When a legal holiday falls on Sunday, it will be observed on the following Monday. When a legal holiday falls on Saturday, it will be observed on the preceding Friday.

The South Carolina Tax Commission offices are open on Martin Luther King Day and Columbus Day; however, these days are considered legal holidays since the offices of the U.S. Postal Service are closed.

The Tax Commission will consider a return or other document as timely filed if:

1. the document is deposited in the United States mails in an envelope or wrapper and is addressed to the appropriate Tax Commission office, with proper postage prepaid; and

2. the postmark date falls within the prescribed period for filing, including extensions.

The date on the postmark must be legible, otherwise, the return will not be considered filed until it is received.

Furthermore, in order for metered mail to be considered timely filed, it must have a metered postmark date within the filing period, and the document must be received by the Commission within the ordinary delivery time from that date.

This procedure will be interpreted consistently, where applicable, with Internal Revenue Code Section 7502 and its regulations.

NOTE: This Revenue Procedure is not applicable to property tax payments due to a county. Those payments are governed by Code Section 12-45-180.
