTION

Enter the amount from I-335, line 5.

Line m - INTEREST FROM U.S. OBLIGATIONS

If you included your interest income from U.S. obligations (such as U.S. savings bonds, treasury notes and bills, etc.) as income on your federal income tax return, enter the amount on this line. Deduct the interest income from South Carolina and/or federal obligations.

Interest income from the following obligations **are taxable** for state purposes:

- Federal Home Loan Mortgage Corporation (Freddie Mac)
- Federal National Mortgage Association (Fannie Mae)
- Government National Mortgage Association (Ginnie Mae)

Line n - CERTAIN NONTAXABLE NATIONAL GUARD OR RESERVE PAY

Income received from National Guard or Reserve members for customary annual training, weekend drills, and other inactive duty training is generally exempt from South Carolina income tax.

- Members of the National Guard or Reserves may deduct all inactive duty pay from the United States or any state for weekend drills and other inactive duty training actually attended.
- Members of the National Guard and active duty Reserve members may also deduct up to 15 days of customary annual training pay, also referred to as "active duty training" or "ADT".
- Inactive duty Reserve members may also deduct up to 14 days of customary annual training pay, also referred to as "active duty training" or "ADT" plus up to 2 days of travel time listed on official orders.
- Full-time Active Guard and Reserve (AGR) employees may deduct up to 15 days of annual training actually attended and up to 24 days of weekend drills (a maximum of 39 days) at the daily rate of pay.

For additional information see **SC Revenue Ruling #09-16** on our website www.dor.sc.gov. Do not include Military Reserve and National Guard pay which is included in retirement income on this line. See **line v** instructions for other subtractions.

Line o - SOCIAL SECURITY AND/OR RAILROAD RETIREMENT AMOUNT IF TAXED BY FEDERAL

If you are taxed on any Social Security under Title 2 of the Social Security Act or railroad retirement income on your federal return, enter the amount that was taxed on your federal return.

Line p - RETIREMENT DEDUCTION

An **individual** who is under **age 65** may claim a retirement deduction up to \$3,000 of qualified retirement income from his or her own plan.

An **individual** who is **age 65** or older during the tax year may claim a retirement deduction up to \$10,000 of qualified retirement income from his or her own plan.

On **line p-1**, include only qualified withdrawals from the taxpayer's own qualified retirement plan. On **line p-2**, include only qualified withdrawals from the spouse's own qualified retirement plan.

"QUALIFIED RETIREMENT INCOME" is income from plans defined in I.R.C. 401, 403, 408 and 457, and all public employee retirement plans of the federal, state and local governments, including individual retirement plans, Keogh plans, and military retirement.

Social Security income, railroad retirement income, and disability retirement income due to permanent and total disability do NOT qualify because these items are not taxed by South Carolina. See **lines g and o**.

Any portion of qualified retirement income received this tax year that resulted in a **federal premature withdrawal penalty** does **NOT** qualify for a retirement deduction.

A **surviving spouse** receiving qualified **retirement** income attributable to the deceased spouse may deduct up to \$3,000 or \$10,000 of the qualified retirement income, based on the age the deceased spouse would have been had he or she lived. To claim the deduction on **line p-3 and p-4** (if needed), a surviving spouse must receive the decedent's qualified retirement income as a surviving spouse. The surviving spouse retirement deduction is in addition to the **individual** retirement deduction from his or her own plan.

Line r - NEGATIVE AMOUNT OF FEDERAL TAXABLE INCOME

For the SC1040 form, it is important that a negative number not be entered on line 1. Because the South Carolina return begins with federal taxable income, it is important that you get the benefit of the negative amount from the federal taxable income line of the federal return. On the SC1040 form, start with zero on line 1 and put the negative amount from the federal taxable income line of the federal return on this line of the SC1040.

Line s - SUBSISTENCE ALLOWANCE

Police and all commissioned law enforcement officers paid by South Carolina municipal, county, state governments or the federal government, **full-time** firefighters, and **full-time** emergency medical service personnel are entitled to subsistence allowances of \$8.00 per regular workday. Your employer should provide you with the number of work days.

Line t - DEPENDENTS UNDER SIX YEARS OF AGE

An additional deduction is allowed for each dependent claimed on the federal income tax return who had **not** reached the age of six by December 31 of the tax year. Birthdate(s) and Social Security number(s) are required. See worksheet below.

Line u - CONSUMER PROTECTION SERVICES

An individual may deduct the costs incurred by him or her in the tax year to purchase a monthly or annual contract or subscription for identity theft protection and identity theft resolution services. The deduction is only for individuals who filed a return with the SC Department of Revenue for a tax year between 1998 and 2012 or when another's personal identifiable information was included on the return. **The deduction may not be claimed for an individual who either deducted the same actual costs as a business expense or is enrolled in the identity theft protection and**

resolution services offered free of charge by the State. The deduction is limited to \$300 for an individual taxpayer, and to \$1,000 on a joint return or a return claiming dependents.

Identity theft protection includes products and services designed to prevent an incident of identify fraud or identity theft or otherwise protect the disclosure of a person's personal identifying information (for example your SSN) by preventing a third party from gaining unauthorized acquisition of another's personal identifying information to obtain financial resources or other products, benefits or services. Identity theft resolution services include products and services designed to assist persons whose personal identifying information was obtained by a third party, which results in minimizing the effects of the identity fraud or identity theft incident and restoring the person's identity to pre-theft status.

Line v - OTHER SUBTRACTIONS FROM INCOME

Attach an explanation of your entry on this line. Some examples of items which may be subtracted on this line are:

- **Phase-out Adjustment Worksheet.** Complete if itemized deductions and exemptions are limited on your federal return based on adjusted gross income over \$305,050 if married filing jointly or qualifying widow(er), over \$279,650 if head of household, or over \$254,200 if single; or over \$152,525 if married filing separately:

8. Subtract line 7 from line 4. Enter this amount on SC1040, line v Other Subtractions .	8. _____

- South Carolina does not recognize bonus depreciation in IRC Section 168(k). With or without bonus depreciation, the depreciable life of the property is the same for federal and state purposes. For the tax year in which the property is placed in service, a taxpayer must add back the difference, in the line for other additions, between the depreciation deduction allowed for federal purposes and the deduction that would have been allowed without bonus depreciation. Therefore, the South Carolina adjusted basis is greater than the federal adjusted basis. For all other years of the depreciable life of the property, an additional depreciation deduction is available for South Carolina purposes.
- South Carolina net operating loss that is larger than the federal amount is a subtraction. **In no event is the same loss to be deducted more than once.** Attach your own worksheet or keep with your tax records. No carryback losses are allowed.

- Legislators within a 50-mile radius of the State House are allowed to **subtract** travel expenses.
- Retirement income paid by the United States government for service in the Reserves or National Guard is not taxed for South Carolina purposes. (You may deduct the entire amount of any stipend paid by the State of South Carolina for National Guard service.)

Determine the percentage of your military retirement income which is excludable by dividing the length of time you served in the Reserves and/or National Guard (not full time) by the length of time of your total military service as follows:

MILITARY RETIREMENT EXCLUSION WORKSHEET		
Inactive Reserve time		
+ Inactive National Guard time		= _____% exclusion
Total Military time (Active and Inactive)		
Determine the excludable amount of your military retirement income by multiplying it by the percentage of exclusion as follows:		
	total taxable military retirement income shown on federal return	excludable military retirement income
_____ % exclusion X		=

Include the amount of excludable military retirement income as a subtraction.

- If you have adopted a "special needs child", you may **subtract** \$2,000 per year per child as long as the adopted child qualifies as a dependent on your federal return.

Attach a copy of the letter you received at the time of adoption from the SC Department of Social Services which certified the person as a "special needs child."

A "special needs child" means a person under the age of 18 at the time of adoption, who is a dependent of a public or private non-profit adoption agency, is legally free for adoption and has been determined by the agency to have specific conditions.

- Include amounts contributed to a Catastrophe Savings Account and interest income earned by the account. If your legal residence is insured against hurricane, rising floodwaters, or other catastrophic windstorm event damage, you are allowed to contribute: (1) \$2,000 if the qualified deductible is \$1,000 or less; (2) twice the qualified deductible if it is between \$1,000 and \$7,500; or (3) \$15,000 if the qualified deductible is more than \$7,500.

If your legal residence is not insured against hurricane, rising floodwaters, or other catastrophic wind event damage, the limit is \$250,000 or the value of your legal residence, whichever is less.

Depending upon how a particular item was reported or deducted, the following items may be an addition or subtraction.

- A change in accounting method to conform in the same manner and same amount as federal. At the end of the federal adjustment, any balance will continue until fully adjusted. **This may be an addition or subtraction.**
- The **installment method of reporting** is to be adjusted if the entire sale has been reported for state purposes or to continue on an installment basis if the entire sale has been reported for federal purposes. **This may be an addition or subtraction.**
- Adjust the federal gain or loss to reflect any difference in the South Carolina basis and federal basis. **This may be an addition or subtraction.**

Line 4 - TOTAL SUBTRACTIONS

Add **lines f through v** and enter the total. These are your total subtractions.

SOUTH CAROLINA TAX

Line 6 - TAX

If your "income subject to tax" on line 5 is less than \$100,000, use the SC1040 tax tables to determine your South Carolina tax and enter the amount of tax on line 6.

If your "income subject to tax" on line 5 is \$100,000 or more, use the tax rate schedule provided in the SC1040 tax tables to compute your tax and enter the amount of tax on line 6.

Line 7 - TAX ON LUMP SUM DISTRIBUTION

South Carolina provisions for lump sum distributions are the same as the federal provisions. If you used federal Form 4972 for a lump sum distribution, you must use the South Carolina SC4972 to compute the South Carolina tax.

This separate tax on lump sum distributions is in addition to the regular tax computed on line 6.

NOTE: Do not enter the federal 10% penalty on line 7.

Line 8 - TAX ON ACTIVE TRADE OR BUSINESS INCOME

Enter the amount from I-335, line 7.

Line 9 - TAX ON EXCESS WITHDRAWALS FROM CATASTROPHE SAVINGS ACCOUNTS

Withdrawals from a Catastrophe Savings Account are taxed an additional 2.5% unless:

- (1) the taxpayer no longer owns a qualified legal residence in South Carolina;
- (2) the amount contributed was within the allowable limits, and the withdrawal occurred after the taxpayer reached age 70; or
- (3) the withdrawal followed the death of the individual who set up the Account or the surviving spouse.

CREDITS

Line 11 - CHILD AND DEPENDENT CARE

The South Carolina Credit for Child and Dependent Care expense is 7% of the federal expense for a full year resident. A part year/nonresident is allowed 7% of their prorated federal expenses. See examples below. **Married filing separately cannot claim this credit.** The maximum credit allowed for one child is \$210. The maximum credit for two or more children is \$420.

Example A: Full Year Resident (In this example, the allowable credit is \$140.)

Federal Child Care Expense from Form 2441, is \$2,000

$\$2,000 \times .07 = \140

Example B: Part Year/Nonresident (In this example, the allowable credit is \$42.)

Federal Child Care Expense from Form 2441, is \$2,000 and your proration percent from line 44 of SC Schedule NR is 30%. Your computation should be:

$\$2,000 \times .30 = \$600 \times .07 = \$42$

You may **not** claim this credit if you are a resident of a state which does not offer a credit for child and dependent care expenses to a South Carolina resident.

**Line 12 - TWO WAGE EARNER CREDIT
(MARRIED COUPLE)**

This credit can only be claimed by a **married couple filing jointly** when both spouses have earned income taxed to South Carolina. *(See adjustments). This credit is **not** allowed on returns with a filing status of single, married filing separately or head of household. Do not include gambling or bingo winnings reported on federal form W-2G.

Example - You earned a salary taxed to South Carolina of \$20,000. Your spouse earned \$17,000 taxed to South Carolina and had an IRA deduction taxed to South Carolina of \$1,000. Your SC qualified earned income is \$20,000 and your spouse's is \$16,000 (\$17,000 minus \$1,000). Because your spouse's qualified earned income is less than yours, the credit is based on your spouse's income. Therefore, the credit is \$112 (\$16,000 x .007).

* **South Carolina qualified earned income.** This is the amount on which the credit is based. Compute it by subtracting certain adjustments from federal form SC1040 South Carolina earned income. The adjustments are:

- Deductible part of self-employment tax
- Self-employed SEP, simple, and qualified plans
- Self-employed health insurance deduction
- IRA deduction
- Repayment of sub-pay

Compute your earned income separately for yourself and your spouse. South Carolina earned income is generally income you receive for services you provide. It includes wages, salaries, tips, commissions and sub-pay. It also includes income earned from self-employment, business income or loss, partnership income or loss, farm income or loss and any other earned income taxed to South Carolina. Earned income does not include gambling or bingo winnings, interest, dividends, Social Security benefits, IRA distribution, unemployment compensation, deferred compensation or non-taxable income. **It also does not include any amount your spouse paid you.**

Attach the appropriate credit form to the SC1040. Refer to the I-333, I-334, and I-360 to see if you qualify to claim the credit.

Line 26 - SOUTH CAROLINA USE TAX

What is Use Tax? This is the tax due on purchases outside of South Carolina for use, storage, or consumption in South Carolina. The use tax is paid to the SC Department of Revenue when the State Sales and Use Tax has not been collected by the seller. Examples include: purchases from retailers made via the internet (retailers' websites and retailers' sales on auction sites), through out-of-state catalog companies, home shopping networks or when visiting another state. The tax rate for the use tax is the same as the sales tax. The rate is determined by where the tangible personal property will be used, stored or consumed, regardless of where the sale takes place. **Therefore, the tax rate for the use tax will be the 6% state rate plus the applicable local use tax rate for the location where the tangible personal property will be used, stored or consumed.** For more information and updated tax rates, see our website www.dor.sc.gov.

How is the Use Tax Paid? The purchaser, as an individual, may report and pay their use tax on an SC1040, UT-3 Use Tax Return or electronically through DORePay. If you **owe** use tax and have NOT paid it either on a UT-3 or electronically, **complete the South Carolina Use Tax Worksheet** and enter the result on **line 26**. If you have paid your use tax during the year on a UT-3, electronically or have no use tax due, check the box on line 26.

You can choose **direct deposit** to have the funds deposited directly into your bank account (the fastest option for most filers), or you can choose to have a **debit card** or a **paper check** mailed to you. Debit cards are issued by Bank of America and are subject to program limitations. Mark an **X** in **one box** to indicate your choice. If you choose direct deposit, you **must** enter your account information on **line 30b**.

Line 30b - DIRECT DEPOSIT INFORMATION

Choose direct deposit for a fast, simple, safe, secure way to have your refund deposited automatically to your checking or savings account. If you choose direct deposit, enter your account information on line 30b. If you don't enter complete and correct account information on line 30b, we'll mail you a paper check. Direct deposit of your refund is not available if the refund would go to an account outside of the United States.

Mark an **X** in the box for the type of account, **checking or savings**.

Enter your bank's **9-digit routing transit number (RTN)** in the space provided. The **RTN** should begin with 01 through 12, or 21 through 32. If not, the direct deposit will be rejected. **Do not use a deposit slip to verify the number.** It may contain internal routing numbers that are not part of the actual routing number.

Enter your **bank account number (BAN)** in the space provided. The number can contain up to 17 alphanumeric digits. If fewer than 17 digits, enter the number from left to right. Do not enter hyphens, spaces or special symbols. Do not include the check number.

Contact your bank if you need to verify that your bank account information is accurate prior to submitting your return. If we cannot make the direct deposit for any reason, we will send a paper check to the mailing address on your return. **Make sure your mailing address is complete and accurate on your return.**

Line 31 - NET TAX

If you have an amount on line 29, add lines 25 and 29 and enter on line 31; otherwise, enter the amount from line 25.

Line 32 - LATE FILING AND/OR LATE PAYMENT PENALTIES AND INTEREST

If you have calculated failure to file/pay penalties and interest, enter in the appropriate blanks and put the total of both on line 32.

Line 33 - UNDERPAYMENT OF ESTIMATED TAX- SC2210

You may owe a penalty for underpayment if you did not pay in **four equal amounts** by the required dates at least the smaller of 90% of your tax liability for 2014; or 100% of your tax liability for 2013.

However, if your adjusted gross income is \$150,000 or more, the 100% rule is modified to be 110% of the tax shown on your 2013 income tax return. See SC2210 to determine any penalty that may be due.

Exception to underpayment of estimated tax:

- Enter an "A" in the box if you completed federal Schedule AI-Annualized Income Installment Method for South Carolina purposes in determining the amount to enter on Line 33.
- Enter an "F" in the box if you are a farmer or fisherman. You will not owe interest if you are a farmer or fisherman and pay the tax due by March 1, 2015. You are a farmer or fisherman if you received at least two-thirds of your gross income for the year from farming and fishing.
- Enter a "W" if you are requesting a waiver of your entire penalty. See SC2210 instructions for information on what qualifies for a waiver of penalty.

Figure your penalty for underpayment and put the amount on line 33. If you are due a refund, subtract the penalty amount from the difference on line 24 and line 29 and enter the result on line 30. Attach SC2210 to your tax return when using an exception to waive the penalty.

Line 34 - BALANCE DUE – AMOUNT YOU OWE

Add lines 31 through 33 and enter on line 34. This is the amount you owe.

NOTE: A taxpayer owing fifteen thousand dollars or more in connection with any return to be filed with the department should pay electronically per SC Code of Laws Section 12-54-250(A) (1). See the SC1040-V for additional information on how to pay electronically free of charge or include SC1040-V with your check or money order for the full amount payable to SC Department of Revenue. Write your Social Security number and "2014 SC1040" on the payment. **File your SC1040 Individual Income Tax Return and your SC1040-V with payment attached.**

SIGN AND DATE YOUR RETURN

Your return must be signed. Both spouses must sign a joint return.

For deceased taxpayers, returns must be signed by surviving spouse, executor or administrator. For surviving spouse, write "filing as surviving spouse" by your signature.

A personal representative filing the return must sign in his or her official capacity and attach SC1310. Any refund check will be issued to the decedent's surviving spouse or estate.

AUTHORIZATION

The signature section of the return contains a "check the box" authorization for release of confidential information. A check in the "yes" box authorizes the Director of the Department of Revenue or delegate to discuss the return, its attachments and any notices, adjustments or assessments with the preparer.

If a person is paid to prepare the income tax return, his/her signature and preparer tax identification number (PTIN) or federal employer identification number (FEIN) are required in the spaces provided. Penalties are applicable for failure to comply.

2014 Tax Rate Schedule for taxable income of \$100,000 or more

Caution: You must use the Tax Tables instead of this Tax Rate Schedule if your taxable income is less than \$100,000.

Use this rate schedule regardless of the filing status you checked on Form SC1040.

If the amount on SC1040, line 5 is **\$100,000 or more:**

Multiply the amount on line 5 by 7%;

Subtract \$490; and

Enter the difference on line 6.

Example of Tax Rate Schedule Computation

If South Carolina income subject to tax on SC1040, line 5 is \$101,000, the tax is calculated as follows:

\$101,000	income from SC1040 line 5
X .07	(.07)
7,070	
- 490	subtraction amount (constant)
\$6,580	tax

\$6,580 is the amount of tax to be entered on SC1040, line 6 in this example.
