

File Manufacturing Property  
Tax Returns (PT-300) online

## *benefits for manufacturers*

- **Pre-filled return information** – If you've previously filed a Manufacturing Property Tax Return (PT-300), MyDORWAY will pre-fill your return with the prior year's information, making filing easier than ever.
- **Enhanced return summaries** – MyDORWAY provides detailed Schedule data you can view anytime or save for your records.
- **Helpful filing reminders** – Filing reminder notices and MyDORWAY web messages will be distributed four months before the return due date.
- **Convenient access role for tax professionals** – Tax professionals now have a new, easier option for accessing a client's SCDOR Property Tax accounts on MyDORWAY.
