“Additional Guest Charges” at Places Furnishing Accommodations - Amended

The imposition of sales tax on “additional guest charges” at places that furnish accommodations to transients for a consideration has been amended. Effective July 1, 2014, sales tax imposed on additional guest charges are now limited to charges for: (1) room service, (2) laundering and dry cleaning services, (3) in-room movies, (4) telephone service, and (5) rentals of meeting rooms. Effective July 1, 2014, the sales tax imposed on gross proceeds derived from the rental or charges for any rooms, campground spaces, lodgings or sleeping accommodations furnished at any place in which rooms, lodgings, or sleeping accommodations are furnished for a consideration has been amended to exclude from sales tax the gross proceeds from rental income that is wholly excluded from the gross income of the taxpayer pursuant to Internal Revenue Code Section 280(A) (g). Internal Revenue Code Section 280(A) (g) allows a taxpayer to exclude from gross income the rental income derived from a dwelling unit used during the tax year by the taxpayer as a residence, provided that the dwelling unit is rented for less than 15 days during the tax year

Certain Injectable Medications and Injectable Biologics - New Exemption

Code Section 12-36-2120 has been amended to add an exemption for injectable medications and injectable biologics, so long as the medication or biologic is administered by or pursuant to the supervision of a physician in an office which is under the supervision of a physician, or in a Center for Medicare or Medicaid Services certified kidney dialysis facility.

This exemption from State and local sales and use tax was implemented and will apply for July 1, 2014 thru June 30, 2015 on 50% of the gross proceeds of sales of qualifying sales or purchases. File Electronically

Electronic
Filing

The SCDOR has several convenient ways to electronically transmit your sales tax returns and payments. The process is completely paperless.

As an incentive to file and pay electronically or participate in the EFT/EDI program, your discount will increase from \$3000 to \$3100 per year with your first electronic transmission.

Many taxpayers are required by law to electronically file and pay their sales returns. The Department of Revenue will notify those taxpayers whose businesses have exceeded the dollar threshold (\$15,000 or more) per month in sales tax. Voluntary participation is also encouraged.

MyDORWAY (Internet Filing)

MyDORWAY is an Internet application designed to allow taxpayers a fast, free, and secure way to file and pay their sales, use, accommodations, local option, and special local taxes. To file your return electronically, visit our website at www.dor.sc.gov and click on the "Go to MyDORWAY". First time filers are required to sign up, create a username and password during the initial visit.

NOTE: For returns to be considered timely filed, they must be submitted by the 20th day following the period covered. If the 20th falls on a weekend or legal holiday, the return is due on the next business day.

MyDORWAY allows you to make payment by EFW (electronic funds withdrawal/Bank Draft) or credit card (MasterCard or VISA). ACH credit method is not an option for this program. For technical questions, call (803) 898-5000.

NOTE: For record keeping purposes, you should retain all confirmation numbers relating to electronic transactions.

EFT/EDI

The Department of Revenue also offers an **EFT/EDI (Electronic Funds Transfer/Electronic Data Interchange)** Program. This program is designed to give taxpayers an electronic way to transmit tax payments and return information for sales, use, accommodations, local option, durable medical, and special local taxes.

NOTE: To be considered timely filed by SCDOR, your return with payment must be submitted on or before the day of the due date.

The EFT/EDI program utilizes software packages to transmit your return and payment information to the Department of Revenue through modem or internet connection. Payments can be made by ACH debit (bank draft) or ACH credit methods (your financial institutions software). For more information, visit our website at www.dor.sc.gov, E-Mail us at businessEFT@dor.sc.gov, or call (803) 898-5000. The registration application (D-137), can be located on our website. For more information about any of the electronic programs listed above, go to www.dor.sc.gov and click on the eServices. Then, click on the "Available Services" link to see more details about the "Sales and Use Tax" programs.

Business Personal Property Tax

Business Personal Property Tax is a tax on the furniture, fixtures, and equipment that are owned by a business. Any assets that are depreciated on the business' Income Tax Return should be reported on the Business Personal Property Tax Return. All furniture, fixtures and equipment are to be reported at acquisition cost with a deduction allowed for depreciation. The Business Personal Property Tax Return is filed electronically to the South Carolina Department of Revenue using South Carolina Business One Stop (SCBOS, www.scbos.sc.gov). The return is due on the last day of the fourth month following the close of the tax year. There is no provision in the Code of Laws for an extension.

On the return, the business reports the total cost of the assets, the income tax depreciation, and the net depreciated value. The S C Department of Revenue will assess the business personal property returned. The assessed value is sent to the county in which the business is located. The local county will send a Business Personal Property Tax notice after September 1. The payment is due to the county on or before the following January 15th of each year.

How to File

The Business Personal Property Tax Return can be filed electronically on the South Carolina Business One Stop website (www.scbos.sc.gov). To file the Business Personal Property Tax Return electronically, visit South Carolina Business One Stop (SCBOS) at: www.scbos.sc.gov. If a taxpayer already has a South Carolina Business One Stop or South Carolina Department of Revenue electronic filing account created to file for other taxes (i.e. Sales and Use Tax), the same user name and password can be used to file the Business Personal Property Tax Return on SCBOS.

After filing online, the taxpayer will be given an Official Receipt and this is a taxpayer's proof of filing. A copy should be kept for the taxpayer's records. Any Business Personal Property questions? Please call us at: 803-898-5222 or Email: BPPProperty@dor.sc.gov

A General Guide to South Carolina Sales and Use Tax

Publication # 3
November 4, 2014

Sales tax is imposed on the sale, rental or lease of goods and certain services in South Carolina. Use tax is imposed on goods and certain services purchased out of state and brought into South Carolina on which no sales tax or not enough sales tax has been paid. The state sales and use tax rate is 6%. Certain counties impose an additional 1% local option sales and use tax and/or a special local sales and use tax. (Throughout this handout, to keep it simple, the word *sale* also implies *rentals* and *leases*.)

The Retail License

If you start a retail business in South Carolina, you will need a retail license before making any sales. The retail license must be obtained by all retailers, including those making infrequent sales in this state. If you have more than one business outlet, you must have a separate retail license for each location.

For information relating to county or municipal business license requirements, you should contact your local county or municipal tax office.

If you have no permanent retail location, you can obtain a transient retail license which will allow you to make sales throughout the state, but in only one location at a time.

Apply for the retail license on Form **SCDOR-111**, *Tax Registration Application*, available at all Department of Revenue tax offices or visit our website: **www.dor.sc.gov**. The fee for the permanent retail license or the transient retail license is \$50. If an outstanding debt exists for state taxes, the retail license will not be issued until the taxes are paid.

Nonresident Retailers - Nonresident retailers with a physical presence in South Carolina must obtain a retail license for \$50 to do business in this state. A nonresident retailer is one who does not have a business location in this state, but solicits business from South Carolina residents by means of sales representatives, manufacturers' agents, e-commerce, catalogs, advertising or other means.

Purchaser's Certificate of Registration - A purchaser's certificate of registration is required for someone who does not make retail sales but who purchases tangible personal property from outside this state to store, use or consume in South Carolina. Those licensed as retailers do not need a purchaser's certificate of registration. Apply for the certificate on **SCDOR-111**.

Temporary license - A temporary retail license is available for \$50 to transient retailers making sales in this state for no more than 30 consecutive days.

Artists and craftsmen - Artists and craftsmen selling at arts and crafts shows and festivals products they have created or assembled may obtain a permanent retail license for \$20 by applying on **Form 110**.

Flea market and yard sales - Persons who make sales at a flea market or at a yard sale no more than once per calendar quarter are not required to obtain a retail license.

Charitable organizations - Most non-profit, charitable organizations that make sales for charitable purposes are exempt from the sales and use tax on their sales and are not required to obtain a retail license. Applications for exemption must be made on **ST-387**. Purchases made by the organization for its own use are taxable.

Special Events Sales - Retailers making sales at festivals or special events - which include promotional shows, trade shows, fairs or carnivals for which an admission fee is required and last less than 12 consecutive days - are not required to obtain a retail license. Instead, retailers are required to file a special event tax return within five days for sales made at the event. Contact your local district office for more information.

Purchasing a Business

If you buy a business, all taxes that may be owed by the previous owner transfer to you. The taxes owed are a lien against the business inventory and equipment. You cannot obtain a retail license until the tax is paid. For more information on obtaining a certificate of tax compliance, refer to Form **C-268**.

Moving Your Business

If you move to a new location within the same county, you maintain your same retail license number but you should request an updated license to show your new address. If you move to a new location outside the county, you will be assigned a new retail license number. The \$50 license fee is not charged when the business location changes. Refer to Form **SC8822** for more information.

Closing Your Business

If you close your business, you must file a final tax return with the Department of Revenue, return your retail license and complete **C-278** (Account Closing Form). This may prevent you from getting unnecessary notices and bills for unpaid taxes.

More About Sales Tax

In addition to sales at retail, the sales tax also applies to the fair market value of items purchased by the retailer at wholesale, but used by the retailer for personal use. In addition to applying to items one normally thinks of as taxable - furniture, appliances, clothing, etc. - the sales and use tax also applies to communications like paging services, laundry and dry cleaning services, and electricity. A 10% (11% effective June 1, 2007) sales tax applies to telephone services for 900 and 976 exchanges. An additional 5% rental surcharge applies to rental of cars, and 3% applies to rental of heavy equipment.

More About Use Tax

Use tax commonly applies to purchases from retailers made via mail-order catalog, television, telephone, internet shopping and other out-of-state purchases from out of state retailers. Purchasing merchandise from retailers outside of South Carolina's borders does not exempt the purchaser from paying South Carolina tax. Making a purchase of tangible personal property (books, DVD's CD's, computer, clothing, etc.) from out-of-state retailers for use, storage or consumption in this state makes the purchaser liable for use tax.

If you purchase merchandise (books, DVD's CD's, computer, clothing, etc.) from an out-of-state retailer for storage, use, or other consumption in this state and an equal amount of sales tax was not due and paid in the other state at the time of purchase, you are liable for use

tax. Many catalog and mail-order companies already collect South Carolina's sales or use tax when you make a purchase. If the business *does not* collect the tax at the time of purchase, *you are responsible* for reporting the purchase and paying the tax yourself. If you make a purchase in another state and pay less than the tax which would be due in South Carolina, you should report and pay the difference to the SC Department of Revenue. A credit is allowed for Sales or Use Tax due and paid in another state.

Business

Businesses which regularly make non-taxed purchases out of state report and pay the use tax on their monthly sales and use tax return, **ST-3** and **ST-389**, if applicable.

Personal

Individuals not in business who make non-taxed purchases out of state should report the use tax on **UT-3/UT-3W**, SC Use Tax Worksheet or visit the Department's webpage, www.dor.sc.gov, to pay the use tax or report and pay the tax on the South Carolina Individual Income Tax Return.

Local Sales and Use Taxes

A county may approve one or more of the following local taxes: local option, capital projects, school district, tourism development, or transportation tax. These local sales and use tax taxes are imposed in addition to the State sales and use tax. These local taxes are collected and administered by the South Carolina Department of Revenue on the behalf of the counties. Items subject to a maximum sales and use tax (i.e. \$300 on motor vehicles) are exempt from the local sales and use taxes.

Voters may approve 1% local option sales and use tax and/ or a local tax for capital projects, education capital improvement, school districts, tourism development, or transportation tax.

Counties and municipalities may impose local hospitality taxes on food, beverages, accommodations and admissions. This form does not address the local taxes on sales that are collected directly by the counties or municipalities (sales of accommodations or prepared meals). These taxes are collected by the local government, not the Department of Revenue. Contact the county where your business is located to determine if you are liable for any of their local hospitality taxes.

The local tax rate information presented in this publication is current at the time of publication. To determine if the local tax information relating to a particular county or jurisdiction has changed, visit our website, www.dor.sc.gov, and inquire under sales and use tax.

Tax Rate on Unprepared Food

Sales of unprepared food items eligible for purchase with United States Department of Agriculture food coupons are exempt from the State sales and use tax. This exemption **does not** apply to local sales and use taxes administered and collected by the S. C. Department of Revenue on the behalf of counties and other jurisdictions unless the local tax law specifically exempts sales of such food. To obtain additional information relating to sales of unprepared food, visit our website to view SC Regulation 117-337.

Accommodations Tax

The rental of transient accommodations is subject to a 2% accommodations tax in addition to the 5% sales tax (and the percentage for local tax, if applicable). If you rent out rooms or spaces at hotels, campsites, boarding houses, etc., you are required to obtain a retail license and pay the sales and accommodations tax.

Room rentals to the same person for at least 90 continuous days are not subject to the tax. If you rent a room in the house in which you live and it has less than six bedrooms, you are exempt from the tax. If you rent transient accommodations for no more than one week each calendar quarter, you are not required to obtain a retail license, but you still must report and pay the tax annually by April 15 of the following year unless otherwise exempted under Code Section 12-36-920 (A). Additional guest charges such as telephone service, room service, and rental of meeting rooms are subject to the 6% sales tax. However, charges for other services such as, amenities, entertainment, special items in promotional tourist packages and other guest services are no longer listed as additional guest charges as of July 1, 2014. **ST-388** is used to report your Sales, Use and Accommodations taxes and must be submitted with form ST-3T.

Maximum Tax

A maximum sales tax of \$300 is imposed on the sale or lease of motor vehicles, boats, aircrafts, motorcycles, certain trailers, recreational vehicles and light construction equipment. For purchases of light construction equipment, the Form **ST-405** is to be filled out by the purchaser and given to the retailer to limit the tax amount to three hundred dollars (\$300). The \$300 limit also applies to the sale of musical instruments and office equipment to religious organizations. Form **ST-382** must be completed for these items sold to religious organizations. Retailers who sell items subject to a maximum will be receiving the **ST-455** (State, Sales, Use, Maximum and Special Filers Return) with instructions for the form. The **ST-455** is to be used for reporting sales subject to the 1% sales tax rate increase as well as those not subject to the 1% sales tax (Items subject to a maximum tax) rate increase as of June 1, 2007.

Manufactured Homes

The first 35% of the selling price of a manufactured home is exempt from sales and use tax. After allowing for the exemption and any trade-in, the tax imposed on the sale is \$300 plus 2% of the remaining sales price exceeding \$6,000. The 2% may be waived if certain energy efficiency levels are met in the mobile home. Furniture and appliances that are not permanently attached and are sold with a mobile home must be listed separately on the bill or invoice and taxed at 6% of the sales price (less any trade-in allowance), plus applicable local taxes.

In 2008, the maximum tax provision relating to the calculation of the maximum tax for manufactured homes was amended to completely exempt certain Energy Star homes from the sales and use tax for sales occurring from July 1, 2009 through July 1, 2019. Under this provision, the manufactured home would be exempt 100% from any sales and use tax calculation due if it has been designated by the United States Environmental Protection Agency and the United States Department of Energy as meeting or exceeding each agency's energy saving efficiency or meeting or exceeding such requirements under each agency's Energy Star program.

More Information

For more information on sales and use tax, visit the Department of Revenue's home page on the Internet: <http://www.dor.sc.gov> Sales tax laws, regulations, policy documents and attorney general opinions may be found there.

This publication is intended to provide basic information about sales and use tax. It is not a substitution for the law. Further, tax laws change rapidly. We would advise you to seek legal advice if there are questions about your tax obligations.

Municipalities Sales and Use Tax Rates by County

The tax rate information on this chart lists the current tax rate at the time of the effective date. This chart is revised periodically to reflect changes in the sales tax rate. Counties can impose a new tax rate at any time, which would impact the tax rates shown. A complete updated list of all counties with local taxes can be found on our website www.dor.sc.gov under Sales and Use.

Counties in bold indicate a special local tax has been implemented.

* Indicates a municipality is located in more than one county. To determine the appropriate tax rate, check a map or ask the customer to verify where tangible personal property was delivered.

FILING STATE AND LOCAL OPTION SALES AND USE TAX FORMS

ST-388: State Sales, Use and Accommodation Tax Return: This form is to be used by any person in the business of furnishing accommodations, whether such person is the owner or a real estate agent, listing service, broker, online travel company, or similar entity handling the accommodations. It is used for reporting the State Sales and Use tax on sales and purchases of tangible property, upon sales of accommodations and additional guest charges and local taxes imposed on such sales as administered by the SC Department of Revenue.

A person liable for sales tax on accommodations is required to file form ST-388 to report any sales and use tax in this State. As a general rule, the person liable for the sales tax on accommodations is required to obtain a retail license from the South Carolina Department of Revenue (Department). However, a person furnishing accommodations to transients for one week or less in any calendar quarter is not required to obtain a retail license, but must remit the sales tax annually by April 15th of the following year unless otherwise exempted.

ST-389: Schedule for local Taxes: You are required to file form ST-389 to report the appropriate local sales and use tax to a county or municipality based upon sales or deliveries within the county or municipality. You are required to file this form when:

- (1) Your business is located in a county that imposes the tax or
- (2) Your business delivers to a county or municipality with local tax regardless of whether your business is or is not located in a county that imposes a local tax

The various local taxes reportable on the ST-389 are indicated on specific pages of form ST-389. The ST-389 is not used to report local taxes on sales of accommodations or on sales of prepared meals that are collected directly by the counties.

ST-389A: Local Option Addendum: Use this form if you need more space for reporting the local option tax located on page 6 of ST-389. You must enter the applicable county/municipality code listed on the reverse side when reporting the local option tax.

Form ST-3T: Accommodations Report by County or Municipality for Sales and Use Tax: This form is used for reporting accommodations tax by counties or municipalities when taxpayer owns or manages rental units in several counties or municipalities. A taxpayer who owns or manages rental units in more than one county or municipality is required to report separately the total gross proceeds from business done in each county or municipality. **The ST-3T must be submitted with the ST-388 even if you only have rental units in the county/municipality where your business is located.**

ST-8A: Resale Certificate: The resale certificate form is used by retailers (purchasers) to purchase tax-free at wholesale items that are to be resold. This certificate is extended by the purchaser to the seller who maintains the certificate on file as evidence that the sales transaction is not subject to the tax. It is not required that the form ST-8A be used as long as the certificate presented to the seller contains the purchaser's name, address, and retail sales tax license number. Also, it is not necessary that a certificate be extended each time a sale is made. A resale certificate should not be used by a retailer to purchase products for their own use.

ST-14: Claim For Refund: If you have overpaid your sales/use tax on your return, you should file a claim for refund in the form of a letter or by using the enclosed form ST-14, Claim for Refund, and file amended (corrected) figures for the periods requested. **Do not take a credit on the sales and use tax return for any overpayments.** The claim for refund should specify: the name, address, and telephone number of the taxpayer or contact person; the appropriate taxpayer identification number(s); the tax period or date for which the tax was paid; the nature and kind of tax paid; the amount which is claimed as erroneously paid; a statement of facts and documentation supporting the refund position; a statement outlining the reasons for the claim, including any law or other authority upon which you rely; and any other relevant information that the Department may reasonably require.

C-278: Account Closing Form: When closing or selling your business, you are required by law to return your sales and use tax license to the Department of Revenue indicating the date of closing. Complete Form C-278 when closing your business. You must file all returns and pay all taxes due. If you sell your business, the new owner will not be issued a new license until taxes due for that location have been paid. A change in ownership will require the new owner to complete a form SCDOR-111, Tax Registration Application, and remit the appropriate license tax. The SCDOR-111 is available on our website at www.dor.sc.gov.

SC8822: Change of Name/Address/Business Location: Any change of location requires that written notification be sent to the Department of Revenue by submitting form SC8822.

Change in Ownership: Any change in ownership will require a new owner to complete a Business Tax Application, Form SCDOR-111 and remit the appropriate license fee. The SCDOR-111 is available on our website at www.dor.sc.gov. However, if you would like to obtain a license online (via the internet), go to mydorway.dor.sc.gov.

Filing an Amended Sales and Use Tax Return: Instructions for filing an amended State and Local Sales and Use Return for South Carolina are as follows:

- Check the "Amended Return" box on the top of your State sales and use tax return (e.g., ST-3, ST-388, ST-403 or ST-455). If there is no check box at the top of the return to indicate this is an amended return, be sure to write "Amended" at the top of the return. If your local sales and use tax return (e.g., ST-389) will change, write "AMENDED" across the top of the form.
- When filing an amended return, be sure to complete your return as if it were an original return. In other words, complete the amended return as if you were filing it for the first time. **DO NOT** complete the amended return with figures that represent the difference between the original amounts reported on the return and the amended amounts to be reported on a return.
- If using a copy of the original return, draw a line through any incorrect or wrong amounts as they appear on the original return reported and write down the correct amounts as they should have appeared on the return.
- If you filed an amended return on or by the due date of your original tax return, or if you filed an amended return after the due date of an originally filed return which was timely filed and paid, recalculating the taxpayer's discount may be necessary.
- If you underpaid your taxes when filing an amended return, verify your computations of the underpayment amount and send the additional tax due with applicable penalties and interest. Penalty and Interest calculations are available on our website, mydorway.dor.sc.gov. If you overpaid your taxes, see Form ST-14 (Claim for Refund) for additional information.
- Sign and date the amended return.

All forms pertaining to sales and use tax may be found on our website or by calling (800) 768-3676 or (803) 898-5000.

STEP 1

ST-389 - INSTRUCTIONS FOR COMPLETING FORM ST-389

DOES LOCAL TAX APPLY AND IS THIS FORM APPLICABLE?

The Form ST-389 is required to be filed with the appropriate state sales and use tax return (ST-3, ST-388, ST-403 or ST-455) if:

- The retailer is located in a jurisdiction (county or municipality, etc.) that imposes a local tax or
- The retailer is delivering into a jurisdiction (county or municipality, etc.) with a local tax and has connection sufficient with the jurisdiction (county or municipality, etc.) of delivery to require remittance of the tax. (For example: (1) the retailer shipping into a jurisdiction using his own vehicles (2) the retailer has an agent or employee operating within the jurisdiction (3) the retailer is shipping into the jurisdiction using a contract carrier (4) the retailer is using a common carrier and maintains an office, other place of business or property of any kind in the jurisdiction of delivery or advertises via advertising media located in the jurisdiction or outside the jurisdiction but which has coverage within the jurisdiction of delivery.)

For more information relating to circumstances in which a retailer must remit a local tax on behalf of a local jurisdiction (county, municipality, etc.), request SC Revenue Ruling #09-9 or visit our website at **www.dor.sc.gov**.

If this does not apply, return to appropriate state tax form and complete tax computation.

ST-389 WORKSHEET INSTRUCTIONS

Complete the worksheet section of the ST-389 form when reporting amounts subject to a local tax or tribal sales tax, if you sold, purchased or delivered property for use in a county or jurisdiction with a local tax. The worksheet is to assist you in determining the proper amount required to be allocated on Form ST-389.

Item 1 Total - Gross Proceeds of Sales/Rentals, Use Tax and Withdrawals of Inventory for Own Use: Enter this amount as reported on the worksheet of your state sales and use tax return (Item 3 of ST-3, ST-388, ST-455 or Items 3 and 7 of ST-403).

Item 2 Local Tax Allowable Deductions: Enter deductions here which are exempt or not subject to local taxes or a tribal sales tax. All deductions should be itemized under Column A, with the deduction amount shown in Column B.

Certain transactions are subject to the state's sales and use tax rate, but are exempt from the local sales and use tax rate. Some examples are:

- Deliveries to local jurisdictions (county, municipality, etc.) without local tax
- Quarterly and annual filers remitting tax on the first reporting period after the implementation date may use the worksheet to calculate the amounts not subject to the local tax
- Sales subject to the \$300 maximum tax. (i.e. automobiles, manufactured homes, etc.)

Before claiming a deduction on the ST-389 worksheet, the exemptions relating to a particular local tax or the tribal tax should be reviewed since it may differ from the state tax exemptions claimed (for instance: If a deduction was itemized on the state tax return worksheet for the 1% state tax rate reduction for individuals age 85 or older, the amount itemized as a deduction on the state tax return worksheet would not be applicable as a deduction on the ST-389 worksheet item 2.)

Sales of unprepared foods are exempt of the State sales and use tax rate. However, local taxes still apply to sales of unprepared foods unless the local tax law specifically exempts such sales. As a result, sales of unprepared foods that are subject to a local tax must be included on the Form ST-389 (local sales tax worksheet). The list above is not a complete listing of Local Tax exemptions. You may contact the South Carolina Department of Revenue at (803) 898-5709 for additional information, if you have questions regarding these exemptions.

Note: There are various types of local sales and use taxes which are imposed in addition to state sales and use tax. Some local taxes may provide the same exemptions, while others may be different. As a result, you should examine the amounts reported for a particular local tax before reporting the net taxable amount for a particular local tax. To obtain an updated list of the various counties which impose local taxes and the specific exemptions applicable to each, you should visit our website **www.dor.sc.gov** and inquire under the information link > **Resources** > Law and Policy > Sales, Use, Accommodations, and Casual Excise Tax [under Alphabetical Index (By Tax Category)] > Local Taxes Collected by DOR (on the index) to obtain the document "Counties Imposing/ Types of Taxes Imposed and Exemptions".

Item 3 Total Amount of Deductions: Enter the total allowable deductions from Column B.

Item 4 Net Sales and Purchases: Item 1 minus item 3. Total should agree with Column A, line 1, page 7 of 8 of form ST-389.

Note: When your sales, purchases and withdrawals are made or delivered into a locality with more than one local tax type, or more than one local tax type is reported the total net taxable amount on line 1, page 7 of 8 of form ST-389 will not agree with item 4 of ST-389 Worksheet. If this circumstance occurs, you should complete a separate ST-389 Worksheet for each local tax type and complete the appropriate local tax section on the ST-389 form.

Do not take credits on this form. **(See ST-14: Claim for Refund form which is located in your booklet and discussed on the Essential Information section found in your booklet.)**

ST-389 WORKSHEET (If applicable)

The ST-389 is used to report various types of local taxes. Most of the local sales and use taxes reported on the ST-389 provide the same exemptions. However, some local taxes provide different exemptions from other local taxes. Before claiming a deduction on the ST-389 worksheet, you must report your gross sales (taxable and nontaxable) on Item 1 of the ST-389 worksheet. Review carefully the exemptions applicable to the particular local tax or tribal tax since the exemptions may differ from the state tax exemptions or differ from another local tax exemption.

For instance, the sales of unprepared foods are exempt from the State sales and use tax rate. However, local taxes still apply to sales of unprepared foods unless the local tax law specifically exempts such sales. Sales of unprepared foods that qualify for local sales and use tax exemption which also qualified for state sales and use tax exemption should be shown as a deduction on Item 2 of the ST-389 worksheet for local taxes. To obtain information about local tax exemptions, visit our website www.dor.sc.gov to obtain a current copy of the Department's Policy Document which discusses the types of local taxes imposed and exemptions allowed under each local tax.

Note: When your sales, purchases and withdrawals are made or delivered into a locality with more than one local tax type, the total net taxable amount on line 1, page 7 of 8 of form ST-389 will not agree with Item 4 of ST-389 worksheet. If this circumstance occurs, you should complete a separate ST-389 Worksheet for each local tax type and complete the appropriate local tax section on the ST-389 form.

CAPITAL PROJECT, CATAWBA TRIBAL, EDUCATION CAPITAL IMPROVEMENT, SCHOOL DISTRICT, TOURISM DEVELOPMENT AND TRANSPORTATION TAX NUMERICAL CODES

As a result of specific legislation, certain counties and jurisdictions now impose additional sales and use taxes, which are identified as Capital Project, Catawba Tribal, Education Capital Improvement, School District, Tourism Development, or Transportation Tax. These taxes are required to be reported based upon the county or jurisdiction in which the sale consummates. (Usually this is where the business is located, but it can be the place of delivery or physical presence by acceptance of the goods sold, if different from the business location.) For your convenience, the counties and jurisdictions that currently impose these additional taxes are listed on this form with their assigned four digit processing code.

LOCAL OPTION NUMERICAL CODES FOR COUNTY/MUNICIPALITY (Rev. 8/1/15)

The four digit code(s) listed below are to be used when filing this form. Each code reflects the location at which the sale was consummated. (Usually this is where the business is located, but it can be the place of delivery or physical presence by acceptance of the goods sold, if different from the business location.)

Local Option Tax is applicable only to the counties listed below. Only names of incorporated towns are included in this listing. Other counties may be added at a later date by referendum. A complete updated list of all counties with local taxes can be found on our website www.dor.sc.gov under Sales and Use > Publications/Notices.

If the sale is consummated in a municipality you must use the city code, not the general county code.

ST-389 WORKSHEET (If applicable)

The ST-389 is used to report various types of local taxes. Most of the local sales and use taxes reported on the ST-389 provide the same exemptions. However, some local taxes provide different exemptions from other local taxes. Before claiming a deduction on the ST-389 worksheet, you must report your gross sales (taxable and nontaxable) on Item 1 of the ST-389 worksheet. Review carefully the exemptions applicable to the particular local tax or tribal tax since the exemptions may differ from the state tax exemptions or differ from another local tax exemption.

For instance, the sales of unprepared foods are exempt from the State sales and use tax rate. However, local taxes still apply to sales of unprepared foods unless the local tax law specifically exempts such sales. Sales of unprepared foods that qualify for local sales and use tax exemption which also qualified for state sales and use tax exemption should be shown as a deduction on Item 2 of the ST-389 worksheet for local taxes. To obtain information about local tax exemptions, visit our website www.dor.sc.gov to obtain a current copy of the Department's Policy Document which discusses the types of local taxes imposed and exemptions allowed under each local tax.

Note: When your sales, purchases and withdrawals are made or delivered into a locality with more than one local tax type, the total net taxable amount on line 1, page 7 of 8 of form ST-389 will not agree with Item 4 of ST-389 worksheet. If this circumstance occurs, you should complete a separate ST-389 Worksheet for each local tax type and complete the appropriate local tax section on the ST-389 form.

Item 1. Total - Gross Proceeds of Sales/Rental, Use Tax and Withdrawals of Inventory for Own Use: As reported on state sales and use tax return worksheet (Item 3 of ST-3, ST-388, ST-455 or Items 3 and 7 of ST-403.) **1.** _____

Item 2. Local Tax Allowable Deductions

Column A Type of Deduction	Column B Amount of Deduction
a. Catawba Sales less than \$100.00	\$ _____
b. Sales Not Subject to Local Tax	\$ _____
_____	\$ _____
_____	\$ _____
_____	\$ _____
_____	\$ _____

Item 3. Total Amount of Deductions: Enter the total allowable deductions from Column B. **3.** _____

Item 4. Net Sales and Purchases: (Item 1 minus Item 3.) **4.** _____
Should agree with ST-389, Page 7, line 1, Column A.

Note: This form does not address the local taxes on sales that are collected directly by the counties or municipalities (sales of accommodations or prepared meals.) It only addresses the general local taxes collected by the Department of Revenue on behalf of the counties, school districts, and the Catawba Indian tribal government.

CAPITAL PROJECT, CATAWBA TRIBAL, EDUCATION CAPITAL IMPROVEMENT, SCHOOL DISTRICT, TOURISM DEVELOPMENT AND TRANSPORTATION TAX NUMERICAL CODES

As a result of specific legislation, certain counties and jurisdictions now impose additional sales and use taxes, which are identified as Capital Project, Catawba Tribal, Education Capital Improvement, School District, Tourism Development, or Transportation Tax. These taxes are required to be reported based upon the county or jurisdiction in which the sale consummates. (Usually this is where the business is located, but it can be the place of delivery or physical presence by acceptance of the goods sold, if different from the business location.) For your convenience, the counties and jurisdictions that currently impose these additional taxes are listed on this form with their assigned four digit processing code.

LOCAL OPTION NUMERICAL CODES FOR COUNTY/MUNICIPALITY (Rev. 8/1/15)

The four digit code(s) listed below are to be used when filing this form. Each code reflects the location at which the sale was consummated. (Usually this is where the business is located, but it can be the place of delivery or physical presence by acceptance of the goods sold, if different from the business location.)

Local Option Tax is applicable only to the counties listed below. Only names of incorporated towns are included in this listing. Other counties may be added at a later date by referendum. A complete updated list of all counties with local taxes can be found on our website www.dor.sc.gov under Sales and Use > Publications/Notices.

If the sale is consummated in a municipality you must use the city code, not the general county code.

The Municipal Council of the City of Myrtle Beach has implemented a 1% Local Option Tourism Development Fee (referred to as Tourism Development Sales and Use Tax). This tourism development tax is imposed specifically for tourism advertisement and promotion directed at non-South Carolina residents.

This tax is collected by retailers located in or making sales into the City of Myrtle Beach. Retailers reporting the tourism development tax must report the tax by the municipality of delivery (as preprinted in Section 7 on Form ST-389). The tax does not apply to items subject to a maximum tax or the gross proceeds of sales of unprepared food that may lawfully be purchased with United States Department of Agriculture food coupons.

The purpose of this requirement is to assist you in comparing the maximum rates that creditors charge, thereby furthering your understanding of the terms of consumer credit transactions and helping you to avoid the uninformed use of credit.

NOTE: Creditors are prohibited only from granting consumer credit at rates higher than those specified on the displayed Maximum Rate Schedule. A creditor may be willing to grant you credit at rates that are lower than those specified, depending on the amount, terms, collateral and your credit worthiness. The schedule listed below is presented for demonstration purposes only and is an example.
