Special Event Guidelines

A Special Event License for beer, wine, and/or liquor authorizes the sale of beer, wine, and/or liquor at events allowing the sale and on-premises consumption at the licensed location. Special events cannot exceed 15 consecutive days per SC Code Section 61-4-550(A). Events continuing beyond 11:59 PM require an additional day's fee.

If the special event has outside vendors within the event, each location allowing the sale of liquor is required to obtain a Special Event License. Liquor is required to be confined to the specific area from which it is sold. Fencing, signs, and bike racks are a few ways the area can be defined.

SC Code of Regs 7-202.3:
- The premises of a nonprofit organization must be separate from the premises of any business operation, including businesses licensed to sell liquor by the drink.
- The premises of a nonprofit organization are considered separate if the organization has its own address and separate entrance, and is not connected with another business premises by common doorways or passageways, either interior or exterior.
