What you need to know

- A taxpayer is entitled to a refundable tax credit against South Carolina Individual Income Tax for the amount of cash and the monetary value of any publicly-traded securities, not exceeding \$11,000 per child, for tuition payments to an eligible school for an exceptional needs child within their custody.
- To qualify for the the 2021 Parental Refundable Credit, you must have made tuition payments between January 1, 2021 and December 31, 2021.
- The total amount of 2021 Parental Refundable Credit is capped at \$2 million for all taxpayers.
- This credit is awarded on a first-come, first-served basis.
- If you were pre-approved for the Parental Refundable Credit, the SCDOR will mail you a Parental Refundable Credit Approval Notice informing you of your tentatively approved credit amount.
- The SCDOR will automatically place credit applications on the credit waiting list if we receive them after the \$2 million credit has been awarded.
- If you are placed on the credit waiting list, you will only receive notification from the SCDOR if your status is updated to a pre-approved status due to redistribution of funds.
- If a qualifying student within the custody of a taxpayer receives a grant from Exceptional SC, then the taxpayer may only claim a credit equal to the difference of \$11,000 or the cost of tuition, whichever is lower, and the amount of the grant.
- · Any changes in the information you reported in your application process could result in changes to your tentatively approved credit amount. Report the reduced credit amount on the I-361 and on line 22d of your SC1040.
- An increase in credit is not available. All available funds are allocated during the original application review.

If you are claiming the credit for more than one qualifying student, add the allowable credit from each I-361. Enter the total on line 22d of your SC1040, Individual Income Tax Return.
