SC REVENUE PROCEDURE #97-7

SUBJECT: Penalty Guidelines for Violations of the Bingo Laws

EFFECTIVE DATE: Applies to all periods open under the statute.

SUPERSEDES: Field Services Division Advisory Memorandum #91-10 and all previous documents and any oral directives in conflict herewith.

SC Revenue Procedure #94-1

SCOPE: A Revenue Procedure is a statement which provides information of a procedural nature. It is valid and remains in effect until superseded or modified by a change in the statute or regulations or a subsequent court decision, Revenue Procedure or Revenue Ruling.

INTRODUCTION:

This procedure is an advisory opinion providing guidance to be used by department employees in assessing penalties for violations of the statutes governing bingo. The purpose of this procedure is to ensure uniform penalty application. Flexibility is allowed to deal with situations that do not fall exactly within the guidelines.

PROCEDURES:

The department recognizes that ensuring compliance with the law and protecting the public, not punishment, are the reasons for administrative penalties. Accordingly, except for serious offenses, the department adopts a progressive response to assessing penalties. The penalties outlined below include a monetary amount or a license revocation or both.
These are guidelines only and this advisory opinion does not establish a binding norm. There often will be circumstances present that call for either more severe or less severe sanctions for an offense or a group of offenses discovered during an inspection, an audit, or otherwise. These guidelines do not restrict the department's authority to impose any sanctions within the statutory authority granted the department by the General Assembly. This document is a description of agency procedure applicable only to agency personnel.

All offenses within the preceding three years, regardless of type, will be counted in determining the appropriate penalty. For example, if a licensee paid a penalty for commingling of bingo proceeds with other funds, and then one year later was charged with failing to return the required portion of gross proceeds to the players in the form of prizes, the failure to return the required portion of gross proceeds violation would be a second offense.

**CIVIL VIOLATIONS AND PENALTY GUIDELINES FOR STATUTE IN EFFECT PRIOR TO OCTOBER 1, 1997:**

**DESCRIPTION OF THE VIOLATION:** Failure to issue tickets - All Class AA and Class B bingo games must issue a special ticket to each player entering the premises to play bingo.
