RE: New CMRS E911 Month Surcharge for 2013

Effective June 1, 2013, the South Carolina E911 Advisory Committee has set the annual CMRS E911 monthly surcharge for the year 2013 at the average monthly telephone 911 surcharge rate of \$0.63.

Therefore, the \$0.63 surcharge rate should be collected for each CMRS connection for which there is a mobile identification number containing an area code assigned to South Carolina by the North American Numbering Plan Administrator and/or prepaid wireless transactions in 2013. The \$0.63 rate will be reflected on your June 2013 ST-406 Wireless 911 Charge Return, which is due August 20, 2013. The return will be mailed to you in the near future.
