

This form provides a list of South Carolina municipalities that impose local Sales and Use Taxes, along with each municipality's tax rate.

It does not address the state and local Sales and Use Tax rate imposed on accommodations. That information can be found in the ST-575, Sales Tax Rate by Municipalities, available at dor.sc.gov/tax/sales.

An individual 85 years old or older is entitled to claim a 1% exemption from State Sales & Use Tax on purchases for their own personal use. They must provide proof of age at the time of sale. For more information, see SC Revenue Ruling #16-9, available at dor.sc.gov/policy.

Local tax name abbreviations used on this chart are: **LO** - Local Option, **CP** - Capital Projects, **SD** - School District, **TT** - Transportation Tax, **ECI** - Education Capital Improvement, **TD** - Tourism Development, **CGS** - County Green Space.

* - Indicates a municipality is located in more than one county. To determine the appropriate tax rate, check a map or ask the customer to verify where tangible personal property was delivered.
