AGENCY’S DISCUSSION AND ANALYSIS

SCDOR’S ROLE

Funding a Better State

The SCDOR is funding a better state with total collections of \$19.7 billion for FY24. The SCDOR collects approximately 94% of the State’s General Fund, which provides education, health and social wellness, safety and other critical services to South Carolina citizens. In addition, the SCDOR collects various non-general fund taxes and fees.

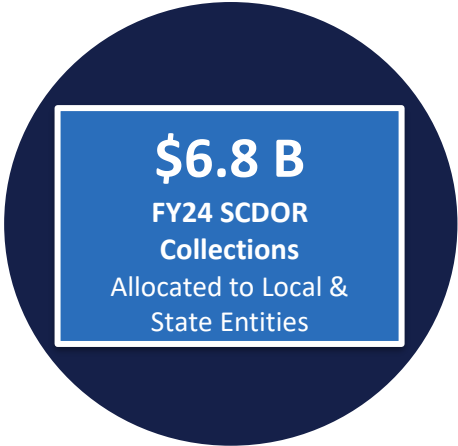

SCDOR General Fund Collections by Source

General Fund revenue collected by the SCDOR is facilitated through the administration of over 72 different taxes and fees, the largest being income tax.

SCDOR Non-General Fund Collections

The SCDOR collects various taxes and fees that are directly allocated to local governments and other state agencies. Most notable are local sales taxes.

AGENCY CODE:	R440	SECTION:	109

SCDOR General Fund Collections

SCDOR General Fund collections for FY24 reached approximately \$12.9 billion, exceeding the Board of Economic Advisors (BEA) collections estimate of \$12.6 billion. The Comprehensive Tax Cut Act of 2022 lowered the top income tax rate for Tax Year 2022 from 7% to 6.5% and Tax Year 2023 from 6.5% to 6.4%. The withholding tax tables were updated in response to this tax cut.

SCDOR General Fund Collections Compared to BEA Estimates

GOAL 1: INCREASING TAX & REGULATORY COMPLIANCE

Educate taxpayers through clear and consistent tax & regulatory guidance

The SCDOR provides a single voice regarding the application of tax laws administered by the agency. Simplifying complex tax laws improves voluntary compliance and increases the amount of state revenue collections. Through clear and consistent tax and regulatory guidance, the SCDOR issued 33 public advisory opinions and 14 informal/private advisory opinions addressing approximately 350 distinct issues in a manner warranting the highest degree of public confidence in our integrity, effectiveness and fairness. The SCDOR provided guidance on 49 bills pending before the General Assembly and informal technical advice on more than 150 separate issue and four new or revised manuals for taxpayers and practitioners were published.

Additional accomplishments include:

- Promoted our free taxpayer education webinars to support our efforts to increase voluntary taxpayer compliance. The SCDOR hosted 19 workshops educating taxpayers on sales tax, alcohol licensing, and withholding regulations. Of the more than 1,090 attendees, 96% reported feeling confident in applying information they learned during training.
- Held five virtual industry specific seminars for sales tax with 269 taxpayers attending, 97% reported feeling confident in applying information learned during training.

AGENCY CODE:	R440	SECTION:	109

- Published new content and improved existing content on our website. We sent mass emails, distributed news releases and utilized social media to publish and promote educational information and guidance to taxpayers.
- Launched an SCDOR Instagram profile that had more than 150 followers in the first six months, with an 8.5% engagement rate, nearly four times the industry average.
- Launched the revamped SC Business One Stop website and began the SCDOR website redesign project.

Provide a simple compliance process for all taxpayers

Our ongoing outcome for this strategy is to increase the percent of returns, licenses and applications filed and paid electronically. This outcome is accomplished by motivating, promoting and educating our taxpayers about simple, taxpayer centered compliance methods for online filing and paying.

Process improvements through enhancements to our tax processing system, DORWAY, and our taxpayer portal, MyDORWAY, demonstrate this year’s success. Some improvements include: incorporating the ability for taxpayers to upload other types of annual withholding documents, such as the W-2C, W-2G, 1099-R, 1099-Misc, and 1099-NEC; allowing first-time individual income tax filers the ability to make on-line payments prior to filing a return; adding the ability for taxpayers to submit a levy reduction request online and upload documents; and adding the ability for taxpayers to request a payment plan online.

Initiatives to reduce the number of non-compliant taxpayers

The SCDOR is committed to the fair administration of tax laws. By taking actions to reduce non-compliant taxpayers, the agency seeks to prevent unfairly increasing the tax burden on those who do comply. The following initiatives best demonstrate this year’s success.

Collection Efforts

The SCDOR continued to publicize the top delinquent taxpayers. With the goal of supporting transparency, fairness, and compliance, we publish on our agency website the names and debt amounts of the Top 250 Delinquent Business Taxpayers and the Top 250 Delinquent Individual Taxpayers quarterly. Collections attributable to this initiative totaled \$32.6 million for FY24.

The HOST (Highest Oldest Special Tax) Team’s assignment of cases is tied directly to the Top Delinquent Taxpayer lists. In FY24, the team worked 624 new high balance cases totaling approximately \$174.4 million, achieving actionable results on approximately \$110 million through payments, return adjustments and uncollectible debts.

AGENCY NAME:	South Carolina Department of Revenue		
AGENCY CODE:	R440	SECTION:	109

The SCDOR utilizes an analytics system to score and prioritize delinquent accounts. By reviewing SCDOR’s entire collection case inventory, this system allows us to connect with our debtor population with self-service compliance options as well as enforced collection actions when necessary. For FY24 our analytics system initiated 284,028 total actions with a 44% success rate. In total, Collection Services collected \$356.9 million and closed 268,043 collection cases, issued SC tax liens on outstanding balances, set up Payment Plans on \$467.9 million, issued 118,379 wage and 24,375 intangible levies, worked 182 Field Events, reviewed 12,914 vendors for compliance, and made 11,469 field attempt contacts on business and individual taxpayers. SCDOR staff assisted hundreds of taxpayers daily to resolve collection matters, continually striving to create and leverage effective and efficient processes to connect to our debtor population.

Audit Program

The SCDOR continued the multi-year project to design and implement an automated case management platform to improve the planning, scheduling and performing of audit processes. Phase I of the Audit Program was completed in FY23. In FY24, Phase II expanded the Audit Program to include foreign and miscellaneous taxes. Additional industries for sales tax and forms/schedules for income taxes (individual and corporate) were planned and implemented, as well as tobacco, economic development credits, savings & loan, and public utilities. The Audit Program completion is planned for FY25 and will include all remaining tax types – bingo, motor fuel, fiduciary and exempt organizations.

Litigation

The SCDOR successfully litigated several corporate tax cases in the Administrative Law Court, all involving Fortune 100 and Fortune 500 companies. Those cases addressed state and local tax issues of nationwide importance. The South Carolina Court of Appeals issued opinions in cases involving the SCDOR; in each case, the SCDOR’s position was affirmed by the Court of Appeals. Those appeals dealt with a wide range of issues including the bank tax, sales and use tax, property tax exemptions, and alcohol beverage licensing. In addition, the South Carolina Supreme Court issued an opinion involving a sales tax exemption, in which the Court found that the exemption was unconstitutional, but agreed with the SCDOR that the appropriate remedy was to declare the entire exemption invalid. Further, the SCDOR represented agency’s interests in hundreds of bankruptcy, foreclosure, and collection matters.

GOAL 2: ENSURING A SECURE ENVIRONMENT

Workforce Security Training

Each year, the SCDOR requires 100% of their active workforce to complete a recertification in Information Security and Privacy Standards. Our workforce serves as the frontline defense to protecting confidential taxpayer information. Therefore, the SCDOR tailors security training for roles targeted by attackers including agency executives, new employees, and employees with higher-than-normal rights in each system. Our workforce has been successfully trained to search and identify

AGENCY NAME:	South Carolina Department of Revenue		
AGENCY CODE:	R440	SECTION:	109

suspicious indicators of a cyber attack and follow the procedure for reporting prior to a potential security event. In addition, we conducted Behavioral Traits Pathway to Violence training. This initiative aimed to equip all SCDOR leadership with the skills to identify behavioral traits indicative of potential violence. Throughout the fiscal year, 10 sessions were conducted, training 143 current managers and 13 key non-management personnel, for a total of 156 individuals. This training focused on recognizing potential active shooter indicators, identifying intervention opportunities, and fostering a supportive work environment.

Secure Technology Advancements

Information security continued to be a top priority. The SCDOR Security and Technology Services (STS) division implemented strategic security technology objectives and projects to enhance and maintain a secure environment. The implemented roadmap, which was in concert with the Department of Administration, included the following completed security-based technology projects.

Secure Technology Projects

- 1** Enhanced and streamlined security technologies and controls to support a secure environment

- 2** Implemented core cloud computing with a focus on security, operations and collaborative tools

- 3** Implemented advanced hardware and software technologies

- 4** Upgraded core infrastructure to enhance security compliance

- 5** Enhanced automation of information security processes

Hardware and Software

The SCDOR upgraded to new technologically advanced and secure equipment agency-wide including laptops; wireless keyboards, headsets and printers; and smart keys/MFA. We also migrated to Microsoft 365 in the GCC High Cloud, setting up the infrastructural and security processes necessary to support the migration.

Security Compliance Assessment

By maintaining a strong governance of security processes, SCDOR can detect and prevent privacy, cyber, and physical security events and ultimately keep confidential taxpayer data secure. SCDOR’s security processes are required to comply with external authorities, including the Internal Revenue Service (IRS), Payment Card Industry (PCI), Criminal Justice Information Services (CJIS), the State of South Carolina, and the National Automated Clearing House Association (NACHA). These assessments evaluate the methods and safeguards used to protect data against loss, breach or misuse, and the prevention of unauthorized disclosure or access. SCDOR policies, procedures, network and any system used to process, store, access, or transmit data were in scope of these various assessments.

AGENCY NAME:	South Carolina Department of Revenue		
AGENCY CODE:	R440	SECTION:	109

As of June 30, 2024, results of security assessments reported no critical or significant findings by external authorities. The most notable assessment accomplishments included:

- The SCDOR engaged a third-party vendor to perform a Strategic Security Assessment along with an Internal and External Penetration Testing to identify vulnerabilities and risk level in SCDOR key systems, network, and processes.
- SCDOR achieved the highest rating “4.0 – Meets or approaches industry best practices” for all areas. Vendor reported only seeing this level of security on the first round of Pen Testing twice in the last 10 years.
- Overall, the SCDOR achieved 100% annual compliance on 536 information security and privacy requirements.

Physical Security and Safety

The physical security and safety of our facility, workforce and stakeholders continues to be a high priority for the SCDOR. In FY24, we continued to enhance and improve the physical security and safety of stakeholders through the following accomplishments:

- Installed new doors and redesigned entrance to the Florence Office
- Enhanced the mail security and screening program at the Columbia location, including the purchase of a portable package scanner for incoming deliveries
- Trained and certified all Building Services staff in OSHA30
- Conducted The Civilian Response to Active Shooter Events (CRASE) training for all employees and conducted active shooter drills

GOAL 3: PROVIDING A CUSTOMER-CENTRIC EXPERIENCE

The SCDOR is committed to our vision to be an innovative and trustworthy partner for all stakeholders and is working to ensure we deliver the highest level of service to the state and its citizens. While taxes are often complex, the SCDOR emphasizes that achieving compliance should not be. The agency utilized various methods to measure customer satisfaction. Through this analysis, we revamped and streamlined processes to provide taxpayers a more intuitive user experience, and thereby creating greater customer satisfaction.

Conducted an Independent Assessment of the SC Taxpayers

The SCDOR partnered with Winthrop University’s Center for Public Opinion and Policy Research to conduct an independent assessment of the overall quality of service provided by the SCDOR. Of the participants who had contact with the SCDOR, approximately 91% were satisfied with the overall quality of service.

AGENCY NAME:	South Carolina Department of Revenue		
AGENCY CODE:	R440	SECTION:	109

Conducted Touch Point Survey of Walk-in Customers

The SCDOR conducted touch point surveys in all taxpayer service centers across the state. Walk-in customers reported a 100% satisfaction rate based on their interactions with the taxpayer assistance teams. More than 6,906 customers responded rating their experience in the areas of: Visit Made Easier, Professional, Helpful, Welcoming and Pleasant.

Promotion Strategy for MyDORWAY

The SCDOR increased MyDORWAY users through expanding the benefits of MyDORWAY by tax type as a one-stop for registrations, tax filings, payments, and communications. Promotional efforts for FY24 included updating webpages with MyDORWAY functionality information and tutorials, publishing news releases through news organizations that received over 50,000 views, promoting and educating the public during individual income tax season specifically focusing on accessing past returns, making payments on MyDORWAY, and requesting a replacement refund. Promotional efforts resulted in an increase of more than 36,000 MyDORWAY logons, an increase in MyDORWAY usage of more than 162,000 instances, and an increase of 98,000 taxpayers opting to use our Go Green paperless option.

DORWAY/MyDORWAY Enhancements

In the past year, our tax processing system, DORWAY, and our taxpayer portal, MyDORWAY, underwent additional enhancements to maintain South Carolina’s leading-edge capabilities in tax administration. Of the requested system upgrades, enhancements and process improvements submitted, 571 were implemented. Some of these enhancements now provide taxpayers with additional features on MyDORWAY for filing and paying, applying for exemptions, and performing other tax related actions.

Additional enhancements to DORWAY/MyDORWAY include the following:

- Dorwin (our digital assistant “chatbot”) – reviewed and refined Dorwin’s knowledge base in response to taxpayer questions. Dorwin provides South Carolina taxpayers with 24/7 MyDORWAY navigation assistance and direct links to SCDOR website content relevant to their queries. During FY24, Dorwin provided answers to more than 136,000 questions from taxpayers with an 95.41% successful response rate.
- Batch Withholding Program – transitioned to MyDORWAY which allowed for front-end validation of file specifications and identification numbers resulting in a reduction of the number of suspended returns. Additionally, preparers now have new, quicker payment options

AGENCY NAME:	South Carolina Department of Revenue		
AGENCY CODE:	R440	SECTION:	109

such as Bulk Withholding Debit Payments and ACH Debit Withholding prepayments from one bank account to multiple withholding tax accounts.

- ACH Credit Applications - created a way for taxpayers and preparers to request ACH Credit payment instructions on MyDORWAY, replacing paper applications. ACH Credit requests on MyDORWAY offer immediate banking and addenda record format details needed for remitters to make ACH Credit payments. The SCDOR currently supports 48 different tax types for ACH Credit transactions.
- MeF Program – offered SC4868 electronic extension options to taxpayers. The 2024 filing season had an increase of 129,586 electronic extensions for Individual Income Tax, reducing the number of paper extension requests received by the agency.
- Updates to Max Tax – revamped the Max Tax return, updating the return to include changes for the infrastructure maintenance fee. The Max Tax return can now be filed and paid online through our Sales XML/EFT program.
- Exemptions with Special Requirement Agreements - automated process in DORWAY that accepts tax exemption requests from entities with special requirement agreements, including Construction Material, Material Handling Systems, and Material Handling Equipment.
- Local Government Services application for reimbursements and data collection – integrated into DORWAY providing clearer/faster communications with the counties.
- Administrative Violations System for Alcohol, Beverage & Licensing – automated in DORWAY enhancing the efficiency of recording and tracking violations and improved processing times.

GOAL 4: ENGAGING & EMPOWERING EMPLOYEES

Strategic Workforce Planning

To accomplish the agency’s strategic goal to engage and empower employees, the SCDOR continuously updates and enhances our agency’s Strategic Workforce Plan to improve employee engagement and meet our current and future human capital challenges. The Plan consists of a thorough analysis of the supply and demand for talent, the development of a roadmap for strategic programs needed to help meet current and future goals, and enhancements to current Human Resources programs.

Workforce Training

Educational efforts provided to develop and better equip our workforce to succeed in their careers include:

- Successfully delivered 123 workforce training sessions within the eight program areas of the agency. Attendee participation totaled 833 with an internal satisfaction rating at 98% for internal classes.
- Provided an all-day hands-on Leadership Symposium for management. Leadership attended learning sessions to strengthen their skillsets on topics including relationship intelligence, multigeneration teams, the position description process, and the EPMS process.
- Integrated records from three training systems into our centralized Learning Management System creating one centralized repository of learning records.

AGENCY CODE:	R440	SECTION:	109

Workforce Recruitment

Workforce recruitment remained a high priority for SCDOR during FY24. The cross-agency process improvement team worked together to make enhancements to our existing Recruitment vacancy-to-fill process and identified additional enhancements to complete in FY25. Some enhancements included:

- Implemented changes to the process flow from Request to Post to the applicant’s decision
- Updated automated processes and created three new workflow processes used by human resources, people managers, and top leadership
- Expanded recruitment efforts through attendance at career fairs, creating recruitment ambassadors, and providing updated presentation materials and handouts
- Expanded recruitment strategy on social media through the development of a LinkedIn ambassador group, our new Instagram profile, and sharing more about SCDOR culture
- Communicated newly revised processes and procedures to agency people managers

These enhancements resulted in increased efficiencies, shorter time to fill vacant positions, broader recruitment reach, larger applicant pools, and an improved candidate experience along with better equipped hiring managers and HR liaisons.

Salary Study

The SCDOR continued its partnership with the Department of Administration and Division of State Human Resources to conduct and complete Phase 1 of a salary study to establish minimum starting salaries for all agency FTE positions that are competitive with the market. Phase I consisted of five groups of positions deemed most difficult to fill and retain. The five groups were comprised of the following: Appraisers; Auditors; Alcohol Beverage Licensing Regulatory Analysts; Call Center Representatives, and Office Collections Officers. Phase II of the salary study began in FY24 with plans to complete in FY25.

Employment Performance Management System (EPMS) / Core Competencies

The Director and Executive Team worked together and leveraged employee feedback to improve and enhance the employee performance review process. During FY24, a new dashboard rolled out for people managers to view their employees’ EPMS information in one place and offers tools to help drive their team’s success. People managers are able to easily access data to analyze trends, due dates, overall EPMS ratings, and teams core competencies ratings and compare their team to agencywide averages. People managers are not only able to see their team’s information, but also those who report to them indirectly. Additionally, deputy directors and HR liaisons are able to view data for the entire division, and Human Resources is able to see information for all employees agencywide.

Workforce Engagement Survey

To further accomplish the agency’s strategic goal to engage and empower employees, the SCDOR contracts with a top-tier vendor to conduct an anonymous, independent, workforce engagement survey. SCDOR employees trust in the anonymity of the survey and share their feedback, comments and suggestions in the survey’s written comments section. A high participation rate provides reliable

AGENCY NAME:	South Carolina Department of Revenue		
AGENCY CODE:	R440	SECTION:	109

data to support and enhance agency decisions for workforce strategies. The participation rate of our initial survey in 2019 was 82%, and it remains high with an 83% (618 responses out of 742) rate in 2024.

Survey Results:

- SCDOR's overall engagement score ranked in the 91st percentile, meaning that SCDOR scored higher than 91% of other public sector organizations.
- SCDOR's overall engagement score is 70, which is considered a strong score as only 10% of organizations score higher than 70.
- SCDOR's overall engagement remained steady in 2024, as did all four of the engagement factors that measure organizational and managerial perspectives.

In summary, SCDOR employees are highly engaged and motivated to do their best. Baseline measures for Culture of Engagement, Strategic Alignment, Motivating and Relating to Employees and for Managing and Execution are used to identify areas of opportunities for focused efforts to improve employee engagement. Each year, SCDOR establishes baseline management thresholds for Division Deputies to work with managers who did not experience engagement survey results at the expected levels, and to build action plans to enhance leadership skills development.

AGENCY RISK ASSESSMENT AND MITIGATION STRATEGIES

Risk and Impact

Recruitment and retention are top priorities for the SCDOR. The risk of losing more workers and the risk of not having success in hiring new workers is a significant threat to the collection of tax revenues for the State's General Fund. If the SCDOR fails to fulfill its mission and goals, then the State's General Fund will dramatically decrease.

Mitigation Strategies

The SCDOR continued recruitment efforts and implemented new avenues for finding candidates to fill critical positions from front-line to leadership vacancies. Confined by state hiring ranges for job classifications, the SCDOR has struggled to make competitive offers to candidates. The state classification and compensation system has a limited number of class bands, which have caps that the state has not annually increased to align with the consumer price index (CPI). The SCDOR continues to partner with the Division of Human Resources to complete and implement a compensation study for positions in which the agency experiences the most turnover. The SCDOR is hopeful the new compensation rates will have a positive impact on recruitment and retention.
