Dear Taxpayer,

This year, as with past years, we continue to emphasize the many advantages of filing your income tax return electronically — among others, a safer way to file, a more efficient filing method, a quicker refund (12 days or less). And, we are pleased to report that last year established a new record as more than 1.5 million of you chose the advantages of filing electronically.

A million and a half electronic returns is a great start. But, in a typical year, we still receive almost one million paper returns. If you filed a paper return last year, this year give filing an electronic return a try. In fact, many of you may qualify for the free online filing for both individuals and businesses. To see if you are eligible, just go to our web site (www.sctax.org) and follow the link on the upper right side of the page identified as "File Your Return, New FreeFile, Individual Income Tax." Those who qualify will find that filing electronically is not only free but also much quicker than filing by paper. And, in addition, you obtain the definite advantage of receiving a refund in as little as 12 days.

So, this year, please file electronically. It will save you time and make our agency a better steward of your tax dollars.

ELECTRONIC FILING OPTIONS

You may qualify to file your Federal and South Carolina income tax returns for **FREE!**

Go to our website at www.sctax.org and click on the Free File logo.

Freefile

South Carolina has joined the Free File Alliance and partnered with software vendors to bring free on-line filing for both the Federal and South Carolina state returns for qualified taxpayers. See the South Carolina Department of Revenue's website www.sctax.org for information to determine if you qualify to file your federal and South Carolina returns for FREE. Each software vendor has different qualifications. Review all vendor qualifications and choose the best option for you. Information regarding all commercial tax preparation software offerings (free, reduced, or at full cost) can be accessed via the agency's website: www.sctax.org by clicking on Electronic Services, then Individual, and finally Fed/State On-Line Filing. **BE SURE TO USE THE SOUTH CAROLINA WEBSITE TO ACCESS YOUR VENDOR TO ENSURE FREE FILING FOR YOUR FEDERAL AND STATE RETURNS.**

Fed/State On-line Filing

Taxpayers may use commercial tax preparation software to file federal and state tax returns. Generally, there is a cost to file the federal and South Carolina returns.

Fed/State Electronic Filing

Taxpayers may electronically file federal and state returns through a tax practitioner. You may find tax practitioners by checking the Yellow Pages of your telephone book under the topic Tax Return Preparation and Filing. Electronic filing begins January 14, 2011 and ends October 17, 2011.

Taxpayers interested in finding a tax practitioner in their area that files returns electronically may go to the SC Department of Revenue's website www.sctax.org to initiate a search by zip code. The search by zip code is offered by the IRS and can be found by clicking on Electronic Services, then Individual, then Fed/State Electronic Filing, and finally IRS Listing of Electronic Filing Providers.

2-D Barcode Returns

If you choose to file a paper return, you should consider tax preparation software that prints a 2-D barcode. This barcode allows your tax information to be scanned directly into SCDOR systems. Information from your return is captured by a machine-readable barcode rather than manually entered, which reduces processing errors. The 2-D barcode is only visible after your return has been printed. 2-D barcode returns are eligible for direct deposit of refunds. See the South Carolina Department of Revenue's website www.sctax.org under Electronic Services for information on tax preparation software.

Extensions Only

If more time is needed to file, taxpayers can file a zero or balance due extension (Form SC4868) on SCnetFile and submit payment by EFW (Electronic Funds Withdrawal) or credit card. SCnetFile only allows an extension of time to file, not an extension of time to pay. SCnetFile for Extensions is for South Carolina Extensions only. Please see www.irs.gov for information on filing a federal extension.

Electronic Payment Methods

File your 2010 Individual Income Tax return using one of the electronic filing methods and pay your balance due by Electronic Funds Withdrawal (EFW). Automatic withdrawal from your checking or savings account is available on the payment date you select. However, you must pay your balance due in full by May 1, 2011 to avoid paying penalties and interest. See Electronic Filing Incentive below. Electronic Funds Withdrawal (EFW) is available for SC1040ES (Declaration of Estimated Tax for Individuals) and SC4868 (Extension of Time to File). EFW is a FREE service to taxpayers.

Taxpayers may submit their 2010 Individual Income Tax Payment Voucher (SC1040-V) electronically. Taxpayers can submit the voucher and payment by going to www.sctax.org and clicking on DORePay. Payment by credit card (MasterCard or VISA) or EFW (Electronic Funds Withdrawal) will be accepted.

Electronic Filing Incentive

Taxpayers using any Electronic Filing option have until May 1, 2011 to pay the balance due without penalty or interest. Failure to file and pay the balance due by May 1, 2011 will result in penalties and interest from April 15, 2011 until the return is filed and the tax is paid. **THIS INCENTIVE DOES NOT APPLY TO PAPER RETURNS.** This incentive will not extend the time for amending your return to claim a refund. If the original return is received after April 15, 2011 without a valid extension, you will have until April 15, 2014 to amend your return to claim a refund.

NOTE: THIS SPECIAL INCENTIVE APPLIES ONLY TO THE FILING OF YOUR SOUTH CAROLINA INCOME TAX RETURN BY NON-PAPER METHODS.

What's New?

LAW CHANGES

CONFORMITY

South Carolina recognizes the Internal Revenue Code as amended through **December 31, 2009** unless otherwise provided. South Carolina income tax laws substantially conform to the federal income tax laws. South Carolina Code §12-6-40 provides that South Carolina's income tax laws conform to the Internal Revenue Code of 1986 as amended through December 31, 2009. The effective date provisions contained in the Internal Revenue Code are also adopted. South Carolina Code §12-6-50 provides a list of Internal Revenue Code sections specifically not adopted by South Carolina. Therefore, except as otherwise provided in South Carolina Code §12-6-50, when the annual South Carolina conformity amendment becomes effective, Internal Revenue Code provisions that went into effect during the preceding year are retroactively adopted and considered to have the same effective date as they had for federal income tax purposes. For updates on conformity, check our website www.sctax.org.

FEDERAL MILITARY SPOUSES RESIDENCY RELIEF ACT

The Military Spouses Residency Relief Act (PL 111-97) (Act) was signed into federal law on November 11, 2009. The Act amends the Servicemembers Civil Relief Act to allow a military servicemember's spouse to retain a tax domicile other than the state in which he or she is living provided the spouse meets certain conditions. Additionally, income from services performed by a spouse of a servicemember is not taxable to the state where the services are performed if the spouse is a nonresident who is in the state solely to be with the servicemember serving in compliance with military orders. Prior to this Act, regardless of the state of domicile, the spouse, like any other worker, would be taxed on wages and other service income in South Carolina if the income was earned in South Carolina. See Schedule NR Instructions for additional information.

NEW CHECK-OFF

SC State Forests Fund

Beginning with tax year 2010, an individual taxpayer can designate on I-330 a contribution to the SC State Forests Fund. See I-330 for a description of this new check-off.

CREDIT REPEALED

Base Closure/Federal Facility Employment Reduction Hiring Credit (TC-10)

This credit was repealed effective June 23, 2010.

NEW CREDIT

Credit for Manufacturing Renewable Energy Systems and Components (TC-54)

For the 5-year period beginning January 1, 2010 and ending December 31, 2015, a business or corporation that manufactures renewable energy systems and components in South Carolina for solar, wind, geothermal, or other renewable energy uses, and invests at least \$5 million in new qualifying plant and equipment during the tax year, and creates 1½ full-time jobs for every \$500,000 of capital investment qualifying for the credit, with each full-time job compensated at least 125% of the state's average annual median wage as defined by the Department of Commerce, may claim a nonrefundable income tax credit of 10% of the total qualifying investments in plant and equipment in this state for renewable energy operations. A taxpayer may separately qualify for new facilities in separate locations or for separate expansions of existing facilities located in this state. The taxpayer's total credit for all expenditures allowed pursuant to this section must not exceed \$500,000 for any year or \$5 million total for all years. Unused credits may be carried forward for 15 years. This credit is in lieu of any other applicable income tax credit or abatement allowed by state law. In the event of an overlap or conflict in available credits or abatements, the taxpayer must select the credit or abatement he desires in the manner prescribed by the Department of Revenue. The credit can be claimed by filing TC-54. See TC-54 for additional information.

CREDIT DECREASED

Solar Energy or Small Hydropower System Credit (TC-38)

The Budget proviso that increased the solar energy system credit from 25% to 30% of the cost of purchase and installation of a qualifying solar energy system in a tax year ending in 2009 was not renewed. The credit amount for systems installed in tax years ending after 2009 is 25%.

REMINDERS

DISALLOWED DEDUCTION

Beginning January 1, 2009, businesses must add back amounts paid for services performed by an unauthorized alien if the amount is \$600 or more a year. An "unauthorized alien" is a person who is not admitted for permanent residence and not authorized to be employed either under federal law or by the United States Attorney General. Add-backs are not required if: (1) the business is a South Carolina business exempt from compliance

What's New? (cont.)

with federal employment verification procedures under federal law; or (2) the person being paid is not directly paid or employed by the business; or (3) the employment status of the person is verified using the procedures contained in the new law; or (4) the person was hired by the taxpayer before January 1, 2009; or (5) the business made a reasonable investigation of the person and did not know or should not have known that the person was an unauthorized alien.

APPORTIONMENT ADJUSTMENT

Beginning with Tax Year 2007, manufacturers, sellers, distributors and renters of tangible property began moving from 3-factor apportionment (sometimes referred to as 4-factor apportionment) toward sales only apportionment of income remaining after allocation. The 3-factor apportionment method uses a property factor, a payroll factor and a double-weighted sales factor, and divides the result by 4. With the change, the taxpayer may use the 3-factor result or claim a percentage of the benefit of apportionment on the basis of sales alone. The percentage for Tax Year 2010 is 80% and has increased by 20% each year until 3-factor apportionment is eliminated entirely in Tax Year 2011.

PLUG-IN HYBRID AND ALTERNATIVE MOTOR VEHICLE CREDITS

The Plug-In Hybrid Credit (TC-48) provides a tax credit for a South Carolina resident who purchases a plug-in hybrid vehicle that shares the same benefits as an internal combustion and electric engine with an all-electric range of no less than nine miles. An all-electric vehicle is not a hybrid vehicle and does not share the benefits of having an internal combustion engine and does not qualify for the TC-48.

The Alternative Motor Vehicle Credit (TC-35) provides a tax credit for a South Carolina resident who is eligible for and claims the federal credit allowed under IRC §30B, and is limited to: (1) qualified fuel cell vehicles; (2) advanced lean burn technology vehicles; (3) qualified hybrid vehicles; and (4) qualified alternative fuel vehicles. A new all-electric vehicle is not covered under IRC §30B and an adapted all-electric vehicle does not qualify as a new vehicle for TC-35 purposes.

For additional information on these credits, see our website www.sctax.org.

FORMS CHANGES

REVISED FORMS

NEW "LOOK" FOR THE SC1040

In order to modernize and streamline our tax return processing system, we have redesigned the SC1040 to accommodate barcode information. Taxpayers filing electronically or through tax preparation services will not notice these changes; however, those taxpayers filing paper returns will notice a change in the appearance and the order of some of the lines. We hope these changes to the SC1040 will make the task of completing your tax return easier. Line-by-line instructions are included in this booklet.

SC1040-V

ALL taxpayers must use the SC1040-V (Payment Voucher) to pay their 2010 South Carolina individual income tax liability with their income tax return. If filing a paper return, mail your return and the SC1040-V with payment. If filing electronically, mail your SC1040-V with payment only. See the SC1040-V for more information.

GENERAL INSTRUCTIONS (Rev. 8/2/10)

SHOULD I FILE A SOUTH CAROLINA INCOME TAX RETURN?

Resident taxpayers **under age 65**:

- Were you required to file a federal income tax return which included income taxable by South Carolina? (Residents of South Carolina are taxed on their entire income, regardless of where earned, unless specifically exempted by law.)
- Did you have South Carolina income tax withheld from your wages?

Resident taxpayers **age 65 or older**:

- Married Filing Jointly (Both 65 or older) - Is your gross income greater than the federal gross income filing requirement amount plus \$30,000?
- Any Other Filing Status - Is your gross income greater than the federal gross income filing requirement amount plus \$15,000?
- Did you have South Carolina income tax withheld from your wages?

Nonresidents:

- Did you have South Carolina income tax withheld from your wages?
- Are you a nonresident or part-year resident with South Carolina whose gross income is greater than the federal personal exemption amount?

If you answered YES to any one of the questions above, file a South Carolina income tax return.

AM I A RESIDENT OR A NONRESIDENT?

The following definitions will help you decide:

You are a South Carolina **resident**, even if you live outside South Carolina, when:

1. Your intention is to maintain South Carolina as your permanent home, AND
2. South Carolina is the center of your financial, social and family life; AND
3. When you are away, South Carolina is the place to which you intend to return.

You are a **nonresident** if your permanent home is outside South Carolina all year and none of the above applies.

WHAT IS MY STATUS IF I MOVED INTO OR OUT OF SOUTH CAROLINA DURING THE TAX YEAR?

You are a part-year resident. As a part-year resident, you may consider yourself a full-year resident or a nonresident.

- If you elect to file as a full-year resident, file SC1040. Report all your income as though you were a resident for the entire year. You will be allowed a credit for taxes

paid on income taxed by South Carolina and another state. You must complete SC1040TC and attach a copy of the other state's income tax return.

- If you elect to file as a nonresident, file SC1040 with Schedule NR. You will be taxed only on income earned while a resident in South Carolina and will prorate your deductions and exemptions. All personal service income earned in South Carolina must be reported to this state.

You may **choose** the way that is most advantageous to you. **This option is only available for the year you are a part-year resident. You must also attach a copy of your federal return.**

I AM A NONRESIDENT OF SOUTH CAROLINA BUT WORK IN SOUTH CAROLINA. HOW SHOULD I FILE?

File SC1040 with Schedule NR. You will be taxed only on income earned in South Carolina and will prorate your deductions and exemptions. All personal service income (wages, consulting, etc.) earned in South Carolina must be reported to this state.

I AM A RESIDENT FOR ONLY PART OF THE YEAR. HOW SHOULD I FILE?

An individual who is a South Carolina resident for only part of the year may choose one of two filing methods:

1. Complete Schedule NR, including in Column B only those amounts that are taxable to South Carolina, and attach to SC1040, **or**
2. File SC1040, including all federal taxable income, and attach SC1040TC to claim a credit for taxes paid to another state.

I AM A FULL-YEAR SOUTH CAROLINA RESIDENT BUT MY SPOUSE IS NOT. HOW SHOULD WE FILE?

If you file a **joint** federal return, you must file a **joint** South Carolina return SC1040 with Schedule NR. The resident spouse will report to South Carolina all income for the entire year. The spouse who is not a resident on the joint return will only report income earned in this state, if any.

If you file **separate** federal returns, you must file a **separate** South Carolina return. Your spouse must also file a **separate** South Carolina return if he/she has income taxable by South Carolina.

I AM IN THE ARMED FORCES. WHAT IS MY RESIDENCY STATUS?

South Carolina Resident: If you enter the armed forces when you are a South Carolina resident, you do not lose your South Carolina residency status, even if you are absent from this state on military orders. You are subject to the same residency requirements as any other South Carolina resident and are required to file a South Carolina income tax return.

Nonresident: If you are not a South Carolina resident but are stationed in this state by military orders, **your military income** is not subject to South Carolina tax. However, if you have **other earned income** subject to South Carolina tax, file SC1040 with Schedule NR. Your spouse may be exempt from South Carolina income tax on income from

services performed in South Carolina under the Federal Military Spouses Residency Relief Act. See Schedule NR instructions for more information. South Carolina **DOES** tax other income earned in this state by you or your spouse.

WHEN SHOULD I FILE MY RETURN?

RETURNS FOR CALENDAR YEAR 2010: file on or before April 15, 2011.

RETURNS FOR FISCAL YEAR TAX PERIODS: due on or before the fifteenth (15th) day of the fourth month following the close of your tax year. Identify the fiscal year period at the top of the return in the space provided and write "FISCAL" in large letters across the face of the return.

Electronic Filing: See electronic filing options in this booklet for May 1 incentive.

NEED MORE TIME TO FILE?

If you need more time to file your South Carolina return, note the following:

- You may file and pay with your extension on-line through our website: www.sctax.org
- **If you will receive a refund** of state income taxes, South Carolina will allow you the same length of time that is allowed by your federal extension. If you do not have a federal extension, then you must file a SC4868 by April 15, 2011.
- When you file your return, check the appropriate box on the front of the SC1040 and attach a copy of your federal extension or SC4868 to the back of your South Carolina return.

If you expect to owe additional tax by the April 15 due date, and you need more time to file your South Carolina income tax return:

- You must pay at least 90 percent of your state tax due to the Department of Revenue on either a copy of the federal Form 4868 marked "For South Carolina" or South Carolina SC4868 by April 15, 2011.
- Be sure to enter any South Carolina payments paid on an extension request on SC1040, line 18.

Be sure to attach a copy of the extension to the back of your South Carolina return when you file. Check the appropriate box on the front of the SC1040.

MORE TIME TO FILE DOES NOT MEAN MORE TIME TO PAY YOUR TAXES!

You will owe interest from April 15, 2011 to date of payment. A penalty may also be charged after April 15th if an additional payment is required. To avoid the penalty, you must: 1) pay at least 90 percent of the tax by April 15, 2011, and 2) pay the additional balance, if any, within the extended time period.

FRAUDULENT RETURN

Any person who deliberately fails to file a return, files a fraudulent return or attempts to evade the tax in any manner may be liable for a penalty up to \$10,000 or imprisoned for not more than five years or both.

I AM GETTING AN INCOME TAX REFUND THIS YEAR. WHEN WILL I GET MY CHECK?

Returns which are filed early are usually processed more quickly than returns filed closer to April 15th. Ordinarily, within twelve weeks after we receive your **complete** return we will mail your refund check. Therefore, please allow at least fourteen weeks for your refund to arrive before you contact us. Visit our website at www.sctax.org or call 1-803-898-5300.

DECEASED TAXPAYERS

If a person received income during this tax year but died before filing a return, the South Carolina income tax return should be filed by the surviving spouse, executor or administrator. Use the same filing status that was used on the final federal income tax return. Check the appropriate box beside the decedent's social security number. The due date for filing is the same as for federal purposes. In the area where you sign the return write "Filing as a surviving spouse," if appropriate. A personal representative filing the return must sign in his or her official capacity and attach SC1310. Any refund check will be issued to the decedent's surviving spouse or estate.

ROUND OFF CENTS TO THE NEAREST WHOLE DOLLAR.

You **must** round off cents to the nearest whole dollar on your return and schedules. You must drop amounts less than 50 cents. Increase amounts of 50 to 99 cents to the next dollar. For example: \$2.15 becomes \$2.00; \$4.75 becomes \$5.00; and \$3.50 becomes \$4.00.

WHAT TAX RECORDS DO I NEED TO KEEP?

Keep a copy of your return. Also, keep the original or a copy of any schedules, worksheets or statements used to prepare your return. Keep your records that support an item of income or a deduction appearing on a tax return until the limitations period for the return runs out. The limitations period is generally **THREE YEARS** from the date the return was filed or due to be filed, whichever is later.

Save any records concerning property, home, stocks, and business property you bought and may sell later. The records kept should show the purchase price, date and related cost, and for real property, cost and date of improvements. Your return may be audited by the IRS or the South Carolina Department of Revenue. If audited, the law requires you to show proof of your income, expenses, and cost of assets.

WHAT IF I AM AUDITED BY THE IRS?

If you receive a refund or owe additional federal tax, file an SC1040X (amended South Carolina return) after the federal audit report becomes final.

WHEN SHOULD I FILE AN AMENDED SOUTH CAROLINA RETURN?

File SC1040X (Amended Return) any time you need to correct your South Carolina return. If you amend your federal return, generally you will need to amend your state return. You may apply for a refund on either an amended or

delinquent return for any tax period which is open under the statute of limitations. A refund will not be issued for requests received beyond the limitations period. The limitations period for filing an original return is generally three years from the original due date. If you filed the original return by the original due date or by an extended due date, the limitations period for filing an amended return is three years from the date of filing, three years from the original due date, or two years from the date of payment, whichever is latest. If you filed the original return after the original due date and any extended due date, if applicable, the limitations period for filing an amended return is three years from the original due date or two years from the date of payment, whichever is later.

REFUND SETOFFS

The South Carolina Department of Revenue assists other State agencies, institutions of higher learning, political subdivisions of the state, and the Internal Revenue Service in the collection of overdue accounts. All or part of your refund can be sent directly to these "claimant" agencies if they notify the Department that you have a past due account with them.

The South Carolina Department of Revenue charges the taxpayer a \$25.00 administrative fee to complete a refund "setoff." If any of your refund is sent to a claimant agency, the Department will notify you in writing. If your refund exceeds the amount owed the claimant agency plus the administrative fee, the balance will be mailed to you.

If you believe you do not owe the debt, the amount sent was incorrect, or the debt has already been paid, you must contact the claimant agency.

WHO MUST FILE A DECLARATION OF ESTIMATED TAX?

Generally, you must file a Declaration of Estimated Tax, SC1040ES, for the year 2011 if you estimate that your tax will be \$100 or more and the total amount of income tax that will be withheld will be less than the lesser of:

1. 90% of the tax to be shown on your 2011 income tax return,
or
2. 100% of the tax shown on your 2010 income tax return (if your 2010 return covered all 12 months of the year). However, if your adjusted gross income is \$150,000 or more, the 100% rule is modified to be 110% of the tax shown on your 2010 income tax return.

Wage earners who do not have enough tax withheld from their wages must file a Declaration of Estimated Tax for the year. You have two methods for paying: 1) increase the amount your employer withholds from your wages, or 2) pay estimated tax in addition to the usual amount withheld from your wages.

Taxpayers earning personal service income in another state on which tax withholding was due to the other state and was withheld can be relieved of declaration penalty.

Self-employed people who do not have South Carolina tax withheld from their income must file a Declaration of Estimated Tax for the year. **Recipients of taxable pension and annuities** who do not have at least 90 percent of their South Carolina income tax liability withheld must file a Declaration of Estimated Tax for the year.

WHO DOES NOT HAVE TO FILE A DECLARATION OF ESTIMATED TAX?

Farmers and commercial fishermen do not have to file a declaration if at least two thirds of their gross income is from farming or fishing, but must file their return and pay all taxes due generally by March 1. If March 1 falls on a weekend, then the due date is the next business day.

HOW DO I FILE ESTIMATED TAX?

To file SC1040ES and pay on line by credit card or electronic funds withdrawal, see our website (www.sctax.org). Forms can also be printed from our website to use when mailing your payment.

DO I NEED TO FILE A SOUTH CAROLINA USE TAX RETURN?

The use tax is a tax that applies to purchases of tangible personal property from out-of-state retailers for use, storage or consumption in South Carolina, and includes purchases from retailers made via the Internet (retailers' websites and retailers' sales on auction sites), through out-of-state catalog companies, home shopping networks or when visiting another state. The tax rate for the use tax is the same as the sales tax. This rate is determined by where the tangible personal property will be used, stored or consumed, regardless of where the sale takes place. Therefore, the tax rate for the use tax will be the 6% state rate plus the applicable local use tax rate for the location where the tangible personal property will be used, stored or consumed. The purchaser, as an individual, may report and remit their use tax on a SC1040 South Carolina Individual Income Tax Return or a UT-3 Use Tax Return. See the instructions on the UT-3W for additional information and use tax rates by county.

SC1040 INSTRUCTIONS 2010 (Rev. 9/9/10)

IMPORTANT INFORMATION BEFORE YOU BEGIN

In order to modernize and streamline our tax return processing system, we have made certain modifications to page one of the SC1040 to accommodate barcode information. Taxpayers filing electronically or through tax preparation services will not notice these changes; however, those taxpayers filing paper returns will notice a change in the appearance and the order of some of the lines.

In addition, **ALL** taxpayers (including paper filers) are required to include the SC1040-V with their payments if not paying electronically.

For tax year 2010, unless you have a valid extension, the due date is April 15, 2011 and the deadline to claim a refund is April 15, 2014.

COMPLETE YOUR FEDERAL RETURN BEFORE YOU BEGIN YOUR SOUTH CAROLINA TAX RETURN. YOUR COMPLETED FEDERAL RETURN WILL CONTAIN INFORMATION WHICH YOU MUST ENTER ON THE SOUTH CAROLINA RETURN.

If you were required to use federal schedules C, D, E and/or F with your federal return or filed a Schedule NR, SC1040TC, I-319 and/or I-335 with your South Carolina return, attach a copy of your completed federal return and schedule(s) to your South Carolina return.

NAME, ADDRESS AND SOCIAL SECURITY NUMBER

Print or type your name, address, Social Security number and the code of the county in which you live. See county code listing in this booklet.

If you are married and filing a joint return, fill in your spouse's name and your spouse's Social Security number.

If you are married and filing separate returns, **do not include your spouse's name or Social Security number in this section. Fill in your spouse's Social Security number next to box # 3 in the filing status section.**

If the taxpayer or spouse died during the taxable year, check the box by the decedent's Social Security number.

SOCIAL SECURITY PRIVACY ACT DISCLOSURE

It is mandatory that you provide your social security number on this tax form. 42 U.S.C. 405(c)(2)(C)(i) permits a state to use an individual's social security number as means of identification in administration of any tax. SC Regulation 117-201 mandates that any person required to make a return to the SC Department of Revenue shall provide identifying numbers, as prescribed, for securing proper identification. Your social security number is used for identification purposes.

ITIN - INDIVIDUAL TAXPAYER IDENTIFICATION NUMBER

If you are a nonresident or resident alien and cannot get a Social Security number, you may contact the Internal Revenue Service to apply for and obtain an Individual Taxpayer Identification Number (ITIN) for the purpose of filing income tax returns. South Carolina will accept this number in place of a Social Security number for the purposes of processing your individual income tax returns. For information on obtaining an ITIN, please contact the Internal Revenue Service at 1-800-829-1040 or go to www.irs.gov

**LINE INSTRUCTIONS
FOR SC1040**

The references to form numbers and line descriptions on federal income tax forms were correct at the time of printing. If they have changed and you are unable to determine the proper line to use, please contact the Department of Revenue. These instructions are to be used as a guide in the preparation of a South Carolina individual income tax return and are not intended to cover all provisions of the law.

ROUND-OFF ALL AMOUNTS TO THE NEAREST WHOLE DOLLAR.

Line 1 Enter your Federal Taxable Income from your federal Form 1040, 1040A, or 1040EZ. **If your Federal Taxable Income is zero or less, enter zero** here and enter your negative amount on **line r**.

STOP! Nonresident/Part Year filers complete Schedule NR and go to line 5. See Schedule NR instructions.

ADDITIONS TO FEDERAL TAXABLE INCOME

Enter all numbers on **lines a through e** as **positive** numbers even if they are negative numbers on the federal return. **Lines a through e** are adjustments which **must be added** to your federal taxable income to determine your South Carolina taxable income. Line 2 is the total of these additions.

Line a STATE TAX ADDBACK, IF ITEMIZING ON FEDERAL RETURN

If you deducted state and local income taxes or general sales taxes while itemizing on your 2010 federal income tax return, you are required to add all or part of this amount to federal taxable income to arrive at your South Carolina taxable income. Use the worksheet below to figure the adjustment. (Keep this worksheet for your records.)

Worksheet A State Tax Adjustment

- | | |
|---|----------|
| 1. Itemized deductions from 2010 federal Form 1040. | 1. _____ |
| 2. Enter allowable federal standard deduction you would have been allowed if you had not itemized. (Enter zero if married filing separate [MFS] returns -- See federal instructions) | 2. _____ |
| 3. Subtract line 2 from line 1. (Enter zero if line 2 is greater than line 1.) | 3. _____ |
| 4. Enter the amount of state and local income taxes or general sales taxes from federal Schedule A. | 4. _____ |
| 5. The lesser of line 3 or line 4. Enter this amount on SC1040 line a . | 5. _____ |

Line b OUT-OF-STATE LOSSES

If you have reported losses from out-of-state rental property, a business located outside South Carolina, or losses from real property located out of state, enter the amount shown on your federal return on **line b** and check the appropriate box. You must also include any related expenses, such as investment interest. Enter the total of these losses and related expenses on this line. Personal service income (W-2 or business wages) is taxable to South Carolina **no matter where it is earned**.

Line c EXPENSES RELATED TO RESERVE INCOME

Because inactive duty military reserve income is taxed for federal purposes but deductible on your South Carolina return, you must add back the amount of the federal deduction for expenses related to this income. Enter the amount of these expenses on this line.

Line d INTEREST INCOME

Interest income on obligations of states and political subdivisions other than South Carolina **must be added**. In the case of a mutual fund, add back the percentage of exempt interest income attributable to out-of-state non federal obligations. Enter the amount of taxable interest income on this line.

Line e OTHER ADDITIONS TO INCOME

Attach an explanation of your entry for this line. Some examples of items which you must enter on this line are:

- Taxpayers that claim bonus depreciation under federal law must add back the difference between the bonus depreciation taken and the depreciation which would have been allowed without bonus depreciation.
- Taxpayers that claim a child care program credit for donations to a nonprofit corporation (Sch. TC-9) are not allowed a deduction for those donations. The disallowed deductions are an addition to federal taxable income.
- Taxpayers that claim credits such as the Community Development Credit (Sch. TC-14), the Industry Partnership Fund Credit (Sch. TC-36), and the Hydrogen Infrastructure Development Credit (Sch. TC-47), may not claim a deduction for the same qualified contribution which results in the credit.
- Federal net operating loss when claiming a larger amount than for state purposes **is an addition**.

- Expenses deducted on the federal return related to any income exempt or not taxed by South Carolina **is an addition. Some examples are investment interest to out-of-state partnerships and interest paid to purchase United States obligations.**
- Foreign areas allowances, cost of living allowances and/or income from possessions of the United States are **additions** to federal taxable income.
- Effective for qualifying investments made after June 30, 1998, taxpayers must reduce the basis of the qualifying property to the extent the Economic Impact Zone Investment Tax Credit is claimed. An addition to federal taxable income must be made for the resulting reduction in depreciation.
- A deduction for domestic production activities under IRC Section 199 must be added back.
- A charitable contribution deduction under IRC Section 170 for a gift of land must be added back unless the contribution also meets the requirements of S.C. Code Section 12-6-5590.
- Include any withdrawals during the tax year from a Catastrophe Savings Account that were:
 - (1) necessary because contributions were more than the allowable limits; or
 - (2) more than the amount needed to cover qualified catastrophe expenses. (Qualified catastrophe expenses are expenses paid or incurred because of a major disaster as declared by the Governor.)
 Do not include any withdrawals made by a spouse surviving the spouse who set up the Account.
- As of January 1, 2009, a business must add back any amount paid for services performed by an unauthorized alien if the amount is \$600 or more a year. An "unauthorized alien" is a person who is not admitted for permanent residence and not authorized to be employed either under federal law or by the U.S. Attorney General. An add-back is not required if: (1) the business is a S.C. business exempt from compliance with federal employment verification procedures under federal law; or (2) the person being paid is not directly paid or employed by the business; or (3) the employment status of the person is verified using the procedures contained in the new law; or (4) the person was hired by the taxpayer before January 1, 2009; or (5) the business made a reasonable investigation of the person and did not know or should not have known that the person was an unauthorized alien.

Depending upon how a particular item was reported or deducted, the following items may be an addition or a subtraction:

- A change in the accounting method to conform in the same manner and the same amount to the federal. **This may be an addition or a subtraction.** At the end of the federal adjustment, any balance will continue until fully adjusted.
- The installment method of reporting is to be adjusted if the entire sale has been reported for state purposes or to continue on an installment basis if the entire sale has been reported for federal purposes. **This may be an addition or a subtraction.**
- Adjust the federal gain or loss to reflect any difference in the South Carolina basis and federal basis. **This may be an addition or a subtraction.**

Line 2 Add **lines a through e** and enter the total. These are your total additions.

SUBTRACTIONS FROM FEDERAL TAXABLE INCOME

Enter all numbers on **lines f through u** as positive numbers even if they are negative numbers on the federal return.

Lines f through u are adjustments which **should be subtracted** from your federal taxable income to determine your South Carolina taxable income.

Line f STATE TAX REFUND

If your state tax refund was included on of your federal Form 1040, that amount should be entered on this line.

Line g TOTAL AND PERMANENT DISABILITY RETIREMENT INCOME TAXED ON YOUR FEDERAL RETURN

If **disability retirement income** was taxed on your federal income tax return and you are **totally and permanently disabled**, you may be able to deduct this income from your South Carolina taxable income.

You must be totally and permanently disabled, unable to be gainfully employed in any capacity, receiving income from a disability retirement plan, and eligible for the homestead exemption under Section 12-37-250 to qualify. You do **not** qualify if you are receiving disability income from one job while able to perform another job. You must attach a copy of the physician's statement establishing that you are permanently and totally disabled.

NOTE: The deduction is limited to payments received from retirement plans. Payments from disability plans which are not retirement plans are not eligible for the deduction. Third party sick pay reported on a W-2 does not qualify for the total and permanent disability retirement deduction.

A surviving spouse may take a disability retirement deduction for amounts received in the year the disabled spouse died. For subsequent years, a surviving spouse is only eligible for the retirement deduction on **line p** and not the disability deduction.

Line h OUT-OF-STATE RENTAL/BUSINESS OR REAL ESTATE INCOME NOT TAXABLE TO SOUTH CAROLINA

If you have income from out-of-state rental property; a business located outside South Carolina; or gain from real property located out of state, as reported on your federal return, enter this amount on this line and check the appropriate box. **However, personal service income (W-2 or business wages) is taxable to South Carolina no matter where it is earned.**

Line i NET CAPITAL GAIN DEDUCTION

Net capital gains which have been held for a period of more than one year and have been included in the SC taxable income are reduced by 44% for SC income tax purposes.

The term "net capital gain" means the **excess** of the **net long-term** capital gain for the taxable year **over** the **net short-term** capital loss for such year. Income received from installment sales as well as capital gain distribution qualifies for this deduction **provided the more than one year holding period has been met.** (SC Capital Gains holding period is the same as the federal.) Multiply the net gain which meets the above guidelines by 44% (.44) and enter the results on this line.

Example: Taxpayer's gain on stock (held more than one year) is \$10,000. Also reported is a short term (ST) loss on stock held for six months of \$5,000 and a long term (LT) loss on stock held since 1985 which amounts to \$3,000.

SC Net LT Capital Gain (more than one year)	\$7,000	(10,000 gain-3,000 loss)
- SC Net ST Capital Loss	<u>- 5,000</u>	(one year or less)
SC Net Capital Gain	\$2,000	
X Net LT Capital Gain Deduction	X 44%	
<u>Amount to be deducted</u>	<u>\$880.00</u>	

Line j VOLUNTEER DEDUCTION

Volunteer firefighters, rescue squad workers, volunteer hazardous material HAZMAT team members, reserve police officers, Department of Natural Resource (DNR) deputy enforcement officers, and members of the State Guard are allowed to deduct **\$3,000**. Volunteer firefighters, rescue squad workers and HAZMAT members qualify **only** if their employer provides them with a form stating that they have earned the minimum number of points established by the State Fire Marshal during the year. Reserve police officers, DNR deputy enforcement officer, and the State Guard members qualify only if the appropriate authority provides them with an I-332 certification form certifying their eligibility for this deduction. An individual is limited to one deduction of \$3,000. If a taxpayer and spouse both qualify, enter \$6,000. Enter the amount on **line j** and check the type of deduction.

Line k CONTRIBUTIONS TO THE SC COLLEGE INVESTMENT PROGRAM ("FUTURE SCHOLAR") OR TO THE SC TUITION PREPAYMENT PROGRAM

You may deduct 100% of any contributions to the SC College Investment Program ("Future Scholar") made between January 1, 2010 and through April 15, 2011. You may deduct 100% of any contribution to the SC Tuition Prepayment Program made between January 1, 2010 and December 31, 2010.

Line l ACTIVE TRADE OR BUSINESS INCOME DEDUCTION

Enter the amount from I-335, line 5.

Line m INTEREST FROM U.S. OBLIGATIONS

If you included your interest income from U.S. obligations (such as U.S. savings bonds, treasury notes and bills, etc.) as income on your federal income tax return, enter the amount on this line. Deduct the interest income from South Carolina and/or federal obligations.

Interest income from the following obligations **are taxable** for state purposes:

- Federal Home Loan Mortgage Corporation (Freddie Mac)
- Federal National Mortgage Association (Fannie Mae)
- Government National Mortgage Association (Ginnie Mae)

Line n CERTAIN NONTAXABLE NATIONAL GUARD OR RESERVE PAY

Income received from National Guard or Reserve members for customary annual training, weekend drills, and other inactive duty training is generally exempt from South Carolina income tax.

- Members of the National Guard or Reserves may deduct all inactive duty pay from the United States or any state for weekend drills and other inactive duty training actually attended.
- Members of the National Guard and active duty Reserve members may also deduct up to 15 days of customary annual training pay, also referred to as "active duty training" or "ADT".
- Inactive duty Reserve members may also deduct up to 14 days of customary annual training pay, also referred to as "active duty training" or "ADT" plus up to 2 days of travel time listed on official orders.
- Full-time Active Guard and Reserve (AGR) employees may deduct up to 15 days of annual training actually attended and up to 24 days of weekend drills (a maximum of 39 days) at the daily rate of pay.

For additional information see SC Revenue Ruling #09-16 on our website www.sctax.org under Law and Policy, Advisory Opinions. Do not include Military Reserve and National Guard pay which is included in retirement income on this line. See **line u** instructions for other subtractions.

Line o SOCIAL SECURITY AND/OR RAILROAD RETIREMENT AMOUNT IF TAXED BY FEDERAL

If you are taxed on any Social Security under Title 2 of the Social Security Act or railroad retirement income on your federal return, enter the amount that was taxed on your federal return.

Line p RETIREMENT DEDUCTION

An **individual** who is under **age 65** may claim a retirement deduction up to \$3,000 of qualified retirement income from his or her own plan.

An **individual** who is **age 65** or older during the tax year may claim a retirement deduction up to \$10,000 of qualified retirement income from his or her own plan.

On **line p-1**, include only qualified withdrawals from the taxpayer's own qualified retirement plan. On **line p-2**, include only qualified withdrawals from the spouse's own qualified retirement plan.

"QUALIFIED RETIREMENT INCOME" is income from plans defined in I.R.C. 401, 403, 408 and 457, and all public employee retirement plans of the federal, state and local governments, including individual retirement plans, Keogh plans, and military retirement.

Social Security income, railroad retirement income, and disability retirement income due to permanent and total disability do **NOT** qualify because these items are not taxed by South Carolina. See **lines g and o**.

Any portion of qualified retirement income received this tax year that resulted in a **federal premature withdrawal penalty** does **NOT** qualify for a retirement deduction.

A **surviving spouse** receiving qualified **retirement** income attributable to the deceased spouse may deduct up to \$3,000 or \$10,000 of the qualified retirement income, based on the age the deceased spouse would have been had he or she lived. To claim the deduction on **line p-3 and p-4** (if needed), a surviving spouse must receive the decedent's qualified retirement income as a surviving spouse. The surviving spouse retirement deduction is in addition to the **individual** retirement deduction from his or her own plan.

Line r NEGATIVE AMOUNT OF FEDERAL TAXABLE INCOME

If the deductions and personal exemptions from your federal return exceed the income or if there is a business loss that exceeds the other income on the return, a negative federal taxable income would result.

For the SC1040 form, it is important that a negative number not be entered on line 1. Because the South Carolina return begins with federal taxable income, it is important that you get the benefit of the negative amount from the federal taxable income line of the federal return. On the SC1040 form, start with zero on line 1 and put the negative amount from the federal taxable income line of the federal return on this line of the SC1040.

Line s SUBSISTENCE ALLOWANCE

Police and all commissioned law enforcement officers paid by South Carolina municipal, county, state governments or the federal government, **full-time** firefighters, and **full-time** emergency medical service personnel are entitled to subsistence allowances of \$8.00 per regular workday. Your employer should provide you with the number of work days.

Line t DEPENDENTS UNDER SIX YEARS OF AGE

An additional deduction is allowed for each dependent claimed on the federal income tax return who had **not** reached the age of six by December 31 of the tax year. Birthdate(s) and Social Security number(s) are required. Use the following worksheet to compute the deduction:

Federal personal exemption amount.....	3,650	
Number of dependents claimed on your federal return who had not reached age six during the tax year		X _____
Allowable deduction, enter this amount on line t		_____

Line u OTHER SUBTRACTIONS FROM INCOME

Since these subtractions apply only to a few people, they are not fully explained in this booklet. **Attach an explanation** of your entry on this line. Some examples of items which may be subtracted on this line are:

- South Carolina does not recognize bonus depreciation in IRC Section 168(k). With or without bonus depreciation, the depreciable life of the property is the same for federal and state purposes. For the tax year in which the property is placed in service, a taxpayer must add back the difference, in the line for other additions, between the depreciation deduction allowed for federal purposes and the deduction that would have been allowed without bonus depreciation. Therefore, the South Carolina adjusted basis is greater than the federal adjusted basis. For all other years of the depreciable life of the property, an additional depreciation deduction is available for South Carolina purposes.
- A deduction is allowed to an individual for the purchase of economic impact zone stock. The deduction is equal to twenty percent of the total amount paid in cash by the taxpayer during the taxable year for the purchase of economic impact zone stock.
- If you itemized and claimed a federal tax credit for qualified mortgage credit certificates (MCC), you may subtract the amount of the tax credit as interest.
- South Carolina net operating loss that is larger than the federal amount is a subtraction. **In no event is the same loss to be deducted more than once.** Attach your own worksheet or keep with your tax records. No carryback losses are allowed.

- Capital expenses amortized under federal statutes will be the same for state purposes. At the end of the federal amortization, the balance of capital expense amortized will continue until fully amortized for state purposes. The amortized amount is a **subtraction** from your income.
- Legislators within a 50-mile radius of the State House are allowed to **subtract** travel expenses.
- Retirement income paid by the United States government for service in the Reserves or National Guard is not taxed for South Carolina purposes. (You may deduct the entire amount of any stipend paid by the State of South Carolina for National Guard service.)

Determine the percentage of your military retirement income which is excludable by dividing the length of time you served in the Reserves and/or National Guard (not full time) by the length of time of your total military service as follows:

$$\frac{\text{Inactive Reserve time} + \text{Inactive National Guard time}}{\text{Total Military time (Active and Inactive)}} = \text{_____ \% exclusion}$$

Determine the excludable amount of your military retirement income by multiplying it by the percentage of exclusion as follows:

$$\text{_____ \% exclusion} \times \begin{array}{l} \text{total taxable military} \\ \text{retirement income shown} \\ \text{on federal return} \end{array} = \begin{array}{l} \text{excludable military} \\ \text{retirement} \\ \text{income} \end{array}$$

Include the amount of excludable military retirement income as a subtraction.

- If you have adopted a "special needs child", you may **subtract** \$2,000 per year per child as long as the adopted child qualifies as a dependent on your federal return.

Attach a copy of the letter you received at the time of adoption from the SC Department of Social Services which certified the person as a "special needs child."

A "special needs child" means a person under the age of 18 at the time of adoption, who is a dependent of a public or private non-profit adoption agency, is legally free for adoption and has been determined by the agency to have specific conditions.

- Include amounts contributed to a Catastrophe Savings Account and interest income earned by the account. If your legal residence is insured against hurricane, rising floodwaters, or other catastrophic windstorm event damage, you are allowed to contribute: (1) \$2,000 if the qualified deductible is \$1,000 or less; (2) twice the qualified deductible if it is between \$1,000 and \$7,500; or (3) \$15,000 if the qualified deductible is more than \$7,500. If your legal residence is not insured against hurricane, rising floodwaters, or other catastrophic wind event damage, the limit is \$250,000 or the value of your legal residence, whichever is less.

Depending upon how a particular item was reported or deducted, the following items may be an addition or subtraction.

- A change in accounting method to conform in the same manner and same amount as federal. At the end of the federal adjustment, any balance will continue until fully adjusted. **This may be an addition or subtraction.**
- The **installment method of reporting** is to be adjusted if the entire sale has been reported for state purposes or to continue on an installment basis if the entire sale has been reported for federal purposes. **This may be an addition or subtraction.**
- Adjust the federal gain or loss to reflect any difference in the South Carolina basis and federal basis. **This may be an addition or subtraction.**

Line 4 Add lines f through u and enter the total. These are your total subtractions.

SOUTH CAROLINA TAX

Line 6 TAX

If your "income subject to tax" on line 5 is less than \$100,000, use the tax tables in the booklet to determine your South Carolina tax and enter the amount of tax on line 6.

If your "income subject to tax" on line 5 is \$100,000 or more, use the tax rate schedule in the booklet to compute your tax and enter the amount of tax on line 6.

Line 7 TAX ON LUMP SUM DISTRIBUTION

South Carolina provisions for lump sum distributions are the same as the federal provisions. If you used federal Form 4972 for a lump sum distribution, you must use the South Carolina SC4972 to compute the South Carolina tax.

NOTE: Do not enter the federal 10% penalty on line 7.

Line 8 TAX ON ACTIVE TRADE OR BUSINESS INCOME

Enter the amount from I-335, line 7.

Line 9 TAX ON EXCESS WITHDRAWALS FROM CATASTROPHE SAVINGS ACCOUNTS

Withdrawals from a Catastrophe Savings Account are taxed at 2.5% unless:

- (1) the taxpayer no longer owns a qualified legal residence in South Carolina;
- (2) the amount contributed was within the allowable limits, and the withdrawal occurred after the taxpayer reached age 70; or
- (3) the withdrawal followed the death of the individual who set up the Account or the surviving spouse.

CREDITS

Line 11 CHILD AND DEPENDENT CARE

The South Carolina Credit for Child and Dependent Care expense is 7% of the federal expense for a full year resident. A part year/nonresident is allowed 7% of their prorated federal expenses. See examples below. **Married filing separately cannot claim this credit.** The maximum credit allowed for one child is \$210. The maximum credit for two or more children is \$420.

Example A: Full Year Resident (In this example, the allowable credit is \$140.)

Federal Child Care Expense from Form 2441, is \$2,000
 $\$2000 \times .07 = \140

Example B: Part Year/Nonresident (In this example, the allowable credit is \$42.)

Federal Child Care Expense from Form 2441, is \$2,000 and
 your proration percent from line 44 of SC Schedule NR is 30%. Your computation should be:
 $\$2000 \times .30 = \$600 \times .07 = \$42$

You may **not** claim this credit if you are a resident of a state which does not offer a credit for child and dependent care expenses to a South Carolina resident.

Line 12 TWO WAGE EARNER CREDIT (MARRIED COUPLE)

This credit can only be claimed by a **married couple filing jointly** when both spouses have earned income taxed to South Carolina. This credit is **not** allowed on returns with a filing status of single, married filing separately or head of household. Do not include gambling or bingo winnings reported on federal form W-2G.

Example - You earned a salary taxed to South Carolina of \$20,000. Your spouse earned \$17,000 taxed to South Carolina and had an IRA deduction taxed to South Carolina of \$1,000. Your SC qualified earned income is \$20,000 and your spouse's is \$16,000 (\$17,000 minus \$1,000). Because your spouse's qualified earned income is less than yours, the credit is based on your spouse's income. Therefore, the credit is \$112 (\$16,000 x .007).

Compute your earned income separately for yourself and your spouse. South Carolina earned income is generally income you receive for services you provide. It includes wages, salaries, tips, commissions and sub-pay. It also includes income earned from self-employment, business income or loss, partnership income or loss, farm income or loss and any other earned income taxed to South Carolina. Earned income does not include gambling or bingo winnings, interest, dividends, Social Security benefits, IRA distribution, unemployment compensation, deferred compensation or non-taxable income. **It also does not include any amount your spouse paid you.**

	(a) You	(b) Your Spouse
1. Wages, salaries, tips, etc., taxed to South Carolina from South Carolina Schedule NR, Column B, line 1; federal Form 1040, 1040A, or 1040EZ. (Do not include pensions or annuities.)	_____	_____
2. Net profit or (loss) from self-employment (from Schedule C and on Schedule K-1 of Form 1065) and any other earned income taxed to South Carolina.	_____	_____
3. Add lines 1 and 2. This is your total earned income taxed to SC.	_____	_____

South Carolina qualified earned income. This is the amount on which the credit is based. Compute it by subtracting certain adjustments from federal form SC1040 South Carolina earned income. The adjustments are:

- One half of self-employment tax
- Self-employed SEP, simple, and qualified plans
- Self-employed health insurance deduction
- IRA deduction
- Repayment of sub-pay

4. Add the adjustment amounts entered on federal Form 1040. If filing South Carolina Schedule NR, enter amounts from lines 21, 22, 23, 26 and any repayment of supplemental unemployment benefits (sub-pay) allocable to South Carolina income.	_____	_____
5. Subtract line 4 from line 3. This is your qualified earned income taxed to South Carolina. If the amount in column (a) or (b) is zero (-0-) or less, stop here. You may not take this credit.	_____	_____

Compute the credit.

- 6. Enter the smaller of 5(a) or 5(b). **Do not enter more than \$30,000.** _____
- 7. Multiply the amount on line 6 by .007. **Do not enter more than \$210.** Enter the amount here and on SC1040, line 12. _____

Line 13 OTHER NON-REFUNDABLE CREDITS

See SC1040TC instructions for an explanation of the other non-refundable credits. The appropriate schedules must be attached to your return. If filing electronically, keep a copy with your tax records.

TAX PAYMENTS/CREDITS**Line 16 SC INCOME TAX WITHHELD FROM WAGES**

Enter the total SC tax withheld from your wages as shown on your W-2s under "State Income Tax." Enter only amounts withheld to South Carolina. Withholding paid to any other state cannot be claimed on your South Carolina return. Also include amounts withheld on SC41s.

If you have South Carolina withholding from any federal Form 1099, include that amount on line 20.

NOTE: Amounts reported on a South Carolina substitute 1099G/INT **are not** South Carolina withholding.

Attach READABLE copies of your W-2s to the front of your return, right side up. **Copies of your W-2s are available only from your employer.** If you do not have a W-2 form, complete SC4852 and provide proof of any tax withheld. You are responsible for submitting information to verify the withholding amount claimed.

Line 17 2010 ESTIMATED TAX PAYMENTS

Enter the total estimated tax payments you made before filing this South Carolina tax return plus any amount transferred from your 2009 tax return.

Line 18 PAYMENTS ON EXTENSION

If you requested an extension for more time to file your return, enter the amount you paid with the extension, if any. Check the appropriate box on the front of the return below the address portion.

Line 19 NONRESIDENT SALE OF REAL ESTATE

A nonresident of South Carolina who sells real property located in this state is subject to withholding of South Carolina income taxes. Such sale must be reported to South Carolina on an individual income tax return. If state income taxes were withheld at the time of sale, claim the amount withheld on this line and **attach a copy of the I-290** to your return. See closing attorney for a copy of I-290.

Line 20 SC INCOME TAX WITHHELD - FORM 1099

Enter the total SC tax withheld from each Form 1099 and attach a copy of each Form 1099 to the front of your return. Form W-2 withholding should be entered on line 16.

NOTE: Amounts reported on a South Carolina substitute 1099 G/INT **are not** South Carolina withholding.

Line 21 TUITION TAX CREDIT

Refer to I-319 to see if you qualify to claim this credit. If you qualify, complete all information on I-319 and attach it to your return. If you have more than one qualifying student, complete a separate I-319 for each student. Attach a copy of your federal return.

Line 22 OTHER REFUNDABLE CREDITS

Enter amounts from I-333 refundable credit for anhydrous ammonia additive and I-334 refundable credit for production and sale of milk, and check the box that applies. Attach I-333 and/or I-334.

Line 26 SOUTH CAROLINA USE TAX

If your use tax has not been remitted during the year, see South Carolina Use Tax Worksheet UT-3W for instructions. Add the amounts from Line 5 of UT-3W worksheet. Purchases subject to use tax are taxed at your county's state and local sales and use tax rate.

Line 27 ESTIMATED TAX

If you want to apply any or all of your overpayment toward next year's tax, enter the amount on this line.

Line 28 CONTRIBUTIONS FOR CHECK-OFFS

See I-330 for specific information about the various funds to which you may contribute. Enter the total from Schedule I-330. Attach I-330 to your return. Your contribution cannot be made unless you attach I-330.

REFUND OR AMOUNT YOU OWE**Line 30 REFUND**

If line 29 is larger than line 24, go to line 31. Otherwise, subtract line 29 from line 24 and enter the "Amount to be Refunded to You" on line 30. The SC Department of Revenue will not refund amounts less than \$1.00.

Line 31 NET TAX

If you have an amount on line 29, add lines 25 and 29 and enter on line 31; otherwise, enter the amount from line 25.

Line 32 LATE FILING AND/OR LATE PAYMENT PENALTIES AND INTEREST

If you have calculated failure to file/pay penalties and interest, enter in the appropriate blanks and put the total of both on line 32.

LINE 33 UNDERPAYMENT OF ESTIMATED TAX- SC2210

You may owe a penalty for underpayment if you did not pay in **four equal amounts** by the required dates at least the smaller of 90% of your tax liability for 2010; or 100% of your tax liability for 2009.

However, if your adjusted gross income is \$150,000 or more, the 100% rule is modified to be 110% of the tax shown on your 2009 income tax return. See SC2210 to determine any penalty that may be due.

Exception to underpayment of estimated tax:

- Enter an "A" in the box if you completed federal Schedule AI-Annualized Income Installment Method for South Carolina purposes in determining the amount to enter on Line 33.
- Enter an "F" in the box if you are a farmer or fisherman. You will not owe interest if you are a farmer or fisherman and pay the tax due by March 1, 2011. You are a farmer or fisherman if you received at least two-thirds of your gross income for the year from farming and fishing.
- Enter a "W" if you are requesting a waiver of your entire penalty. See SC2210 instructions for information on what qualifies for a waiver of penalty.

Figure your penalty for underpayment and put the amount on line 33. If you are due a refund, subtract the penalty amount from the difference on line 24 and line 29 and enter the result on line 30.

LINE 34 BALANCE DUE – AMOUNT YOU OWE

Add lines 31 through 33 and enter on line 34. This is the amount you owe. Include SC1040-V with your check or money order for the full amount payable to SC Department of Revenue. Write your Social Security number and "2010 SC1040" on the payment.

The signature section of the return contains a "check the box" authorization for release of confidential information. A check in the "yes" box authorizes the Director of the Department of Revenue or delegate to discuss the return, its attachments and any notices, adjustments or assessments with the preparer.

SC1040TC WORKSHEET INSTRUCTIONS

CREDIT FOR TAXES PAID TO ANOTHER STATE (Rev. 9/24/10)

This Worksheet provides a summary of the credit for taxes paid to another state. Complete the other state return first. You must have filed a return with another state in order to claim this credit.

The credit is available to a South Carolina resident or a part-year resident if state income taxes are paid to South Carolina and another state on the same income. **The credit is computed only on income that is required to be taxed in both states.**

You may claim the credit on your South Carolina return only if you actually filed a return with the other state and had a tax liability to the other state. Tax liability does not refer to the tax withheld from

your pay, but rather to the tax computed on the other state's return (the amount the other state did not refund to you).

A copy of the federal return and the other state's tax return(s) must be filed with the Department at the time the credit is claimed. Complete a separate SC1040TC Worksheet for each state.

Attach an explanation if you are claiming a tax credit on Schedule NR. In order to claim a tax credit, you must have been a South Carolina resident at some time during the tax year.

LINE 1

SC1040 filers:

On line 1 you must account for state and federal differences to determine total South Carolina income. Total federal income must be **adjusted by applicable additions and subtractions**.

Complete the following worksheet:

Total income from federal Form 1040, 1040A, or 1040EZ, received	
while a resident of South Carolina	A. _____
Add amounts from SC1040, line b and d and enter here.	B. _____
Add lines A and B	C. _____
Add amounts from SC1040, lines f - j, m - q and s. Enter here.	D. < _____ >
Subtract line D from line C. Enter on line 1, SC1040TC Worksheet.	E. _____

Line e, (other additions), and u, (other subtractions), are used rarely. Items entered on these lines must be considered individually to determine whether line 1 of SC1040TC Worksheet is affected.

Example: Mr. B's total income from federal Form 1040, is \$36,000. South Carolina adjustments are as follows: State refund \$300; out-of-state loss on rental property \$4,500; and interest from U.S. Bond \$200. In this example, the amount to enter on line 1 of SC1040TC Worksheet is \$40,000 (\$36,000 plus \$4,500 minus \$300 minus \$200).

SC Schedule NR filers:

For line 1 use the amount from line 16, Column B plus line 42, Column B.

LINE 2

Line 2 should reflect the gross amount of income which was included in line 1 and was also taxed by another state.

Social Security Privacy Act Disclosure

It is mandatory that you provide your social security number on this tax form. 42 U.S.C 405(c)(2)(C)(i) permits a state to use an individual's social security number as means of identification in administration of any tax. SC Regulation 117-201 mandates that any person required to make a return to the SC Department of Revenue shall provide identifying numbers, as prescribed, for securing proper identification. Your social security number is used for identification purposes.

Example 1: Mr. R is a resident of South Carolina who works in another state. The other state's return shows wages of \$20,000. No other income sources appear on the other state's return.

Line 2 would be \$20,000 as that gross amount (before deductions and exemptions) was included in line 1 and is being taxed by another state.

Example 2. Same as example 1 except Mr. R's other state's return also shows \$10,000 in rental income from a property located in the other state. Line 2 would reflect \$20,000 as the \$10,000 rental income located in the other state is not taxed by South Carolina.

Remember: You are determining the gross amount of income being taxed by both South Carolina and another state.

LINE 6

Line 6 should reflect **only the portion of the tax paid** to the other state which is attributable to the income which is being taxed by both states. **Do not use withholding amounts shown on your W-2 forms.**

Example: Mr. M's other state's return shows \$5,000 in wages, \$7,000 in rental income from the other state, and \$8,000 from the sale of a house located in the other state. The other state's total tax liability is \$546. Since only the \$5,000 in wages is subject to tax in both states, line 6 would be computed as follows:

$$\frac{\$ 5,000}{\$20,000} \times \$546 = \$137$$

The credit is limited to the South Carolina tax or the other state's tax on the income being taxed by both states, **whichever is less.**

Total line 7 from all worksheets and enter total on SC1040TC, line 1.

NOTE: If you are allowed this credit for taxes paid another state, and that state later refunds or credits part of the tax which generated the credit, you must repay the South Carolina Department of Revenue within 60 days from the date of receipt of the refund or notice of the credit, by filing an **SC1040X** (Amended Return).

Semester Credit Hours Requirement

A student attending one but not both of the spring and fall semesters must complete a semester credit hours requirement. Except when enrolled in one of the colleges below, the semester requirement is **15** credit hours during the semester attended. The exceptions are:

COLLEGE	SEMESTER CREDIT HOURS REQUIRED
Converse	12
Erskine	13
Wofford	12

Summer credit hours may not be included in arriving at the **semester** requirement for credit hours.

NOTE: The tuition tax credits may not be claimed for more than four consecutive years after the date of enrollment in an eligible institution. However, additional time may be granted due to medical necessity as defined by the Commission on Higher Education.

Tuition Limit Information

What is the tuition limit?

A tuition limit (\$9,613 for 2010) applies to students at **independent** 4-year colleges and universities. The tuition limit is the average tuition paid to public 4-year colleges and universities other than technical or research schools. The tuition limit is determined each year by the South Carolina Commission on Higher Education. If the student in 2010 did not attend a full year of college, the tuition limit is recalculated by multiplying \$9,613 by the credit hours that apply to all terms attended, and divided by the annual 30 hour requirement.

Except at the colleges below, a \$4,807 tuition limit applies when a student attends one but not both of the spring and fall semesters. \$4,807 equals the \$9,613 annual tuition limit multiplied by the semester requirement of 15 credit hours and divided by the annual requirement of 30 credit hours. For each of the following, when a student attends one but not both of the spring and fall semesters, the tuition limit is multiplied by the total credit hours assigned to all terms attended and divided by the annual requirement of credit hours:

COLLEGE	SEMESTER	+	INTERIM/OTHER
Converse	12		6
Erskine	13		3
Wofford	12		4

Example: Student, a senior at Converse in 2010, attends interim and completes 12 credit hours in the spring semester before graduating. The credit hours assigned to the terms attended are 6 for the interim plus 12 for the spring semester for a total of 18. Student's tuition limit is $(18/30)$ times \$9,613 = \$5,768.

Information For Students With Disabilities

Eligible institutions may authorize equivalent credit hours for those students with a disability as certified under the Americans with Disability Act and Section 594 of the Rehabilitation Act of 1973. SC Commission on Higher Education **Form CHE-400 (Students with Disabilities Tuition Tax Credit Verification)** is available at www.sctax.org and must be attached to your return.

Other Information

1. What if tuition is paid by more than one person?

If an eligible student and a qualifying individual have both contributed to paying qualified tuition, then each may claim the credit in an amount equal to the total credit, multiplied by the amount of qualified tuition paid by each, divided by the amount paid by both. Complete one I-319 for all who contributed. To determine each individual's credit, multiply the total credit by the tuition paid by the individual and divide by the amount shown on line 6. Attach a copy of the I-319 to each return.

Example: Student pays \$1,500 in tuition. Parent pays the remaining \$7,000. If together they are entitled to the maximum \$850 credit, Student is entitled to \$150, and Parent is entitled to \$700.

2. When may an ineligible student later become eligible?

A student in default of a student loan may qualify for those terms beginning after the student pays off the loan. A student who loses a LIFE or Palmetto Fellows Scholarship may qualify for those terms beginning after the loss of the scholarship. A student who qualifies for in-state tuition after enrollment may qualify for those terms to which the in-state tuition applies. A student ineligible in the spring semester who becomes eligible for the fall semester must complete the annual requirement for credit hours.

3. What credit limit (\$350 or \$850) do I use if the student attends 2-year and 4-year institutions within the same tax year?

A student who qualifies to include credit hours from 2-year and 4-year institutions within the same taxable year has a maximum credit amount of \$850.

4. When a student qualifies by completing the semester requirement of credit hours, does tuition for non-semester credit hours qualify for the credit?

You may claim tuition paid for non-semester credit hours only if the student is seeking a degree from the school offering the course and if the student graduated from high school before the course began. A student seeking a degree at one college or university may transfer to another college or university in order to seek a degree and qualify at both schools.

5. How long may I claim the credit?

The student must enroll in an eligible institution within 12 months of graduating from high school. The credit is available for 4 consecutive years from the date of enrollment, whether the student takes a break or not.

6. To which year does the payment apply?

The tuition must be claimed in the year in which it is paid. The tuition qualifies for the credit if the student qualifies for the credit in the year of payment.

7. May a nonresident claim the credit?

A nonresident taxpayer may claim the credit, as long as the qualifying student is a resident. The student must be eligible for in-state tuition and fees. In-state eligibility requires a student to establish domicile in South Carolina.

8. Does a student or qualified individual have to pay taxes in order to claim the credit?

The tuition tax credit is refundable, which means that you may claim it even without having a South Carolina income tax liability.

9. Is the credit phased out for higher income taxpayers?

The credit does not phase out for higher income taxpayers.

10. May a student who transfers from out of state to an in-state college or university become eligible?

The student could only become eligible by enrolling in the in-state college or university within 12 months of graduating high school and by qualifying for in-state tuition.

Instructions for SC Use Tax Worksheet

DO NOT USE THIS RETURN IF YOU ARE CURRENTLY A SALES TAX LICENSEE OR
HAVE A USE TAX REGISTRATION NUMBER.

Please keep the top portion of this worksheet with your records. Record purchases subject to use tax. You pay your use tax on the detachable bottom portion of this form, on your individual income tax return, or when filing on-line at www.sctax.org

Use Tax: Purchases of tangible goods for use in South Carolina on which no South Carolina sales or use tax has been paid are subject to the use tax. Examples include: catalog purchases, goods bought on-line over the internet, or furniture purchased out of state and delivered in South Carolina on which no or insufficient South Carolina tax was paid. (Contrary to popular misconception, the federal Internet Tax Freedom Act governs taxation of access to the internet through your internet-access provider. Goods purchased over the internet are not tax free.) **When figuring your use tax liability, please review any credit card statements from the taxable year. In addition, please recall any large purchases made during the taxable year.**

Credit: You are allowed a credit against SC use tax for the amount of tax due and paid to another state or local jurisdiction. For example, if you purchased furniture and took delivery of the furniture in another state, and paid that state's 4% sales tax, you would calculate the SC use tax at 6%, plus local option taxes, and subtract from the total 4% paid to the other state.

SALES AND USE TAX RATES BY COUNTY

Use the sales tax rate of the county in which you are located or other applicable rate wherever tangible personal property was delivered. Currently, the state's basic sales and use tax rate is six percent (6%). Some counties impose a local sales and use tax in addition to the state's basic rate. The chart below contains a combined tax rate of the state's basic rate (6%) along with the local tax rate of some counties. To verify a county's tax rate or determine if a county's tax rate has changed, please call (803) 896-1420.

Assessment Time Limitations for Use Taxes

A provision has been added under Code Section 12-54-85(C) to allow the assessment of the State use tax, or a local use tax administered and collected by the Department on behalf of a local jurisdiction, beyond the standard 36 month limitation when it is "the result of information received from, or as a result of exchange agreements with, other state or local taxing authorities, regional or national tax administration organizations, or the federal government. The use taxes in this case may be assessed at any time within 12 months after the department receives the information, but no later than 72 months after the last day the use tax may be paid without penalty."

SC Regulation 117-201 mandates that any person required to make a return to the SC Department of Revenue shall provide identifying numbers, as prescribed, for securing proper identification. Your social security number is used for identification purposes.

Withdrawals from Catastrophe Savings Accounts are taxable in the amount by which they exceed qualified catastrophe expenses.

SUBTRACTIONS

Line 34 NET CAPITAL GAIN DEDUCTION

Net capital gains which have been held for a period of more than one year and have been included in the SC taxable income are reduced by 44% for SC income tax purposes.

The term "**net capital gain**" means the **excess** of the **net long-term** capital gain for the taxable year **over** the **net short-term** capital loss for such year. Income received from installment sales as well as capital gain distribution qualifies for this deduction **provided the more than one year holding period has been met**. South Carolina Capital Gains holding period is the same as the federal holding period. Multiply the net gain which meets the above guidelines by 44% (.44) and enter the results on this line.

Example: Taxpayer's gain on stock (held more than one year) is \$10,000. Also reported is a short term (ST) loss on stock held for six months of \$5,000 and a long term (LT) loss on stock which amounts to \$3,000.

SC Net LT Capital Gain (more than one year)	\$ 7,000	(10,000 gain-3,000 loss)
- SC Net ST Capital Loss	- 5,000	(one year or less)
SC Net Capital Gain	\$2,000	
X Net LT Capital Gain Deduction	X44%

2010 Tax Rate Schedule for taxable income of \$100,000 or more

Caution: You must use the Tax Tables instead of this Tax Rate Schedule if your taxable income is less than \$100,000.

Use this rate schedule regardless of the filing status you checked on Form SC1040.

If the amount on SC1040 line 5, is **\$100,000 or more:**

Multiply the amount on line 5 by 7%;

Subtract \$466; and

Enter the difference on line 6.

Example of Tax Rate Schedule Computation

If South Carolina income subject to tax on SC1040 line 5, is \$101,000 the tax is calculated as follows:

\$101,000	income from SC1040 line 5
X .07	(.07)
7,070	
- 466	subtraction amount (constant)
\$ 6,604	tax

\$6,604 is the amount of tax to be entered on SC1040 line 6 in this example.

SOME INDIVIDUAL INCOME TAX QUESTIONS AND ANSWERS

Q. What should I do if I have not received my W-2?

A. W-2's are required to be mailed on or before January 31st. If you have not received your W-2 by early February, you should contact your employer. If you misplaced your W-2, contact your employer for a replacement. If a W-2 or 1099 has not been furnished to you, or has been lost and you are unable to obtain a replacement, then your alternative is to file SC4852 (Substitute for Form W-2).

Q. What are the filing requirements for a nonresident who has an investment in rental property in South Carolina?

A. A nonresident individual having South Carolina rental property as an investment in South Carolina should file a SC1040 - "SC Individual Income Tax Return" and Schedule NR - "Nonresident Schedule." Rents received from the rental of real estate, less all related expenses, are allocated to SC providing the property is not used in or connected with the taxpayer's trade or business. See Code Section 12-6-2220.

Q. Is disability income taxable in South Carolina?

A. South Carolina allows a deduction for disability retirement included in South Carolina gross income that is received due to permanent and total disability by a person who could qualify for the homestead exemption under Section 12-37-250 by reason of being classified as totally and permanently disabled (i.e., the inability to perform substantial gainful employment by reason of a medically determinable impairment, either physical or mental, which has lasted or is expected to last for a continuous period of twelve months or more.)

Q. Is retirement income received from employment outside of SC taxable?

A. Retirement income received by a resident individual is taxable in South Carolina. The residency of a taxpayer when the taxpayer receives the retirement income, not the place of employment where the retirement income was earned, determines the taxability of retirement income. South Carolina does not tax the retirement income of nonresident individuals.

Q. How long do I have to file a claim for refund?

A. In general, a claim for refund must be filed within 3 years of the time the timely return was filed (including extensions), or 2 years from the date of payment, whichever is later. If no return was filed, a claim for refund must be filed within 2 years from the date of payment. The date of payment of withholding and estimated payments is deemed to be on the due date of the return, without regard to any extension of time.

Q. Where is my refund check mailed if I moved after filing my return?

A. The Department mails a refund check to the address shown on your tax return. Some post offices forward mail for the Department if you filed a change of address with the post office; others do not. If your refund check is returned to the Department by a post office and you notify us of your new mailing address, we will send the check to your new address. Please file SC8822 to notify the Department of your new mailing address.

Q. How do I amend my tax return after I filed it and need to make a correction?

A. To correct an error on a previously filed income tax return, file a SC1040X - "Amended Individual Income Tax" return.

Q. What do I do with the Form 1099G/INT I received from the Department of Revenue?

A. SC Form 1099G/INT is for information purposes. It provides a summary of all refunds, credits, and interest you received from the Department during the tax year. The total includes refunds, amounts applied to estimated taxes, amounts applied to any outstanding debt, amounts used to pay use tax and contributions to the checkoffs funds. Do not attach Form 1099G/INT to your tax return. Although South Carolina does not tax any state income tax refund included in federal gross income, interest received from the Department is subject to tax in South Carolina.

Q. How long will it take to process my return?

A. Generally, it takes about two weeks to process an electronically filed return. For paper filed returns, it could take up to twelve weeks to process a return, depending on how early the return is received. Missing or incorrect information on your return will cause delays in processing.
