 - While completing the Business Tax Application, you'll be able to also create a MyDORWAY account.

WHAT YOU WILL NEED WHEN YOU APPLY

- A copy of the contract for which an exemption is being requested.

GENERAL INFORMATION

- You must apply and be approved for a Sales and Use Tax account **before** requesting a Sales and Use Tax exemption. If you are unsure what type of Sales and Use Tax account to apply for, select Use Tax on the Business Tax Application.
- **All exemption requests are subject to a 45-day review period.**
- Incomplete applications will be rejected. All required documents should be submitted with the application to avoid processing delays.
- Sales and Use Tax exemptions have a predetermined expiration date, and are only valid for one location address. If your contract is extended, you must apply for a new exemption and provide an updated copy of the contract.
- If your location address changes, you will need to update your location address on MyDORWAY and apply for a new Sales and Use Tax exemption.
