(name and title)

Name of county or incorporated municipality where I am seeking approval: \_\_\_\_\_

Please attach a copy of the source of the circulation figures cited above. The S.C. Department of Revenue is required by S.C. However, if the newspaper is published in the county and historically has been the newspaper where legal advertisements are published, the newspaper will be approved for that county. As we are required by statute to approve publications based on circulation figures, we cannot approve applications that do not include comparative circulation figures.

You must submit a separate application for each county or municipality for which you are seeking approval.
