SC Revenue Procedure #05-2

SCOPE: An Information Letter is a written statement issued to the public to announce general information useful in complying with the laws administered by the Department. An Information Letter has no precedential value.

The South Carolina Code of Laws allows the imposition of various types of local sales and use taxes. As such, the citizens of a county, depending upon the needs within the county, may impose one or several local sales and use taxes. While most of these local sales and use taxes provide the same exemptions for certain sales and purchases, there are some differences. Attached is a chart that should provide guidance concerning the various types of local sales and use taxes collected by the Department of Revenue and the types of exemptions allowed under each tax. Please note that this chart only addresses the general local sales and use taxes collected by the Department of Revenue on behalf of the counties, school districts, and the Catawba Indian tribal government. It does not address the local taxes on sales of accommodations or on sales of prepared meals that are collected directly by the counties.

TYPES OF EXEMPTIONS:

State Exemptions - 12-36-2120: Sales of tangible personal property exempt from the State sales and use tax are exempt from the local sales and use tax if marked “Yes” under this column.

Exemption for Maximum Tax Items- 12-36-2110: Sales of items subject to a maximum tax under the State sales and use tax law (i.e. aircraft, motor vehicles, motorcycles, boats, trailers and semitrailers pulled by truck tractors, horse trailers, recreational vehicles (including tent campers, travel trailers, park models, park trailers, motor homes, and fifth wheels), self-propelled light construction equipment, unassembled aircraft, manufactured homes, musical instruments and office equipment purchased by certain religious organizations, fire safety education trailers, and certain research and development machinery) are exempt from the local sales and use tax if marked “Yes” under this column.

Exemption for Casual Excise Tax Items - 12-36-1710: Sales of items subject to the casual excise tax under Code Section 12-36-1710 through Code Section 12-36-1740 (i.e. motor vehicles, motorcycles, boats, motors, and airplanes required to be registered, titled, or licensed) are exempt from the local sales and use tax if marked “Yes” under this column.

Exemption for Food Stamp Purchases: Sales of food purchased with food stamps are exempt from the State sales and use tax; therefore, such sales are exempt from the local sales and use tax if marked “Yes” under this column.

Exemption for Certain Food Sales: Sales of certain foods, while subject to the State sales and use tax, are exempt from the local sales and use tax if marked “Yes” under this column. Sales of food which are eligible to be purchased with United States Department of Agriculture food stamps come under this exemption. This exemption applies to everyone, not just persons using food stamps.

Foods which may be purchased with food stamps and are exempt from these local sales and use taxes include:

- * Any food intended to be eaten at home by people, including snacks, beverages and seasonings
- * Seeds and plants intended to grow food (not birdseed or seeds to grow flowers)
- * Cold items, which may include salads or sandwiches, intended to be eaten at home by people

Items which cannot be purchased with food stamps and are, therefore, subject to these local sales and use taxes are:

- * Alcoholic beverages, such as beer, wine, or liquor
- * Hot beverages ready-to-drink such as coffee

- * Tobacco
- * Hot foods ready to eat
- * Foods designed to be heated in the store
- * Hot and cold food to be eaten at a lunch counter, in a dining area or anywhere else in the store or in a nearby area such as a mall food court
- * Vitamins and medicines (Note: Sales of certain medicines are exempt from the State sales and use tax, and therefore, are also exempt from all local sales and use taxes.)
- * Pet food
- * Any non-food items such as tissue, soap or other household goods

“Grandfather Clause” Exemption for Certain Purchases By Construction Contractors:

All the local sales and use taxes discussed in this information letter exempt purchases of building materials for use under a construction contract if both of the following conditions are met:

- A. 1. the construction contract is executed before the imposition date; or
 - 2. a written bid is submitted before the imposition date culminating in a construction contract entered into before or after the imposition date; and
- B. a verified copy of the contract is mailed within 6 months of the imposition date to:

South Carolina Department of Revenue
 Registration Unit
 P. O. Box 125
 Columbia, South Carolina 29214-0140

A "verified copy" is a copy accompanied by a statement, signed under penalties of perjury, that it is true and correct. If the contractor is a corporation, the statement is to be signed by an officer of the corporation or an employee authorized to sign. If the contractor is a partnership, the statement is to be signed by a general partner. If the contractor is a sole proprietorship, the owner is to sign.

Special Exemption Certificate. In order for a contractor to purchase building materials for a particular contract free of the local tax, the contractor must complete Form ST-10-C ("Application for Exemption from Local Option Tax") and submit it to the Department of Revenue. If the Department determines the contract in question meets the above requirements, the contractor will be issued a special exemption certificate (Form ST-35). The certificate may only be used to purchase building materials for the contract for which it

is issued and may not be used to purchase anything other than building material. If the contractor uses this certificate to make purchases free of the local tax, upon which the tax should have been paid, then the contractor will be held liable for the tax. **Also, the certificate does not allow the contractor to make purchases of building materials free of the State tax.**

An exemption certificate (Form ST-35) issued by the Department of Revenue to a prime contractor under this exemption may not be used by a subcontractor nor may a prime contractor use a subcontractor's exemption certificate. Each contractor must obtain his own certificate for each construction contract.

Note #1: By not exempting items subject to the casual excise tax (“No” in the “Casual Excise Items” column), counties imposing this local sales and use tax will impose the local tax on sales and purchases of trailers that can be pulled by vehicles other than truck tractors, sales of pole trailers and sales of boat motors not attached to a boat at the time of sale, but will not impose the local sales and use tax on items subject to a maximum tax under the State sales and use tax law.

Note #2: Effective December 1, 2002, Jasper county charges two local sales and use taxes - the 1% Local Option Tax and the 1% Jasper School Tax. Jasper county has imposed the 1% Local Option Tax since July 1, 1991 and imposed both the 1% Local Option Tax and 1% Capital Projects Tax for the period of May 1, 1999 through November 30, 2002.

Note #3: Effective May 1, 2000 Chester county no longer imposes the 1% Capital Projects Tax. Chester county still imposes the 1% Local Option Tax. Chester county imposed the 1% Capital Projects Tax for the period of May 1, 1999 through April 30, 2000.

(Prior to the enactment of this Transportation Tax, Charleston county was scheduled to impose another Transportation Tax at the rate of ½ of 1% in May of 2003; however, this tax was not imposed as a result of a South

Carolina Supreme Court decision.)

Note #9: Since July 1, 1991, Hampton county has imposed the 1% Local Option Tax. Effective May 1, 2003, Hampton county charges two local sales and use taxes - the 1% Local Option Tax and the 1% Capital Projects Tax.

Note #12: The citizens of Aiken, Newberry, Orangeburg, and York counties have imposed Capital Projects taxes and have subsequently voted to extend the Capital Projects taxes in their counties. The “new” Capital Projects tax in Aiken, Newberry, Orangeburg, and York counties began immediately upon the expiration of the “original” tax. The effective date listed on the chart for each of these counties is the effective date of the “new” Capital Projects tax. In each county, the “original” Capital Projects tax expired on the previous day.

Note #13: The application of either the State sales and use tax or the Catawba Tribal sales and use tax for sales (deliveries) made on the Catawba Indian Reservation are determined by the Catawba Indian Claims Settlement Act. The specific sales and use tax provisions can be found in Code Section 27-16-130(H). The Catawba Tribal sales and use tax expires on November 28, 2092. The following chart provides a summary of these provisions:

Location Off the Reservation and Outside the State – Seller Not Registered with DOR	Tribal Use Tax (Equal to Combined State and Local Rate*)	Catawba Indian Tribe

* As of the date of this information letter, Lancaster county imposes a 1% local option sales and use tax and York county imposes a 1% Capital Projects sales and use tax in addition to the State sales and use tax. Therefore, the tribal sales tax and the tribal use tax are imposed at a rate of 6% at this time, whether such sales (deliveries) are made on the Reservation within Lancaster County or within York county. Please note that the rate for the tribal sales tax and the tribal use tax may increase or decrease dependent upon whether the total state and local sales and use tax rates change in Lancaster county or York county in the future.

For additional information, see SC Revenue Ruling #98-18.

Note #14: By not exempting sales of tangible personal property subject to the maximum tax provisions, sales of such maximum tax items are taxed under the tribal sales and use tax at 6%, but the tax may not exceed the maximum tax set forth in Code Section 12-36-2110.

Note #15: Since May 1, 1996, Lee county has imposed the 1% Local Option Tax. Effective October 1, 2006, Lee county charges two local sales and use taxes - the 1% Local Option Tax and the 1% Lee School Tax.

Please note that this chart only addresses the general local option taxes collected by the Department of Revenue on behalf of the counties, school districts, and the Catawba Indian tribal government. It does not address the local taxes on sales of accommodations or on sales of prepared meals that are collected directly by the counties.
