SC REVENUE INFORMATIONAL BULLETIN 00-16

SUBJECT: Exemptions - Local Sales and Use Taxes Collected by the
Department of Revenue
(Sales and Use Tax)

DATE: September 26, 2000

SUPERSEDES: SC Information Letter #97-1, SC Information Letter #99-11 and all
previous documents and any oral directives in conflict herewith.

AUTHORITY: S. C. Code Ann. Section 12-4-320 (Supp. 2000)
SC Revenue Procedure #99-4

SCOPE: A Revenue Informational Bulletin is a written statement issued to the
public by the Department to announce general information useful in
complying with the laws administered by the Department. **A
Revenue Informational Bulletin has no precedential value, and is
not binding on the public or the Department.**

The South Carolina Code of Laws allows the imposition of various types of local sales and use taxes. As such, the citizens of a county, depending upon the needs within the county, may impose one or several local sales and use taxes. While most of these local sales and use taxes provide the same exemptions for certain sales and purchases, there are some differences. Attached is a chart that should provide guidance concerning the various types of local sales and use taxes collected by the Department of Revenue and the types of exemptions allowed under each tax. Please note that this chart only addresses the general local sales and use taxes collected by the Department of Revenue on behalf of the counties or school districts. It does not address the local taxes on sales of accommodations or on sales of prepared meals that are collected directly by the counties.

TYPES OF EXEMPTIONS:

State Exemptions - 12-36-2120: Sales of tangible personal property exempt from the 5% State sales and use tax are exempt from the local sales and use tax if marked "Yes" under this column.

Exemption for Maximum Tax Items- 12-36-2110: Sales of items subject to a maximum tax under the 5% State sales and use tax law (i.e. aircraft, motor vehicles, motorcycles, boats, trailers and semitrailers pulled by truck tractors, horse trailers, recreational vehicles (including tent campers, travel trailers, park models, park trailers, motor homes, and fifth wheels), self-propelled light construction equipment, unassembled aircraft, manufactured homes, musical instruments and office equipment purchased by certain religious organizations, and certain research and development machinery) are exempt from the local sales and use tax if marked "Yes" under this column.

Exemption for Casual Excise Tax Items - 12-36-1710: Sales of items subject to the casual excise tax under Code Section 12-36-1710 through Code Section 12-36-1740 (i.e. motor vehicles, motorcycles, boats, motors, and airplanes required to be registered, titled, or licensed) are exempt from the local sales and use tax if marked "Yes" under this column.

Exemption for Food Stamp Purchases: Sales of food purchased with food stamps are exempt from the 5% State sales and use tax; therefore, such sales are exempt from the local sales and use tax if marked “Yes” under this column.

Exemption for Certain Food Sales: Sales of certain foods, while subject to the 5% State sales and use tax, are exempt from the local sales and use tax if marked “Yes” under this column. Sales of food which are eligible to be purchased with United States Department of Agriculture food stamps come under this exemption. This exemption applies to everyone, not just persons using food stamps.

“Grandfather Clause” Exemption for Certain Purchases By Construction

Contractors: All the local sales and use taxes discussed in this information letter exempt purchases of building materials for use under a construction contract if both of the following conditions are met:

- A. 1. the construction contract is executed before the imposition date; or
2. a written bid is submitted before the imposition date culminating in a construction contract entered into before or after the imposition date; and
- B. a verified copy of the contract is mailed within 6 months of the imposition date to:

South Carolina Department of Revenue
Office Services Division
License and Registration Section
P. O. Box 125
Columbia, South Carolina 29214-0109

A "verified copy" is a copy accompanied by a statement, signed under penalties of perjury, that it is true and correct. If the contractor is a corporation, the statement is to be signed by an officer of the corporation or an employee authorized to sign. If the contractor is a partnership, the statement is to be signed by a general partner. If the contractor is a sole proprietorship, the owner is to sign.

Special Exemption Certificate. In order for a contractor to purchase building materials for a particular contract free of the local tax, the contractor must complete Form ST-10-C ("Application for Exemption from Local Option Tax") and submit it to the Department of Revenue. If the Department determines the contract in question meets the above requirements, the contractor will be issued a special exemption certificate (Form ST-35). The certificate may only be used to purchase building materials for the contract for which it is issued and may not be used to purchase anything other than building material. If the contractor uses this certificate to make purchases free of the local tax, upon which the tax should have been paid, then the contractor will be held liable for the tax. **Also, the**

certificate does not allow the contractor to make purchases of building materials free of the 5% state tax.

An exemption certificate (Form ST-35) issued by the Department of Revenue to a prime contractor under this exemption may not be used by a subcontractor nor may a prime contractor use a subcontractor's exemption certificate. Each contractor must obtain his own certificate for each construction contract.

Note #1: By not exempting items subject to the casual excise tax (“No” in the “Casual Excise Items” column), counties imposing this local sales and use tax will impose the local tax on sales and purchases of trailers that can be pulled by vehicles other than truck tractors, sales of pole trailers and sales of boat motors not attached to a boat at the time of sale, but will not impose the local sales and use tax on items subject to a maximum tax under the 5% State sales and use tax law.

Note #2: Effective May 1, 1999, Jasper county charges two local sales and use taxes - the 1% Local Option Tax and the 1% Capital Projects Tax.

Note #3: Effective May 1, 2000 Chester county no longer imposes the 1% Capital Projects Tax. Chester county still imposes the 1% Local Option Tax. Chester county imposed the 1% Capital Projects Tax for the period of May 1, 1999 through April 30, 2000.

Note #4: Effective September 1, 2000, Chesterfield county charges two local sales and use taxes - the 1% Local Option Tax and the 1% Chesterfield School Tax.

Please note that this chart only addresses the general local option taxes collected by the Department of Revenue on behalf of the counties or school districts. It does not address the local taxes on sales of accommodations or on sales of prepared meals that are collected directly by the counties.
