SC INFORMATION LETTER #20-7

SUBJECT: Citator of SC Advisory Opinions

DATE: April 6, 2020

SUPERSEDES: SC Information Letter #19-31

AUTHORITY: S. C. Code Ann. Section 12-4-320 (2014)
SC Revenue Procedure #09-3

SCOPE: An Information Letter is a written statement issued to the public to announce general information useful in complying with the laws administered by the Department. An Information Letter has no precedential value.

A citator of advisory opinions issued by the Department from 1987 through March 31, 2020 is available. This citator provides assistance in determining what effect new advisory opinions have on those previously published to the best of our knowledge. **It does not include the effect new laws, regulations, or court decisions have on previously issued advisory opinions; it should not be relied on as a substitute for researching original sources of authority.**

This citator has been compiled as a reference tool for the convenience of taxpayers, tax practitioners, and Department employees. Because of the number of years and the number of advisory opinions, it is possible that you may find an error or omission in this citator. If you find an error or omission, please contact Susan Shumpert in the Department's Policy Division at 803-898-5144.

A copy of the citator is attached.

CITATOR of ADVISORY OPINIONS

Attached is a citator that provides assistance in determining what effect new advisory opinions have on those previously published. It will generally be revised and issued on a quarterly basis.

Advisory Opinions are abbreviated and indexed as follows:

- RR** - Revenue Ruling
- TRR** - Temporary Revenue Ruling
- RP** - Revenue Procedure
- TRP** - Temporary Revenue Procedure
- PLR** - Private Letter Ruling
- TAM** - Technical Advice Memorandum
- IL** - Information Letter

From January 1, 2000 through December 31, 2002, the Department issued advisory opinions under names different than listed above. They were referred to as:

- RAB** - Revenue Advisory Bulletin
- TRAB** - Temporary Revenue Advisory Bulletin
- RPB** - Revenue Procedural Bulletin
- TRPB** - Temporary Revenue Procedural Bulletin
- PRO** - Private Revenue Opinion
- RIB** - Revenue Informational Bulletin

The citator is organized by type of advisory opinion and lists each one effected in chronological order by year of issuance. Advisory opinions that are not listed in the citator are not obsolete, modified, or superseded, to the best of our knowledge. Certain advisory opinions contain information that is updated on a periodic basis, such as per capita income figures and county rankings used for certain credits. Advisory opinions announcing this information are not reflected in the citator as modified, superseded, or obsolete since they remain effective for the periods they cover. Please see the advisory opinion index to locate the appropriate advisory opinion.

A definition of the terms used in the citator to describe effected advisory opinions are as follows:

Modified by - The boldfaced advisory opinion has been changed in part. This term is commonly used to identify advisory opinions which have been changed in part by another advisory opinion.

Modifying - The boldfaced advisory opinion changes in part a previously issued advisory opinion.

Obsolete - The boldfaced advisory opinion has been withdrawn or is no longer valid.

Superseded by - The boldfaced advisory opinion has been replaced by a subsequent advisory opinion.

Superseding - The boldfaced advisory opinion is replacing a previously issued advisory opinion.

The Advisory Opinion Index and Interest Rate of Underpayments and Overpayments is issued quarterly and contains information of a cumulative nature. Exhibit 1 contains the most recently issued information. Information Letters issued previously remain valid for the periods they cover.

REMINDER: Advisory opinion indexes (both an alphabetical index by tax type and a chronological index) are on the Department's website at: www.dor.sc.gov.
