## NEW FOR 2020

**2020 LEGISLATIVE UPDATE** – A list of significant changes in tax and regulatory laws and regulations enacted during the 2020 legislative session is available at [dor.sc.gov/policy](https://dor.sc.gov/policy).

**CONFORMITY** – South Carolina recognizes the Internal Revenue Code as amended through December 31, 2019, unless otherwise provided. If adopted Internal Revenue Code sections that expired on December 31, 2019 are extended, but were otherwise not amended by congressional act during 2020, these sections will also be extended for South Carolina Income Tax purposes.

**INCREASE IN SOUTH CAROLINA DEPENDENT EXEMPTION** (line w of the SC1040) – The South Carolina dependent exemption amount for 2020 is \$4,260 and is allowed for each eligible dependent, including both qualifying children and qualifying relatives.

**INCREASE IN MOTOR FUEL INCOME TAX CREDIT** – The refundable Income Tax credit increased from 5 cents per gallon to 7 cents per gallon for 2020. Full or part-year resident taxpayers may claim the refundable credit for the lesser of the increase in South Carolina Motor Fuel User Fee they paid during 2020 or the preventative maintenance costs they incurred in South Carolina during the tax year. The credit is limited to two private passenger motor vehicles or motorcycles. To claim the credit, attach a completed I-385 to your return.

**INCREASE IN EARNED INCOME TAX CREDIT** – Full-year residents may claim the South Carolina Earned Income Tax Credit. For 2020, the non-refundable credit is equal to 62.50% of the Federal Earned Income Tax Credit allowed the taxpayer.

**INCREASE IN TWO WAGE EARNER CREDIT** – The maximum credit available for the Two Wage Earner Credit (claimed by a married couple filing jointly when both taxpayers have earned income taxed to South Carolina) has increased. For 2020, the credit is 0.7% of the lesser of \$40,000 or the South Carolina qualified earned income of the taxpayer with the lower qualified income for the taxable year.

**SC DEPARTMENT OF ARCHIVES AND HISTORY CONTRIBUTION FOR CHECK-OFF** – Contributions to the SC Department of Archives and History are used to purchase or preserve collections with significant historical value to the State. For more information, visit the SC Department of Archives and History at [scdah.sc.gov](https://scdah.sc.gov).

**PRECEPTOR CREDIT AND DEDUCTION** – For tax years 2020 through 2025, a nonrefundable Individual Income Tax credit is available for eligible physicians, advanced practice registered nurses, or physician assistants who serve as preceptors for qualifying clinical rotations required by a medical school, physician assistant program, or advanced practice nursing program. Credit amounts are phased in over a five-year period. If a taxpayer serves additional rotations that exceed the credit limit for the tax year, they may be eligible for a deduction on line v of the SC1040. Use the TC-62, available at [dor.sc.gov/forms](https://dor.sc.gov/forms), to determine if you are eligible for the credit and to calculate the credit and the deduction. For more information, refer to SC Revenue Ruling #20-2 available at [dor.sc.gov/policy](https://dor.sc.gov/policy).

**SOUTH CAROLINA HOUSING TAX CREDIT** – The South Carolina Housing Tax Credit is a nonrefundable tax credit available to eligible owners of residential low-income rental buildings who are certified by the South Carolina Housing and Finance Development Authority. Use the TC-63, available at [dor.sc.gov/forms](https://dor.sc.gov/forms), to claim the credit. For more information, refer to [dor.sc.gov/policy](https://dor.sc.gov/policy).

# INDIVIDUAL INCOME TAX

## FREQUENTLY ASKED QUESTIONS

(Rev. 7/1/20)  
3556

### Do I need to file a South Carolina Income Tax return?

Resident taxpayers under age 65:

- Were you required to file a federal Income Tax return which included income taxable by South Carolina? (Residents of South Carolina are taxed on their entire income, regardless of where it was earned, unless specifically exempted by law.)
- Did you have South Carolina Income Tax withheld from your wages?

Resident taxpayers age 65 or older:

- **Married filing jointly (both 65 or older)** - Is your gross income greater than the federal gross income filing requirement amount plus \$30,000? Find the federal gross income filing requirement amount in the 1040 instructions at [irs.gov](https://www.irs.gov).
- **Any other filing status** - Is your gross income greater than the federal gross income filing requirement amount plus \$15,000? Find the federal gross income filing requirement amount in the 1040 instructions at [irs.gov](https://www.irs.gov).
- Did you have South Carolina Income Tax withheld from your wages?

Nonresidents:

- Did you have South Carolina Income Tax withheld from your wages?
- Do you have South Carolina gross income, including income from rental property, businesses, or other investments in South Carolina?

**If you answered YES to any of these questions, you must file a South Carolina Income Tax return.**

### Am I a resident or a nonresident?

You are a South Carolina **resident**, even if you live outside of South Carolina, if all of the following are true:

1. Your intention is to maintain South Carolina as your permanent home.
2. South Carolina is the center of your financial, social, and family life.
3. When you are away, you intend to return to South Carolina.

You are a **nonresident** if your permanent home is outside South Carolina for the entire year and none of the above applies.

### What is my residency status if I moved into or out of South Carolina during the tax year?

You are a part-year resident and may consider yourself a full-year resident or a nonresident.

- If you file as a full-year resident, file the SC1040. Report all your income as though you were a resident for the entire year. You will be allowed a credit for taxes paid on income taxed by South Carolina and another state. Complete the SC1040TC and attach a copy of the other state's Income Tax return.
- If you file as a nonresident, file the SC1040 with the Schedule NR. You will be taxed only on income earned while a resident in South Carolina and income from South Carolina sources. You will prorate your deductions. All personal service income earned in South Carolina must be reported.

You may choose the filing method that is most beneficial to you. This option is only available for the tax year that you are a part-year resident.

### How should I file if I am a nonresident of South Carolina but work in this state?

File the SC1040 with the Schedule NR. You will be taxed only on income earned in South Carolina and will prorate your deductions. All personal service income earned in South Carolina must be reported.

### How should I file if I am a full-year South Carolina resident but my spouse is not?

If you file a **joint** federal return, you must file a **joint** SC1040 with Schedule NR. You will report all income for the entire year to South Carolina. Your spouse will only report income earned in this state.

If you file **separate** federal returns, you must file a **separate** South Carolina return. Your spouse must also file a **separate** South Carolina return if they have income taxable by South Carolina.

### What is my residency status if I am in the armed forces?

- If you enter the armed forces when you are a South Carolina resident, you keep your South Carolina residency status, even if you are absent from the state on military orders. You are subject to the same residency requirements as any other South Carolina resident and are required to file a South Carolina Income Tax return.
- If you are not a South Carolina resident but are stationed in this state by military orders, your military income is not subject to South Carolina tax. If you have other earned income subject to South Carolina tax, file the SC1040 with the Schedule NR. Your spouse may be exempt from South Carolina Income Tax on income from services performed in South Carolina under the Federal Military Spouses Residency Relief Act. See Schedule NR instructions at [dor.sc.gov/forms](https://dor.sc.gov/forms).

### Do I need to pay South Carolina Use Tax?

You may need to pay South Carolina Use Tax if you purchase tangible personal property from out-of-state retailers for use, storage, or consumption in South Carolina. This includes purchases from online retailers, through out-of-state catalog companies, in home shopping networks, or when visiting another state. The Use Tax rate is the 6% state rate plus the applicable local Use Tax rate for the location where the tangible personal property will be used, stored, or consumed.

Report and pay your Use Tax using the SC1040, the UT3, Use Tax Return, or using our secure online tax portal, MyDORWAY, at [MyDORWAY.dor.sc.gov](https://MyDORWAY.dor.sc.gov). If paying online through MyDORWAY, sign into your existing account or create an account to get started. Refer to the UT-3 instructions at [dor.sc.gov/forms](https://dor.sc.gov/forms) for additional information and Use Tax rates by county. You may be responsible for paying Use Tax even if you are not required to file the SC1040.

### What is the due date of my return?

A return for calendar year 2020 is due by April 15, 2021.

A return for a fiscal year tax period is due by the 15th day of the fourth month following the close of your tax year. On the front of the return, complete the dates covered by the fiscal year.

If you file and pay electronically, you have until May 3, 2021 to submit your return and full payment without penalties or interest. If you don't file and pay by May 3, 2021, penalties and interest will be charged from the tax due date (April 15, 2021) until you file and pay.

The May 3, 2021 due date does not apply to federal returns or returns submitted on paper, both of which are due by April 15, 2021.

### How do I get more time to file?

If you need more time to file your South Carolina return:

- Request your extension to file by paying your balance due on our free tax portal, MyDORWAY, at [dor.sc.gov/pay](https://dor.sc.gov/pay). Select **Individual Income Tax Payment** to get started. Your payment on MyDORWAY automatically submits your filing extension request. No additional form or paperwork is required. You must pay at least 90% of your state tax due with the extension request by April 15, 2021.
- If no Income Tax is due and you have been granted an extension of time to file your federal Income Tax return, we will accept a copy of the federal extension. You do not need to send us a copy of the federal form by the due date of the tax return.
- If you do not have a federal extension, you must file the SC4868, Request for Extension of Time to File, by April 15, 2021. You do not have to file the SC4868 if you paid your balance due on MyDORWAY.
- When you file your return, mark the **Extension** box on the front of the SC1040 to indicate you filed an extension.
- Enter any payments made with your extension request on line 18 of the SC1040.

### Can I extend the time to pay my taxes?

An extension allows additional time to file your South Carolina tax return, but **not to pay any tax due**. You will be charged interest, at the prevailing federal rates, on any unpaid tax. Interest is applied from the original due date of the tax return to the date of payment. In addition to the interest, you will be charged a penalty of 0.5% per month for failure to pay at least 90% of the total tax due by the original due date. The penalty will be imposed on the difference between the amount paid with the extension and the tax to be paid for the period.

A **Penalty and Interest Calculator** is available on MyDORWAY, our secure online tax portal, at [dor.sc.gov/calculator](https://dor.sc.gov/calculator).

### What are the penalties for failing to file a return or filing a fraudulent return?

Any person who deliberately fails to file a return, files a fraudulent return, or attempts to evade the tax in any manner may be liable for a penalty up to \$10,000, imprisoned for up to five years, or both.

### When will I get my refund?

You can check your current year refund status on our secure online tax portal, MyDORWAY, at [dor.sc.gov/refund](https://dor.sc.gov/refund) or by calling 1-844-898-8542. To avoid long waiting times, we recommend checking your status online before calling us. Our refund status application is updated nightly and has the same information as our representatives. Processing your return and refund is expected to take 6-8 weeks from the date you filed.

### How do I file a return for a deceased taxpayer?

If a person received income during this tax year but died before filing a return, the South Carolina Income Tax return should be filed by their surviving spouse or by an executor or administrator. Use the same filing status that was used on their final federal Income Tax return. Mark the **check if deceased** box next to the decedent's Social Security Number. The due date for filing is the same as for federal purposes. In the signature area of the return, write **Filing as surviving spouse**, if applicable. A personal representative filing the return must sign in their official capacity and attach the SC1310, Statement of Person Claiming Refund Due a Deceased Taxpayer. Any refund will be issued to the decedent's surviving spouse or estate.

### **Do I need to round amounts on my return?**

Round cents to the nearest whole dollar on your return and schedules. For amounts less than 50 cents, round down to 0. For amounts of 50-99 cents, round up to the next dollar. For example: \$2.15 becomes \$2; \$4.75 becomes \$5; and \$3.50 becomes \$4.

### **What tax records do I need to keep?**

Keep a copy of your return and any schedules, worksheets, or statements used to prepare your return. Keep records that support an item of income or a deduction appearing on a tax return until the limitations period for the return runs out. The limitations period is generally three years from the date the return was filed or due to be filed, whichever is later.

Save any records concerning property, home, stocks, and business property you bought and may sell later. The records kept should show the purchase price, date, and related cost. For real property, records should show the cost and date of improvements.

Your return may be audited by the IRS or the SCDOR. If audited, the law requires you to show proof of your income, expenses, and cost of assets.

### **When should I file an amended return?**

File an amended return if you were audited by the IRS or if you amended your federal tax return, unless there was no impact on your state return. An amended return is also necessary if you omitted income, claimed deductions or credits you were not entitled to, failed to claim deductions or credits you were entitled to, or changed your filing status.

You may apply for a refund on either an amended or delinquent return for any tax period which is open under the statute of limitations. A refund will not be issued for requests received beyond the limitations period.

In general, a claim for refund must be filed within three years from the date the return was filed or originally due or two years from the date the tax was paid. If a claim is filed within three years from when the return was filed or originally due, the refund is limited to the tax paid within the past three years plus the period of any extension. Withholding, Estimated Taxes, and amounts paid with extensions are considered to have been paid on the date the return was originally due.

If a claim is not filed within three years from the date when the return was filed or originally due, the refund is limited to tax paid during the past two years.

### **How do I file an amended return?**

- **Beginning with tax year 2019**, file a new SC1040 and check the **Amended Return** box on the front. Complete the return as it should have been filed, including all schedules and attachments. Complete the SCH AMD, Amended Return Schedule, and submit it with your amended SC1040.
- **For tax years 2018 and before**, use the SC1040X to amend your return. Do not use the SC1040 or the SCH AMD. Forms are available at [dor.sc.gov/forms](http://dor.sc.gov/forms).

### **What if I am audited by the IRS?**

If you receive a refund or owe additional federal tax, you must file an amended SC1040, along with a Schedule AMD, after the federal audit report becomes final. Check the **Amended Return** box on page 1 of the SC1040 to indicate that the return is amended.

### **Why was my refund adjusted?**

The SCDOR assists other state agencies, institutions of higher learning, political subdivisions of the state, and the IRS in collecting overdue accounts. All or part of your refund can be sent directly to these claimant agencies if they notify us that you have a past-due account with them. This may include balances for hospital bills, EMS bills, student loans, and utility bills.

The SCDOR charges a \$25 administrative fee to complete a refund setoff. If any of your refund is sent to a claimant agency, the SCDOR will notify you in writing. If your refund exceeds the amount owed the claimant agency plus the administrative fee, the balance will be issued to you.

If you believe you do not owe the debt, the amount sent was incorrect, or the debt has already been paid, you must contact the claimant agency, not the SCDOR. Our written notification to you will include contact information for the claimant agency.

### **Do I need to file a Declaration of Estimated Tax?**

You must file a SC1040ES, Declaration of Estimated Tax, if you expect to owe an Income Tax liability of \$100 or more with the filing of your SC1040.

Use the Estimated Tax Worksheet, found in the instructions of the SC1040ES, to compute your Estimated Tax for tax year 2021:

- If you are a resident of South Carolina, use your 2020 SC1040 as a basis for figuring your Estimated Tax.
- If you are a nonresident of South Carolina, use your 2020 SC1040 and Schedule NR as a basis to calculate the modified South Carolina taxable income to enter on line 3 of the worksheet.

The following taxpayers **do not** have to file a Declaration of Estimated Tax:

- Farmers and commercial fishermen whose gross income from farming or fishing for 2020 or 2021 is at least two-thirds (66.67%) of their total gross income from all sources. Instead of making four quarterly Estimated Tax payments, farmers and commercial fishermen may choose to pay all of their Estimated Tax by January 18, 2022 or file their 2021 SC1040 and pay the total tax due by March 1, 2022.
- Individuals whose prior year tax liability was \$0 for a full 12 months.
- Nonresidents of South Carolina doing business in this state on a contract basis where the contract is more than \$10,000 and tax is withheld at 2% from each contract payment.

### **What are the penalties for failing to pay Estimated Tax?**

You may be charged a penalty if:

- You do not pay enough Estimated Tax.
- You do not make your payments by the due date and for the required amount.
- You do not pay at least 90% of the total tax due.

A penalty will not be charged if your underpayment results from personal service income earned in another state and tax was withheld by the other state.

You can avoid a penalty if you make timely Estimated Tax payments equal to 100% of the tax shown due on your SC1040 for the prior tax year (the 100% rule). You must have filed an SC1040 for the prior tax year, and it must have covered a 12-month year.

If the adjusted gross income on your prior year SC1040 was more than \$150,000, the 100% rule is adjusted to 110% of last year's tax liability. Calculate adjusted gross income by using federal guidelines and making South Carolina adjustments.

Refer to the SC2210, Underpayment of Estimated Tax by Individuals, Estates, and Trusts, at [dor.sc.gov/forms](https://dor.sc.gov/forms) for more information on computing the underpayment penalty.

### **How do I file the Declaration of Estimated Tax?**

Save time and paper by filing online using our free, secure tax portal, MyDORWAY, at [dor.sc.gov/pay](https://dor.sc.gov/pay). Select **Individual Income Tax Payment** to get started. Do not mail the SC1040ES if you pay online.

Mail your SC1040ES and payment to SCDOR, IIT Voucher, PO Box 100123, Columbia, SC 29202. Forms are available at [dor.sc.gov/forms](https://dor.sc.gov/forms).

### **If I owe \$15,000 or more in connection with any SCDOR return, do I have to file and pay electronically?**

Yes, according to the Electronic Mandate provided in SC Code Sections 12-54-250 and 12-54-210, you must file and pay electronically.

### **What are my options for filing and paying electronically?**

## SC1040 INSTRUCTIONS 2020 (Rev. 12/22/2020)

### Things to know before you begin:

- For tax year 2020, unless you have a valid extension, the due date is **April 15, 2021** and the deadline to claim a refund is April 15, 2024.
- Complete your federal return before you begin your SC1040. You will need information from your federal return when preparing your South Carolina return.
- South Carolina conforms with the Internal Revenue Code as amended through December 31, 2019, except as otherwise provided. If Internal Revenue Code sections adopted by South Carolina which expired on December 31, 2019 are extended, but otherwise not amended, by congressional enactment during 2020, these sections are also extended for South Carolina Income Tax purposes in the same manner that they are extended for federal Income Tax purposes.
- The references to form numbers and line descriptions on federal Income Tax forms were correct at the time of printing. It is mandatory that you provide your Social Security Number on this tax form if you are an individual taxpayer. 42 U.S.C. 405(c)(2)(C)(i) permits a state to use an individual's Social Security Number as means of identification in administration of any tax. SC Regulation 117-201 mandates that any person required to make a return to the SCDOR must provide identifying numbers, as prescribed, for securing proper identification. Your Social Security Number is used for identification purposes.

### Individual Taxpayer Identification Number (ITIN)

If you are a nonresident or resident alien and cannot get an SSN, contact the IRS to apply for an Individual Taxpayer Identification Number (ITIN) for the purpose of filing Income Tax returns. South Carolina will accept this number in place of a SSN to process your Individual Income Tax returns. For more information, contact the IRS at 1-800-829-1040 or visit [irs.gov](http://irs.gov). We cannot accept your return for processing without complete SSNs or ITINs.

**STOP!** Nonresident/Part-year filers must complete the Schedule NR and go to line 5. See the Schedule NR instructions, available at [dor.sc.gov/forms](http://dor.sc.gov/forms).

**Additions to federal taxable income:**

Enter all numbers on **line a through line e** as positive numbers even if they are negative numbers on the federal return. **Line a through line e** are adjustments which must be added to your federal taxable income to determine your South Carolina taxable income. Line 2 is the total of these additions.

**Line a: State tax addback**

If you itemized your deductions on your federal Income Tax return and deducted state and local Income Tax or general Sales Tax, you may be required to add back all or part of this amount to your federal taxable income when computing your South Carolina taxable income.

Federal law limits your total deduction for state and local Income, Sales, and Property Taxes to a combined, total deduction of \$10,000 (\$5,000 if Married Filing Separately). You can't deduct any state or local taxes paid above this amount.

In determining the state tax addback for a taxpayer whose tax deduction is limited to \$10,000, you may first apply real or personal Property Taxes reported on federal Schedule A, lines 5b and 5c before applying state and local Income Taxes or general Sales Taxes reported on federal Schedule A, line 5a.

The state tax addback required for South Carolina is the lesser of your:

- itemized deductions in excess of the standard deduction that would have been allowed if you had used the standard deduction for federal Income Tax purposes;
- state and local Income Taxes or general Sales Taxes from your federal 1040, Schedule A, line 5a; or
- the \$10,000 federal tax deduction limit less deductible Property Taxes.

Use the worksheet below to compute the state tax addback on the SC 1040. Do not submit this worksheet with your return. Keep it with your tax records.

<b>Worksheet for state tax addback</b>

2. Enter the federal standard deduction you would have been allowed if you had not itemized. <b>Enter zero if filing status is Married Filing Separately (MFS). (See federal instructions.)</b>	2. _____
3. Subtract line 2 from line 1. (Enter zero if line 2 is greater than line 1.)	3. _____
4. Enter the amount of state and local Income Tax or general Sales Tax from federal Schedule A.	4. _____
5. Subtract real estate taxes and personal property taxes reported on federal Schedule A from the federal limit of \$10,000 (\$5,000 if MFS). Enter the difference but not less than zero.	5. _____
6. Enter the lesser of line 3, line 4, or line 5. Enter this amount on SC1040 <b>line a</b> .	6. _____

**Line b: Out-of-state losses**

Include any related expenses, such as investment interest. Enter the total of these losses and related expenses on this line. Personal service income (W-2 or business wages) is taxable to South Carolina no matter where it is earned.

**Line c: Expenses related to National Guard and Military Reserve income**

**Line e: Other additions to income**

Attach an explanation of your entry for this line. Some examples of items to enter on this line are:

- Taxpayers who claim bonus depreciation under federal law must add back the difference between the bonus depreciation taken and the depreciation which would have been allowed without bonus depreciation.
- Taxpayers who claim a nonrefundable credit for contributions to Exceptional SC (TC-57) are not allowed a deduction for these contributions. Add back the amount of the contribution deducted on the federal return.
- Taxpayers who claim a child care program credit for donations to a nonprofit corporation (TC-9) are not allowed a deduction for those donations. Add back the donation deducted on the federal return.
- Taxpayers who claim credits such as the Community Development Credit (TC-14), the Industry Partnership Fund Credit (TC-36), and the Credit for Child Care Program (TC-9), may not claim a deduction for the same qualified contribution which results in the credit. Add back the amount deducted on the federal return.
- Add back the federal net operating loss when it is larger than the South Carolina net operating loss being claimed.
- Add back any expenses deducted on the federal return related to any income not taxed by South Carolina. Some examples are investment interest to out-of-state partnerships and interest paid to purchase US obligations.
- Add back foreign area allowances, cost of living allowances, and income from US possessions.
- For qualifying investments made after June 30, 1998, taxpayers must reduce the basis of the qualifying property to the extent the Capital Investment Tax Credit is claimed. Add back any resulting reduction in depreciation.

- Add back any charitable contribution of land deducted under IRC Section 170 unless it meets the donative intent requirements of SC Code Section 12-6-5590.

  1. necessary because contributions were more than the allowable limits; or

Qualified catastrophe expenses are expenses paid or incurred because of a major disaster as declared by the Governor.

- A business must add back any amount paid for services performed by an unauthorized alien if the amount is \$600 or more a year.
- South Carolina does not adopt the Individual Income Tax provisions of Section 204(a) of the Taxpayer Certainty and Disaster Tax Relief Act of 2019. Individuals will need to add back any increased contributions allowed under this section.

**Depending on how a particular item was reported or deducted, the following items may be an addition or a subtraction:**

- A change in the accounting method to conform in the same manner and the same amount to the federal. At the end of the federal adjustment, any balance will continue until fully adjusted.
- Adjust the installment method of reporting if:
  - the entire sale has been reported for state purposes, or
  - the entire sale was reported for federal purposes and you wish to continue on an installment basis for state purposes
- Adjust the federal gain or loss to reflect any difference in the South Carolina basis and federal basis.

**Line 2: Total additions**

Add line a through line e.

**Subtractions from federal taxable income:**

Enter all numbers on line f through line w as positive numbers even if they are negative numbers on the federal return.

Line f through line w are adjustments which are subtracted from your federal taxable income to determine your South Carolina taxable income.

**Line f: State tax refund**

If you included your state tax refund on your federal 1040, enter that amount on this line.

**Line g: Total and permanent disability retirement income**

If **disability retirement income** was taxed on your federal Income Tax return and you are **totally and permanently disabled**, you may be able to deduct this income from your South Carolina taxable income.

You must be totally and permanently disabled, unable to be substantially gainfully employed, receiving income from a disability retirement plan, and eligible for the homestead exemption under SC Code Section 12-37-250. Attach a copy of the physician's statement establishing that you are permanently and totally disabled.

**The deduction is limited to payments received from retirement plans. Third-party sick pay reported on a W-2 does not qualify for the total and permanent disability retirement deduction.**

A surviving spouse may take a disability retirement deduction for amounts received in the year the disabled spouse died. In following years, a surviving spouse is only eligible for the retirement deduction on **line p** and not the disability deduction.

**Line h: Out-of-state income/gain**

Enter:

- income from out-of-state rental property
- income from a business located outside South Carolina, or
- gain from real property located in another state.

Enter the amount as reported on your federal return. Check the appropriate box to indicate the type of income or gain.

**Personal service income (W-2 or business wages) is taxable to South Carolina no matter where it is earned.**

**Line i: Net capital gain deduction**

Net capital gains included in taxable income are reduced by 44% for South Carolina Income Tax purposes.

**Net capital gain** means the **excess** of the **net long-term** capital gain for the tax year **over** the **net short-term** capital loss for the tax year. The South Carolina holding period for long-term capital gains is the same as the federal holding period. Income received from installment sales and capital gain distribution qualifies for this deduction if the more than one year holding period has been met. Multiply the net capital gain by 44% and enter the result.

**Example:** A taxpayer reports a long-term (LT) gain on stock (held more than one year) of \$10,000 and a long-term loss on stock held since 1985 of \$3,000. Also reported is a short-term (ST) loss on stock held for six months of \$5,000.

SC Net LT Capital Gain	\$ 7,000 (10,000 - 3,000)
- SC Net ST Capital Loss	- 5,000
SC Net Capital Gain	\$ 2,000
x Gain Deduction	x 44%
Amount to be deducted	\$ 880

**Line j: Volunteer deduction**

Qualifying volunteer firefighters, rescue squad workers, volunteer hazardous material (HAZMAT) team members, reserve police officers, Department of Natural Resource (DNR) deputy enforcement officers, members of the State Guard, and state constables are allowed to deduct \$3,000.

**Instructions - 2020 SC1040 - South Carolina Individual Income Tax Return**

For more information, see **South Carolina Revenue Ruling #09-16**, available at [dor.sc.gov/policy](http://dor.sc.gov/policy). Do not enter amounts for Military Reserve and National Guard pay included in retirement income. **Line o: Social Security and/or railroad retirement if taxed on your federal return**

Enter the amount of Social Security from Title 2 of the Social Security Act or railroad retirement that was taxed on your federal return.

**Line p-1 through line p-3: Retirement deduction**

The deduction is allowed for an individual taxpayer who is the original owner of a qualified retirement account. An individual who is **under age 65** may claim a retirement deduction up to \$3,000 on qualified retirement income from their own plan.

An individual who is **age 65 or older** during the tax year may claim a retirement deduction up to \$10,000 on qualified retirement income from their own plan.

**Line p-1:** Include only qualified withdrawals from the taxpayer's own qualified retirement plan.

**Line p-2:** Include only qualified withdrawals from the spouse's own qualified retirement plan.

**Line p-3:** A surviving spouse receiving qualified retirement income on behalf of a deceased spouse may deduct up to \$3,000 or \$10,000 of the qualified retirement income, based on the age of the deceased spouse had they lived. The surviving spouse must receive the decedent's qualified retirement income as a surviving spouse.

The surviving spouse retirement deduction is in addition to the individual retirement deduction claimed from the taxpayer's own retirement plan.

If you are claiming the surviving spouse retirement deduction for more than one deceased spouse, calculate the deduction separately for each deceased spouse. Add the surviving spouse retirement deductions and enter the total on line p-3. Attach a statement showing the Date of Birth for each deceased spouse and the separate calculation for each deduction.

**Qualified retirement income** is income from plans defined in IRC 401, 403, 408, and 457, and all public employee retirement plans of the federal, state, and local governments, including individual retirement plans, Keogh plans, and military retirement.

Disability retirement income due to permanent and total disability, Social Security income, and railroad retirement income do not qualify because these items are not taxed by South Carolina. See line g and line o.

Any portion of qualified retirement income received this tax year that resulted in a federal premature withdrawal penalty does **not** qualify for a retirement deduction.

Reduce the retirement deduction by any military retirement deduction taken.

**Line p-4 through line p-6: Military retirement deduction**

An individual with military retirement income included in their South Carolina taxable income may take a deduction up to the amount of military retirement income. Taxpayers filing a joint return must calculate the deduction separately for each spouse based on each individual's age, retirement income, and earned income. Reduce the retirement deduction (line p-1 through line p-3) and the age 65 and older deduction (line q-1 and q-2) by the amount of the military retirement deduction taken.

**Retirement income** means taxable income received by the taxpayer or the taxpayer's surviving spouse from a qualified military retirement plan. Income that is subject to a penalty for premature distribution does not qualify as retirement income. For a surviving spouse, retirement income includes a retirement benefit plan and dependent indemnity compensation received due to the deceased spouse's military service.

Retirement benefits received for service in the National Guard or Reserves, due to inactive time, are subtracted on line v and are not included in taxable income. Do not include these amounts in the deduction on line p.

**Line p-4:** Include military retirement income related to the taxpayer's military service.

**Line p-5:** Include military retirement income related to the spouse's military service.

**Line p-6:** Include military retirement income received on behalf of a deceased spouse's military service. Apply the deduction in the same manner that it was applied to the deceased spouse.

The surviving spouse military retirement deduction is in addition to any retirement deductions claimed on the taxpayer's own retirement income.

If you are claiming the surviving spouse military retirement deduction for more than one deceased spouse, calculate the deduction separately for each deceased spouse. Add the surviving spouse military retirement deductions and enter the total on line p-6. Attach a statement showing the Date of Birth for each deceased spouse and the separate calculation for each deduction.

**Military retirement deduction: Under age 65**

For 2020, the military retirement deduction is limited to \$17,500 for taxpayers under the age of 65. Taxpayers must have other earned income in addition to the military retirement. South Carolina earned income is income you receive from services you provide.

Earned income <b>includes</b>	Earned income <b>does not</b> include
wages salaries tips commissions sub-pay self-employment income business income or loss partnership income or loss farm income or loss	gambling winnings bingo winnings interest dividends Social Security benefits IRA distributions retirement plan or annuity benefits unemployment compensation deferred compensation any amount your spouse paid you

**Taxpayers under the age of 65 with military retirement income but no earned income are only eligible for the retirement deduction on line p-1 or p-2.**

**Example 1:** A taxpayer under the age of 65 has military retirement income of \$5,000 and earned income of \$4,000. The taxpayer's military retirement deduction is \$4,000.

**Instructions - 2020 SC1040 - South Carolina Individual Income Tax Return**

**Example 2:** A taxpayer under the age of 65 has military retirement income of \$4,000 and earned income of \$0. The taxpayer **does not** qualify for the military retirement deduction since they have no earned income. The taxpayer would qualify for the \$3,000 retirement deduction on line p-1.

**Example 3:** A taxpayer under the age of 65 has military retirement income of \$11,000, retirement income from other sources of \$12,000, and earned income of \$13,000. The taxpayer's military retirement deduction is \$11,000.

Individual taxpayers are allowed one retirement deduction for all retirement income whether military or other retirement. Surviving spouse benefits are calculated separately.

**Military retirement deduction: Age 65 and older**

For 2020, the deduction is limited to \$30,000 for individual taxpayers age 65 and older. There is no requirement for other earned income. See examples in the instructions for line q (age 65 and older deduction).

**Line q: Age 65 and older deduction**

Beginning in the tax year a resident taxpayer reaches age 65, they are entitled to a deduction of \$15,000 against any South Carolina income.

**Line q-1** applies to the taxpayer whose name appears first on the return.

**Line q-2** applies to the spouse whose name appears second on the return.

Reduce the age 65 and older deduction claimed on line q-1 and line q-2 by:

- any individual retirement deduction claimed on line p-1 and line p-2, and
- any military retirement deduction claimed on line p-4 and line p-5.

Claiming a surviving spouse retirement deduction on line p-3 or p-6 does not reduce the age 65 and older deduction for a taxpayer on line q-1 or q-2.

**Assume for all examples that taxpayers have income to qualify for the age 65 and older deduction in addition to the retirement deductions.**

**Example 1:** A taxpayer age 65 and older has no military or other sourced retirement income on line p-1 or line p-4. The taxpayer is eligible for a deduction of \$15,000 on line q-1.

**Example 2:** A taxpayer age 65 and older has no military retirement income but other sourced retirement of \$14,000. The taxpayer is allowed a deduction of \$10,000 on line p-1 and a deduction of \$5,000 on line q-1.

A South Carolina dependent exemption is allowed for each eligible dependent, including both qualifying children and qualifying relatives. Eligible dependents are dependents claimed on your federal Income Tax return. See worksheet below.

<b>Worksheet for South Carolina dependent exemption</b>	
1. South Carolina dependent exemption amount	1. _____ \$4,260
2. Number of dependents claimed on your federal return	2. _____
3. Allowable deduction (multiply line 1 by line 2) Enter on <b>line w</b> .	3. _____

**Line 4: Total subtractions**

Add line f through line w and enter the total.

**South Carolina tax:**

**Line 6: Tax on South Carolina taxable income**

If your income subject to tax on line 5 is less than \$100,000, use the SC1040 tax tables (SC1040TT) to determine your South Carolina tax. Enter the tax on line 6.

If your income subject to tax on line 5 is \$100,000 or more, use the tax rate schedule provided in the SC1040TT to compute your tax. Enter the tax on line 6. Find the SC1040TT at [dor.sc.gov/forms](http://dor.sc.gov/forms).

**Line 7: Tax on lump-sum distribution**

South Carolina follows the federal provisions regarding lump-sum distributions. If you used the federal 4972 for a lump-sum distribution, you must use the SC4972 to compute the South Carolina tax. Find the SC4972 at [dor.sc.gov/forms](http://dor.sc.gov/forms).

This separate tax on lump-sum distributions is in addition to the tax computed on line 6.

Do not enter the federal 10% premature early withdrawal penalty on line 7.

**Line 8: Tax on active trade or business income**

Enter the amount from the I-335, line 7.

**Line 9: Tax on excess withdrawals from catastrophe savings accounts**

Withdrawals from a Catastrophe Savings Account are taxed an additional 2.5% unless:

- the taxpayer no longer owns a qualifying legal residence in South Carolina,
- the amount contributed was within the allowable limits, and the withdrawal occurred after the taxpayer reached age 70, or
- the withdrawal followed the death of the individual who set up the account or the surviving spouse.

**Credits:**

**Line 11: Child and Dependent Care Credit**

For a full-year resident, the credit is calculated at 7% of the federal child and dependent care expense.

If you are a part-year resident or nonresident, you are not eligible for this credit if you are a resident of a state that does not offer a credit for child and dependent care expense to nonresidents of that state.

If you are an eligible part-year resident or nonresident, calculate the credit at 7% of the prorated federal expenses using your proration percentage from the Schedule NR.

The maximum credit allowed is \$210 for one child or \$420 for two or more children.

**You cannot claim this credit if your filing status is Married Filing Separately.**

**Example A:** Full-year resident

Federal child care expense from the federal 2441 is \$2,000  
 $\$2,000 \times .07 = \$140$  (allowable credit)

**Example B:** Part-year resident or nonresident

Federal child care expense from the federal 2441 is \$2,000 and the proration percent from line 45 of Schedule NR is 30%  
 $\$2,000 \times .30 = \$600 \times .07 = \$42$  (allowable credit)

**Line 12: Two Wage Earner Credit**

This credit is available to a married couple filing jointly when both spouses have earned income taxed to South Carolina. This credit is **not** allowed on returns with a filing status of Single, Married Filing Separately, or Head of Household.

The multiplier used in computing the Two Wage Earner Credit increases by \$3,333 each year beginning in 2018, until fully phased-in for tax year 2023. For 2020, the credit is computed at .007 of the lesser of \$40,000 or the South Carolina qualified earned income of the spouse with the lower South Carolina qualified earned income for the taxable year.

Use your South Carolina qualified earned income to calculate the credit. Compute your South Carolina qualified earned income by subtracting certain adjustments reported on your federal 1040 from your South Carolina earned income.

Adjustments to subtract are:

- deductible part of self-employment tax
- self-employment SEP, simple and qualified plans
- self-employment health insurance deduction
- IRA deduction
- repayment of sub-pay

South Carolina earned income is generally income you receive from services you provide. Compute the earned income for you and your spouse separately.

**Instructions - 2020 SC1040 - South Carolina Individual Income Tax Return**

Earned income <b>includes</b>	Earned income <b>does not</b> include
wages salaries tips commissions sub-pay self-employment income business income or loss partnership income or loss farm income or loss	gambling winnings bingo winnings interest dividends Social Security benefits IRA distributions retirement plan or annuity benefits unemployment compensation deferred compensation any amount your spouse paid you

**Example:** A taxpayer earned a salary taxed to South Carolina of \$40,000. The taxpayer's qualified earned income is \$40,000. Their spouse earned wages of \$17,000 taxed to South Carolina and had an IRA deduction of \$1,000. The spouse's qualified earned income is \$16,000 (\$17,000 - \$1,000). The credit is based on the spouse's qualified earned income, because it is the lesser of the two. The credit is \$112 (\$16,000 x .007).

**Line 26: South Carolina Use Tax**

Use Tax is due on purchases outside of South Carolina for use, storage, or consumption in South Carolina. Use Tax is paid to the SCDOR when the state Sales and Use Tax has not been collected by the seller.

**Instructions - 2020 SC1040 - South Carolina Individual Income Tax Return**

You may need to pay Use Tax if you make purchases:

- from retailers online
- from out-of-state catalog companies
- from home shopping networks
- when visiting another state

The tax rate for the Use Tax is the same as the Sales Tax. The rate is determined by where the tangible personal property will be used, stored, or consumed, regardless of where the sale takes place. For more information and updated tax rates, visit [dor.sc.gov/tax/use](http://dor.sc.gov/tax/use).

**You have three options for reporting and paying Use Tax:**

1. On line 26 of your Individual Income Tax Return. Calculate your Use Tax using the SC Use Tax Worksheet below. No additional form or paperwork is required.
2. Online using our free, secure tax portal, MyDORWAY, at [MyDORWAY.dor.sc.gov](http://MyDORWAY.dor.sc.gov). Sign in to your existing account or create a new account to get started. No additional form or paperwork is required.
3. Mail the UT-3 to: **SCDOR, Sales Taxable, PO Box 100193, Columbia, SC 29202**. Make the check payable to SCDOR

If you have paid your Use Tax during the year or have no Use Tax due, check the box on line 26.

**Use Tax rates:**

The state Sales and Use Tax rate is **6% plus the applicable local Use Tax rate of the county** in which you are located or other applicable rate wherever tangible personal property was delivered. Sales of unprepared foods are exempt from state Sales and Use Tax. Local taxes still apply to sales of unprepared food unless the local tax law exempts such sales.

The following are the rates for each county as of May 1, 2020:

- 6% - Georgetown, Greenville, Oconee
- 7% - Abbeville, Anderson, Beaufort, Dorchester, Edgefield, Fairfield, Greenwood, Laurens, Lexington, Newberry, Orangeburg, Pickens, Spartanburg, Union, York
- 8% - Aiken, Allendale, Bamberg, Barnwell, Berkeley, Calhoun, Cherokee, Chester, Chesterfield, Clarendon, Colleton, Darlington, Dillon, Florence, Hampton, Horry, Kershaw, Lancaster, Lee, Marion, Marlboro, McCormick, Richland, Saluda, Sumter, Williamsburg
- 9% - Charleston, Horry-City of Myrtle Beach, Jasper

Use this information to calculate line 2 of the worksheet.

Refer to the I-330, available at [dor.sc.gov/forms](http://dor.sc.gov/forms), for information about the various funds to which you may contribute. Enter the total from the I-330. Attach the I-330 to your return. Your contribution cannot be made if you do not attach the I-330.

**Refund or amount you owe:**

**Line 30: Refund**

If line 29 is larger than line 24, go to line 31. Otherwise, subtract line 29 from line 24 and enter the amount to be refunded to you on line 30. We will not automatically issue a refund under \$5. However, upon notification we can release the refund. **You are required to mark your refund choice on line 30a.**

**Line 30a: Refund options**

You can receive your refund by direct deposit, debit card, or paper check. Mark an **X** in one box to indicate your choice.

- **Direct Deposit** - The SCDOR deposits your funds into your bank account. This is the fastest, easiest option for most filers.
- **Debit card** - Your funds are loaded onto a Bank of America debit card. The card is subject to Bank of America program limitations. See the Bank of America disclosure information at the end of these instructions for more information.
- **Paper check** - The SCDOR can mail you a paper check to the address provided at your return. To avoid delays, make sure the address on your return is correct. This is the slowest, least secure way to receive your funds.

**Line 30b: Direct deposit information**

Choose direct deposit for a fast, simple, and secure way to have your refund deposited automatically into your checking or savings account. You must enter complete and correct account information. We will mail a paper check to the address listed on your return if the account information is not complete and correct. You cannot have your funds directly deposited into an account located outside the United States.

To receive your refund by direct deposit:

1. Mark an **X** to choose checking or savings account.
2. Enter your 9 digit routing transit number (RTN). The RTN should begin with 01 through 12 or 21 through 32. Do not use a deposit slip to verify the RTN.
3. Enter your bank account number (BAN). The BAN contains 17 or fewer alphanumeric digits. Enter the BAN from left to right. Do not enter hyphens, spaces, special symbols, or the check number.

**Line 31: Net tax**

Add line 25 and line 29.

**Line 32: Late filing and late payment penalties and interest**

If you calculated failure to file or failure to pay penalties and interest, enter in the appropriate blanks and put the total of both on line 32.

A failure to file penalty is charged for failing to file a tax return on or before its due date, considering any extension of time for filing. The penalty is 5% of the tax amount if the failure is for not more than one month, with an additional 5% for each additional month or fraction of the month the failure continues, not to exceed 25% in total.

A failure to pay penalty is charged for failing to pay the tax on any return on or before its due date. The penalty is 0.5% of the tax if the failure is for not more than one month, with an additional 0.5% for each additional month or fraction of the month the failure continues, not to exceed 25% in total.

Any unpaid portion of the final tax due will accrue interest at the prevailing federal rates. This amount is computed from the original due date of the tax return to the date of payment.

Find a Penalty and Interest Calculator on our free tax portal, MyDORWAY, at [dor.sc.gov/calculator](https://dor.sc.gov/calculator).

**Line 33: Underpayment of Estimated Tax penalty**

You may owe a penalty for underpayment if you did not pay in the lesser of 90% of your tax liability for 2020 or 100% of your tax liability for 2019 in four equal amounts by the required dates.

If your adjusted gross income is \$150,000 or more, the 100% rule is modified to be 110% of the tax shown on your 2019 Income Tax return. See the SC2210, available at [dor.sc.gov/forms](https://dor.sc.gov/forms) to calculate any penalty that may be due.

Exceptions to underpayment of Estimated Tax:

- Enter an **A** in the box if you completed federal Schedule AI-Annualized Income Installment Method for South Carolina purposes when determining the amount to enter on Line 33.
- Enter an **F** in the box if you are a farmer or fisherman who receives at least two-thirds of your gross income for the year from farming and fishing and you pay your tax due by March 1, 2021.
- Enter a **W** if you are requesting a waiver of your entire penalty. See the SC2210 instructions, available at [dor.sc.gov/forms](https://dor.sc.gov/forms) for information on what qualifies for a waiver of penalty.

Calculate your penalty for underpayment and enter the amount on line 33. If you are due a refund, subtract the penalty amount from the difference of line 24 and line 29 and enter the result on line 30. Attach the SC2210 to your tax return when using an exception to waive the penalty.

**Line 34: Balance due**

Add line 31 through line 33 and enter the total on line 34. This is the amount you owe.

If you owe \$15,000 or more in connection with any SCDOR return, you must pay electronically according to SC Code Sections 12-54-250 and 12-54-210.

Pay online using our free tax portal, MyDORWAY, at [dor.sc.gov/pay](https://dor.sc.gov/pay). Select **Individual Income Tax Payment** to get started.

If mailing your payment, **do not send cash**. Make your check payable to SCDOR and include your name, SSN, and 2020 SC1040 in the memo. File your SC1040 with payment attached.

**Sign and date your return:**

You must sign your return. If your filing status is Married Filing Jointly, both spouses must sign.

The return for a deceased taxpayer must be signed by a surviving spouse, an executor, or an administrator. If you are signing as a surviving spouse, write **filing as surviving spouse** by your signature.

If signing as a personal representative, sign in your official capacity and attach the completed SC1310.

Any refund check will be issued to the decedent's surviving spouse or estate.

**Authorization:**

The signature section of the return contains a **check the box** authorization for release of confidential information. A check in the **yes** box authorizes the Director of the SCDOR or delegate to discuss the return, its attachments, and any notices, adjustments, or assessments with the preparer.

If a person is paid to prepare the Income Tax return, their signature and Preparer Tax Identification Number (PTIN) or Federal Employer Identification Number (FEIN) are required in the spaces provided. Penalties are applicable for failure to comply.
