SUPERSEDES: SC Information Letter #95-7

The index of South Carolina Revenue Rulings, Revenue Procedures, Private Letter Rulings, Technical Advice Memorandum, and Information Letters is now available. Documents issued by the Department of Revenue that pertain to taxation are indexed from 1987 to June 30, 1995. Documents pertaining to alcoholic beverage licensing and regulation, and documents pertaining to motor vehicle licensing, registration & titling are indexed from July 1, 1993 (the date the newly formed Department of Revenue was created) to June 30, 1995.

In addition, a citator of South Carolina policy documents is available for policy documents that have been issued from 1987 to June 30, 1995. This list provides assistance in determining what effect current law and new policy documents have on previously published policy documents.

A copy of the policy document index is attached. A copy of the citator of South Carolina policy documents may be obtained by calling the Department of Revenue's Administrative Section at 803-737-4405.

NOTE: This Index is not reproduced here in your manual. A copy, however, is furnished in your manual updates and should be filed in the front of your manual for quick reference.
